A Love That Will Always Find a Way Mormon Derek,2025-11-08 A Love That Will Always Find a Way is a deeply enchanting and hopeful anthology that delves into the profound, enduring power of love to illuminate even the darkest paths and forge connections across any divide. Through a series of intimately connected narratives, the book introduces various iterations of Elara, a soul often attuned to the celestial or seeking a deeper understanding of her world, as she finds transformative companionship with partners like Orion and Theron. Each story serves as a poetic testament to the idea that true love is not merely a fleeting emotion, but an unwavering force a guiding star, a quiet melody, or a tenacious root that always discovers a path forward, no matter the obstacle. From a meticulous cartographer whose world of stars gains vibrant harmony with a renowned musician, to a grounded scholar and a visionary who must bring light back to a sun-deprived island, these tales illustrate how love bridges contrasts and thrives amidst adversity. The characters confront a myriad of challenges: from existential loneliness and the threat of perpetual twilight to the complexities of vastly different perspectives. Yet, through shared purpose, quiet understanding, and unwavering hope, their bonds deepen and become an undeniable source of light. With evocative imagery drawn from celestial tapestries, ancient clocks, and resilient island ecosystems, A Love That Will Always Find a Way is an ode to the transformative power of enduring affection. It reminds us that even when the world is shrouded in shadow, love persists, finding its unique expression and illuminating every step of a shared journey, proving that true connection, like the sun, always finds a way to shine.

Life Lines Jean Scarborough,2008-10 Jean Scarborroughs poetry collection offers poems that capture special moments in family life with great affection, warmth, and a sharp eye for the telling detail. One For Sorrow Tejaswini Divya Naik,2022-08-24 About the Book: This book is an audacious act of courage. An unlinked sequel to Smokes and Whiskey, this book, like it's predecessor, is a collection of poetries, accompanied by creatively brilliant art-work and images. One for Sorrow, is like a cross-road between a sadness that you want to let go of, and the healthy happiness calling out to you, and eventually, you, through a brittle and heart-breaking, yet experience laden ride, choose yourself over the toxicity. As it takes you on a journey of unfiltered emotions, transcending through pain, and growth,

acceptance and self-love, it hopes for you to find a healing that is heart-wrenching, yet, bitter-sweet. At times, it'll make you feel like letting go completely, and crying and yelling at the top of your lungs, but at the same time, just holding onto yourself and hugging yourself as tightly as possible. And this book will always be your friend, right by your side, never letting go of you even for a second. This book is my way of telling you, if i could do it, so can you. About the Author: Tejaswini Divya Naik is an army brat, media grad, and a National Bestselling Author. Her debut book, published in 2018 - Smokes and Whiskey - was an instant and absolute hit, and ranked #1 on Amazon. If asked to describe herself in one word, she'd acronym it to ABCD. Confused? Here, let's break it down for you. She's an -Achiever, Believer, Creator, Dreamer. Apart from being a writer, she's also a filmmaker & a script supervisor in Bollywood, a Mental Health Advocate, a Body Positivity campaigner, an activist with 4 historic mega-win campaigns to her name, who's had the honour of meeting President Obama & was recently awarded the 99 Achievers' of India & also the 30 under 30 for the year of 2020. Her social media pages help her interact with thousands of young minds through poetry & stories. In her words, she's just a simple girl, trying to change the world, one word at a time. The 7 Initiatory Fires of Modern Manhood Hendrix Black,2023-05-09 Lost in the fervent call for men to "be more", is the fact that man already is more than he's ever been. Almost unreasonably more. Written with the goal of positively impacting the lives of 50 million men (and their families) for generations to come, The 7 Initiatory Fires of Modern Manhood is a practical guidebook and self-development path for modern men. At a high level, The 7 Initiatory Fires of Modern Manhood is built upon the premise that, contrary to popular belief, "initiation" into manhood hasn't disappeared. It's simply been misunderstood. And that as a modern man, the grounds for deep and permanent transformation are already present in everyday life. Namely in intimate relationships, fatherhood, pursuit of purpose, business and livelihood, thriving physically and mentally in an unhealthy world, thriving emotionally and spiritually in an unbalanced world, and expressing fully in a

suppressed world All of these fires, when approached from a place of deep reverence, regenerative power, and expansive possibility, provide the accelerated growth and awakening that true initiation has always entailed. In that spirit, *The 7 Initiatory Fires of Modern Manhood* presents a grounded and structured path of inner and outer development for men, offering a fresh take on men's work and a clear path that brings courage and direction to an otherwise arduous (and often missed) pursuit.

How To Get Over A Boy Chidera Eggerue, 2020-02-06 Are you fed up with thinking about that guy every minute of every waking hour, when he doesn't even reply to your texts? Are you reeling from the pain of a break-up, unsure of where to turn? Are you single and looking to be happy with your choices in the face of society's constant questioning? In *How to Get Over a Boy*, bestselling author Chidera Eggerue will show you, once and for all, how to reframe the stale goal of finding a man. She will equip you with tangible and applicable solutions for every part of your dating life, helping you recognise that men hold as much power in our romantic lives as we grant them. In the past, dating books tend to lean more into the territory of 'how to make him find you hot!', 'how to make him jealous!', 'how to get him to propose!'. But these how-tos are placing men on a pedestal of being 'the prize'. Men are NEVER the prize. You are. Let *The Slumflower* show you why.

An Angel's Heart Raven Gregory, 2020-08-07 Home and hearth were not the life Rhea dreamed of. She longed for adventure and sights beyond her little village, where everything stayed the same. Enlisted as a healer and light bearer by the goddess herself, Rhea said goodbye to all she had ever known and set off to find her place in the world. When a dark and dangerous force threatens to bring down all that Rhea holds dear, she must rise above and fight. Magic, matters of the heart, and a little help from a vampire that struggles to hold on to his humanity will be the foundation Rhea needs to face the world's greatest evil. Before she can take on the demon king that threatens her very existence, she must first face the demons she keeps locked deep down inside herself; she must unleash her inner power and learn to trust her heart. Love will conquer all if she can only find it within herself to let go of the past and learn to be loved for who she really is.
