The Embodied Child Roxanne Harde, Lydia Kokkola, 2017-09-11 *The Embodied Child: Readings in Children's Literature and Culture* brings together essays that offer compelling analyses of children's bodies as they read and are read, as they interact with literature and other cultural artifacts, and as they are constructed in literature and popular culture. The chapters examine the ideology behind the cultural constructions of the child's body and the impact they have on society, and how the child's body becomes a carrier of cultural ideology within the cultural imagination. They also consider the portrayal of children's bodies in terms of the seeming dichotomies between healthy-vs-unhealthy bodies as well as able-bodied-vs-disabled, and examines flesh-and-blood bodies that engage with literary texts and other media. The contributors bring perspectives from anthropology, communication, education, literary criticism, cultural studies, philosophy, physical education, and religious studies. With wide and astute coverage of disparate literary and cultural texts, and lively scholarly discussions in the introductions to the collection and to each section, this book makes a long-needed contribution to discussions of the body and the child.

The Language of Dystopia Jessica Norledge, 2022-08-29 This book presents an extended account of the language of dystopia, exploring the creativity and style of dystopian narratives and mapping the development of the genre from its early origins through to contemporary practice. Drawing upon stylistic, cognitive-poetic and narratological approaches, the work proposes a stylistic profile of dystopia, arguing for a reader-led discussion of genre that takes into account reader subjectivity and personal conceptualisations of prototypicality. In examining and identifying those aspects of language that characterise dystopian narratives and the experience of reading dystopian fictions, the work discusses in particular the manipulation and construction of dystopian languages, the conceptualisation of dystopian worlds, the reading of dystopian minds, the projection of dystopian ethics, the unreliability of dystopian refraction, and the evolution and hybridity of the dystopian genre.

Women and Their Body Jil Muller, 2025-09-01 Women’s rights over their own bodies is one of the most pressing issues, esp. as women still seem to have fewer rights over their bodies than men. International authors from philosophy, literature, art, architecture, and gender studies address the topic from a variety of perspectives, reaching beyond classical feminism, and beyond the labels of motherhood and sex. The contributions are grouped into five sections – Body Experiences, History, Technology and Arts, Feminism and Phenomenology, and Beauty. Papers address a multitude of areas, ranging from beauty practices and Ukrainian women refugees in the context of the Russia-Ukraine war, feminist phenomenology and socio-structural critique, female specific neuropathology, the discourse of the Victorian women’s menstruation to motherhood in gender studies and feminist new materialisms. The book provides not only a comprehensive overview over the current state of research, but will also inspire further discussions. A separate bibliography listing relevant titles for readers new to the topics and for advanced researchers rounds out the volume.

Worth a Shot Amy Ewing,2024-05-28 'Compulsively readable ... The magical atmosphere of Inishmore and its residents will captivate readers' - Library Journal Cordelia James was once at the top of her game-a renowned street photographer with a massive social media following, gallery showings in Chelsea, and a lucrative book deal. But after the sudden death of her father, everything changed. Now, Cordelia can barely force herself to leave her apartment. That is, until she sees an ad for a summer gig at a cozy cottage on Ireland's picturesque Inishmore island. Rent-free, plus a small stipend if willing to do some menial housework and look after an elderly neighbour. Cordelia is on a plane before she can talk herself out of it. But practically the moment she steps off the boat, she crashes-literally-into Niall O'Connor, a grumpy local who's just returned home to Inishmore from Dublin. Cordelia's camera breaks, and Niall doesn't give a horse's arse about it. He's nursing a broken heart and trying to patch up a broken life, and he has no time for posh American tourists or their thousand-dollar hobbies. The more Cordelia's and Niall's paths cross, the more they make each other's lives hell. But as with all rivalries, their hatred is about to reach a tipping point-and it's going to heat up their cool coastal nights. Featuring a lovable band of quirky supporting characters, *Worth a Shot* is an emotionally gripping tale of love, passion, art, food, and finding your community-even if that community happens to be on a remote island thousands of miles from home.

The Alcazar Amy Ewing,2020-03-03 From New York Times bestselling author Amy Ewing comes the second book in an epic fantasy duology that School Library Journal called "rich and complex." Perfect for fans of *Snow Like Ashes*, *These Broken Stars*, and *Magonia*! Sera has finally recognized the true power of her Cerulean blood. But in order to return home, she'll need help from Agnes, Leo, and their grandmother—the only person with knowledge about the mysterious island of

Braxos, where the Cerulean tether is anchored. Though the journey will be treacherous, Sera will risk anything to see her City again. Meanwhile, the High Priestess's power has reached new heights in the City Above the Sky. And when Leela begins having visions of Sera, alive, she knows she's the key to saving the City. But to bring Sera home, Leela must channel the strength, courage, and curiosity that once got her friend exiled. With the help of friends, family, and Cerulean magic, Leela and Sera could soon return to their normal lives. But when that time comes, will Leela be able to serve her City as blindly as she once did? And will Sera be able to leave everything and everyone she's grown to love on the planet behind?

Holiness and Desire Jessica Martin, 2020-06-30 We live in a world that prizes gratification of desire. But what if this pressure to satisfy our wants instead makes us settle for lesser imitations? What if the problem with desire is not that we want what we can't have, but that we don't want it enough? What if desire itself - the gap between wanting and having - is the key to living well? *Holiness and Desire* explores these questions and the challenges they pose to modern living. Drawing on sources from the Bible to literature and social media, Jessica Martin considers what a distinctive holiness might look like within the distorting pressures of our highly sexualized modern culture.
