Man ,1901

The Encyclopaedia Britannica James Louis Garvin, Franklin Henry Hooper, Warren E. Cox, 1929

Stories of Traumatic Pasts Marina Gržinić, Jovita Pristovšek, Sophie Uitz, Christina Jauernik, 2020-01-01 Belgischer Kolonialismus im Kongo, Antisemitismus in Österreich, Turbo-Nationalismus im ehemaligen Jugoslawien – diese drei historischen Stränge von Gewalt und Vernichtung erzwangen und stützten einen Prozess des Vergessens, der bis heute eine Aufarbeitung der durch sie verursachten Genozide verhindert. Heute droht eine unfreiwillige oder ausgeübte Amnesie all das zu zerstören, was bereits in Hinblick auf ein mögliches Zusammenleben erreicht wurde. Der Ausstellungskatalog geht zu diesen traumatischen Ereignissen der Geschichte sowie der jüngsten Vergangenheit mit ihrer zerstörerischen Wirkung auf Gemeinschaften und Völker, Staaten und Territorien zurück und stellen sie einem System von Interventionen gegenüber. Die nach Gräueltaten zurückbleibenden Narben sind zwar oft versteckt und ausgelöscht, lassen sich aber durch künstlerische, wissenschaftliche und politische Reflexionen zurückholen.

The Encyclopedia Britannica ,1929

Luxury and Modernism Robin Schuldenfrei, 2018-06-05 While modernism was publicized as a fusion of technology, new materials, and rational aesthetics to improve the lives of ordinary people, it was often out of reach to the very masses it purportedly served. *Luxury and Modernism* shows how luxury was present in bold, literal forms in modern designs—from lavish materials and costly technologies to deluxe buildings and household objects—and in subtler ways as well, such as social milieus and modes of living. In a period of social unrest and extreme wealth disparity between the common worker and those at the helm of capitalist enterprises generating immense profits, architects envisioned modern designs providing solutions for a more equitable future. Robin Schuldenfrei exposes the disconnect between modernism's utopian discourse and its luxury objects and elite architectural commissions. Despite the movement's egalitarian rhetoric, many modern designs addressed the desires of the privileged individual. Yet as Schuldenfrei demonstrates, luxury was integral not only to how modern buildings and objects were designed, manufactured, and sold, but has contributed to modernism's appeal to this day. This beautifully illustrated book provides a new interpretation of modern architecture and design in Germany during the heyday of the Bauhaus and the Werkbund, tracing modernism's lasting allure to its many manifestations of luxury.

Schuldenfrei casts the work of legendary figures such as Peter Behrens, Walter Gropius, and Ludwig Mies van der Rohe in an entirely different light, revealing the complexities and contradictions inherent to modernism's promotion and consumption.
