A Year of Miracles Marianne Williamson, 2013-12-31 In *A Year of Miracles*, Marianne Williamson, the #1 New York Times bestselling author of the classic *A Return to Love* and world-renowned teacher, offers a daily devotional that helps us develop a positive, loving mindset and encourages us to live our best selves to bring miracles into our lives. Williamson has taught millions around the world the simple yet profound lesson that has helped them tap into the divine within themselves and lead a happier, more fulfilled existence: How we think determines how we live. If you change your thoughts, you can change your reality. If you strive to put your best self forward, the universe responds, actively helping you, creating miracles that allow you to flourish. *A Year of Miracles* is her collection of 365 spiritual readings, including prayers, meditations, declarations, and affirmations—one for each day of the year—that offer guidance, support, and enlightenment to focus your thinking. With this thoughtful meditative devotional, you can stay mindful, hopeful, and centered every day, producing miracles in your life. Combining wisdom drawn from her bestselling books as well as fresh insight, *A Year of Miracles* helps enhance your spiritual journey and opens your eyes to see God acting through the universe to provide all that you need.

Spiritually, We Sah D'Simone, 2024-03-19 “*Spiritually, We* is a must-read for anyone who feels lonely and disconnected.” —Dr. Nicole LePera, #1 New York Times bestselling author of *How to Do the Work* “We need each other,” says internationally bestselling author Sah D'Simone. That's the unapologetically loving message at the heart of *Spiritually, We*, a moving manifesto for an increasingly “me, me, me” moment. In this bold call to action, Sah maps how contemporary spirituality has become an increasingly self-centered project, only exacerbating the loneliness that plagues modern life. Brilliantly illuminating not only why connection is a fundamental piece of a deep spiritual practice, but how to connect with others authentically, *Spiritually, We* is the essential field guide to deepening friendships, building community, and ultimately healing not only yourself but the whole damn world. Drawing on the insights and tools he has developed as both teacher and student—as well as the expertise of researchers, journalists, and healers across diverse fields—Sah holds nothing back as he invites us to release an “us vs them” mindset, cultivate radical compassion, and creatively transform our struggles into opportunities for awakening. Full of Sah's trademark candor and sass, *Spiritually, We* is the wake-up call for our times, a deeply felt and necessary reminder that you aren't alone, that you aren't meant to be alone, and that it is side by side with others where true wisdom flourishes.

The Soul Garden Pathway Sally Gallot-Reeves, 2021-02-19 The Soul Garden Pathway is a spiritual journey encircling the reader in discovery of the self, the higher self and the soul. Beginning at the Tree of Life and proceeding along life paths in a burgeoning garden, each section brings greater understanding to the universal laws and spiritual truths that influence our life and growth. A creation of Love and Light, the Soul Garden connects our soul to spirit, spirit to heart, and heart to mind. Walking forward, the garden paths bring awareness of where we are, where we have been, and where we wish to be. As spiritual beings in human form, we seek a place of peace and sanctuary wherein we are free to explore the dimensions of our physical, mental, emotional and spiritual self. To learn, to grow, and to expand in all ways that assist us in becoming whole; who we are meant to be and what we are meant to bring into this world. The Soul Garden leads you to a place of consciousness; planting the seeds you wish to cultivate and nurturing the plants you wish to mature. Designed for both those new to their spiritual journey and those that are looking to expand further, the Soul Garden weaves foundational concepts with higher awareness of our physical and intuitive senses, connections with Higher Self and Spirit, appreciation for the gifts of abundance. Your soul is eternal, transcending time and ages, to bring Divine Purpose, Light and Love into the world; and Peace, Harmony and Balance into our lives. We seek to be surrounded by Grace, Benevolence and Acceptance. We seek to create the sanctuary of our soul. Welcome to the Soul Garden. May your journey and life be blessed.....

The Book of Pendulum Healing Joan Rose Staffen, 2019 The Book of Pendulum Healing, suitable for beginners and adepts alike, offers clear, concise instructions for using ancient dowsing techniques, a modern pendulum, and 30 interrelated intuitive healing charts as a spiritual guidance system. The lessons provided are practical--the dowsing process provides concrete, visible-to-the-eye answers and solutions--and other easy-to-learn healing techniques such as communication with the angelic realm, affirmative prayer, meditation, and aura clearing are also included. This profound system opens one's mind to inner intuition and wisdom and addresses many key intellectual, emotional, physical, and spiritual issues.

Own Your Authority: Follow Your Instincts, Radiate Confidence, and Communicate as a Leader People Trust

Marisa Santoro, 2021-04-27 Thrive on risk, speak with intention—and be the influential and confident leader you know you are. Too often, we get stuck in our heads, focus on the negative, and paralyze ourselves with fear. And, like clockwork, we fail to achieve our goals. The only way to become an effective leader and enjoy career success is by silencing the self-sabotaging thought patterns and learn to trust yourself. Once you've established a trusted connection with yourself, clear on who you are and what motivates you, career opportunities will follow. Former Wall Street executive Marisa Santoro spent years navigating trading floors in an abrasive male-dominated industry and field, where she learned from experience that the key to leadership success is self-trust. Now, in *Own Your Authority*, she shares her hard-won secrets to being a resilient leader. Santoro lays out a step-by-step blueprint for building the confidence you need at any stage of your career, whether you are an executive, a mid-career senior professional, an emerging leader, or consultant. Be clear on how you're perceived and how you relate with others Be willing to act on instinct in the face of fear Be aware of the instinctive yellow alerts flagging your indecision—they are there for a reason and will help you make the best decision Trust your "intuitive gut gene," an instinct that helps you make gutsy moves Speak out and openly express yourself without apology, restriction, or worry about the opinions of others Self-confidence is a universal prerequisite for being an effective leader. The good news is you're not born with it—you develop it. With *Own Your Authority*, you'll learn to master your mindset, give yourself permission to break through the walls that have held you back, and deliver positive impact to yourself, your team, and your business.
