Behind the Net Stephanie Archer,2023-06-28

Behind the Net Stephanie Archer (Romance author),2023 He's the hot, grumpy goalie I had a crush on in high school... and now I'm his live-in assistant. After my ex crushed my dreams in the music industry, I'm done with getting my heart broken. Working as an assistant for an NHL player was supposed to be a breeze, but nothing about Jamie Streicher is easy. He's an intimidatingly hot, grouchy jerk who can't stand me. The guy has a massive ego. Keeping things professional will be no problem, even when he demands I move in with him. Beneath his surliness, though, Jamie's surprisingly sweet and protective. When Jamie learns how bad my ex was in bed, his competitive nature flares, and he encourages and spoils me in every way. The creative spark I used to feel about songwriting? It's back, and I'm writing music again. Between wearing his jersey at games, rowdy parties with the team, and being brave on stage again, I'm falling for him. He could break my heart, but it might be worth it. *Behind the Net* is a grumpy-sunshine pro hockey romance with lots of spice and an HEA. It's the first book in the Vancouver Storm series, and can be read as a standalone.--provided by Amazon.com.

The Help - Behind the Story Kimberly Stancil,2014-08-05 Kathryn Stockett's unconventional childhood in Mississippi, along with a special relationship with her family's housekeeper, set the backdrop for this intriguing story of discrimination, privilege, and friendship. The brutal and unflinching honesty of this novel exposes many of the negative parts of Southern culture that some would like to forget, while simultaneously displaying Stockett's dark sense of humor. What unusual challenges did the author face on her journey from manuscript to published book? From where did she draw inspiration for her vivid characters? Why did *The Help* inspire such passionate fans as well as detractors? How do we as humans cope with severe loss in our lives, especially when it happens over time? Why do people discriminate against and judge one another? Can three women from very different perspectives help to bring about change in a era of firmly held prejudices? All of these issues and more are explored in the award-winning tale of *The Help*. Experience: The Behind the Story Effect After reading a BTS... You feel inspired to follow your hearts and dreams... — Arshi Ever been backstage at a concert? Here you go -- in written form. — Author, Editor I felt enriched with knowledge about the book, and I felt like I knew more about the book. — Aspiring Author It makes me discover new things, and when I re-read the book, my emotions are different, deeper now that I

understand what's behind the book. — Karlen I felt closer to the writer knowing more about them as a person and why they wrote what they wrote. — The Beta Reading Club I felt like the Behind the Story offered a new look into the book, and appreciated that, as most of the time, that angle is unexplored. — Aspiring Author Get ready for one of the most unique experiences you will ever have...this is definitely CliffNotes and SparkNotes on Steroids. — Author, Editor
