William Cooper

Behold a Pale Horse William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The only man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heroes, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

In Pursuit of the Free Pass John Howard, 2012-09 John Howard, author of Road Warriors, asks: WHY? Why can't we display the Ten Commandments in public places? Why can't we say Merry Christmas, even though that's the holiday we are celebrating? Why do we all have to kowtow to the liberal Church of the Enlightened's dictates and lack of morals? Why can't children pray in school, if that is their choice? Why does the Church of the Enlightened hate core American values? Why does the feminist's agenda ruin the workplace and weaken the United States from within? Why does Affirmative Action hurt the people it's supposed to help? Why can't we find out the truth about our elected leaders who pay attorneys to cover up their past? And WHAT can the right-thinking Christian majority do about changing the messages that are sent out each day,

seeking to dismiss them as crazy people that seek to destroy this great nation? The United States of America is the greatest country in the world and only when right-thinking foundational principles are brought to surface, can we truly have a nation of which to be proud.
