

Before We Were Strangers Free

Massachusetts Historical Society

Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn’t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn’t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn’t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I’ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?

M

Before We Were Strangers Brenda Novak, 2018-12-04 New York Times–Bestselling Author: “I loved this twisty tale of friends, enemies, lovers, liars, and a family fractured by secrets.” —Susan Wiggs Five-year-old Sloane McBride couldn’t sleep that night. Her parents were arguing again, their harsh words heating the cool autumn air. And then there was that other sound—the ominous thump before all went quiet. In the morning, her mother was gone. The official story was that she left. Her loving, devoted mother! That hadn’t sat any better at the time than it did when Sloane moved out at eighteen, anxious to leave her small Texas hometown in search of anywhere else. But not even a fresh start working as a model in New York could keep the nightmares at bay. Or her fears that the domineering father she grew up with wasn’t just difficult—he was deadly. Now another traumatic loss forces Sloane to realize she owes it to her mother to find out the truth, even if it means returning to a town full of secrets and lies, a jilted ex-boyfriend, and a father and brother who’d rather see her silenced. But as Sloane

starts digging into the past, the question isn't whether she can uncover what really happened that night—it's what will remain of her family if she does . . . "A dark, twisty plot that will leave readers unsure until the very end keeps the pages turning in this engrossing, insightful romantic thriller." —Library Journal "The kind of book best swallowed in one sitting: suspenseful, surprising, and 100% addictive." —Kimberly Belle, USA Today—bestselling author of *The Marriage Lie*
