Alex Berenson

The Prisoner Alex Berenson, 2018-01-02 To unmask a CIA mole, John Wells must resume his old undercover identity as an al Qaeda jihadi—and hope he can survive it—in this cutting-edge novel from #1 New York Times bestselling author Alex Berenson. It is the most dangerous mission of John Wells's career... Evidence is mounting that someone high up in the CIA is doing the unthinkable—passing messages to ISIS, alerting them to planned operations. Finding out the mole's identity without alerting him, however, will be very hard, and to accomplish it, Wells will have to do something he thought he'd left behind forever. He will have to reassume his former identity as an al Qaeda jihadi, get captured, and go undercover to befriend an ISIS prisoner in a secret Bulgarian prison. Many years before, Wells was the only American agent ever to penetrate al Qaeda, but times have changed drastically. The terrorist organizations have multiplied: gotten bigger, crueler, more ambitious and powerful. Wells knows it may well be his death sentence. But there is no one else.

Twelve Days Alex Berenson, 2016 John Wells has only twelve days to stop the United States from being tricked into invading Iran in the new cutting-edge novel of modern suspense. Wells, with his former CIA bosses Ellis Shafer and Vinnie Duto, has uncovered a staggering plot, a false-flag operation to convince the President to attack Iran. But they have no hard evidence, and no one at Langley or the White House will listen. Now the President has set a deadline for Iran to give up its nuclear program, and the mullahs in Tehran—furious and frightened—have responded with a deadly terrorist attack. Wells, Shafer, and Duto know they have only twelve days to find the proof they need. They fan out, from Switzerland to Saudi Arabia, Israel to Russia, desperately trying to tease out the clues in their possession. Meanwhile, the United States is moving soldiers and Marines to Iran's border. And Iran has mobilized its own squad of suicide bombers. And as the days tick by and the obstacles mount, they realize that everything they do may not be enough ...

The Silent Man Alex Berenson, 2010-01-26 A novel of international intrigue and catastrophic terrorism from the #1 New York Times bestselling author of *The Ghost War* and *The Faithful Spy*. For CIA operative John Wells, the underworld has become more real than the real world. He's spent years in the close company of evil men. And he's paid the price in every possible way. Now, he's on the ragged edge of burnout. His nights are plagued by twisted dreams. He's beginning to doubt if he can ever live a normal life—and he's right to think so. When a power adversary from Wells's past finds him, he must once again enter the fray. For his country. For his soul. For revenge....

The Faithful Spy Alex Berenson, 2006-04-25 "A well-crafted page-turner that addresses the most important issue of our time. It will keep you reading well into the night."-Vince Flynn A New York Times reporter has drawn upon his experience covering the occupation in Iraq to write the most gripping and chillingly plausible thriller of the post-9/11 era. Alex Berenson's debut novel of suspense, *The Faithful Spy*, is a sharp, explosive story that takes readers inside the war on terror as fiction has never done before. John Wells is the only American CIA agent ever to penetrate al Qaeda. Since before the attacks in 2001, Wells has been hiding in the mountains of Pakistan, biding his time, building his cover. Now, on the orders of Omar Khadri-the malicious mastermind plotting more al Qaeda strikes on America-Wells is coming home. Neither Khadri nor Jennifer Exley, Wells's superior at Langley, knows quite what to expect. For Wells has changed during his years in the mountains. He has become a Muslim. He finds the United States decadent and shallow. Yet he hates al Qaeda and the way it uses Islam to justify its murderous assaults on innocents. He is a man alone, and the CIA-still reeling from its failure to predict 9/11 or find weapons of mass destruction in Iraq-does not know whether to trust him. Among his handlers at Langley, only Exley believes in him, and even she sometimes wonders. And so the agency freezes Wells out, preferring to rely on high-tech means for gathering intelligence. But as that strategy fails and Khadri moves closer to unleashing the most devastating terrorist attack in history, Wells and Exley must somehow find a way to stop him, with or without the government's consent. From secret American military bases where suspects are held and "interrogated" to basement laboratories where al Qaeda's scientists grow the deadliest of biological weapons, *The Faithful Spy* is a riveting and cautionary tale, as affecting in its personal stories as it is sophisticated in its political details. The first spy thriller to grapple squarely with the complexities and terrors of today's world, this is a uniquely exciting and unnerving novel by an author who truly knows his territory.

The Power Couple Alex Berenson, 2022-11-29 When their college-aged daughter is abducted on a European family vacation, Brian and Rebecca Unsworth--both U.S. intelligence staffers--race to find the kidnappers and keep their fragile marriage intact--

The Secret Soldier Alex Berenson, 2011-02-08 In Saudi Arabia, a series of terrorist attacks has put the Kingdom on edge. King Abdullah is losing his hold, and his own secret police cannot be trusted. With nowhere to turn, the king asks for ex-CIA agent John Wells's help. Reluctantly, and with the secret blessing of his former CIA boss, Wells begins to unravel the conspiracy, and realizes that there is more than one country at stake--because the plotters want more than the fall of a monarch. They want to start the final battle between America and Islam--with only themselves as the victors...

The Ghost War Alex Berenson, 2009-01-27 Another thrilling adventure featuring John Wells, the deep cover CIA operative from the #1 New York Times bestselling author of *The Faithful Spy* and *The Deceivers*. John Wells barely survived his homecoming when it was thought he'd become too close to the terrorists. Though his wounds have healed, his mind is far from clear. He needs to get back in the fight. And there is a fight waiting for him. A power play in China is causing chaos

around the globe. And even as Wells does what he does best, a mole within the CIA is preparing to light the final fuse that will propel an unsuspecting world toward open war and annihilation. And this time, there may be nothing John Wells can do to stop it...

The Shadow Patrol Alex Berenson, 2015-12 Undercover operative John Wells investigates a possible Taliban infiltration of the CIA's Kabul Station.

The Wolves Alex Berenson, 2017-01-31 CIA agent John Wells refuses to let a privileged businessman walk away from a crime in this novel of modern suspense from the #1 New York Times bestselling author. John Wells has just barely managed to stop an operation designed to drive the United States and Iran into war, but the instigator himself disappeared behind an impenetrable war of security. Now it's time for him to pay, and Wells has made it his personal mission. There are plenty of crosscurrents at work, though. The White House doesn't want anybody stirring the pot; his old CIA bosses have their own agendas; other countries are starting to sniff around, sensing something unusual. It is when Russia and China enter the mix, however, that the whole affair is set to combust. With alarming speed, Wells is once again on his own...and the wolves are closing in.

The Midnight House Alex Berenson, 2011-01-25 The #1 New York Times bestselling author delivers a gripping thriller starring CIA agent John Wells that takes readers into the darkest shadows of a silent war. Available in a tall Premium Edition.

The Night Ranger Alex Berenson, 2014-01-28 When four friends, working at a giant refugee camp in Kenya for Somalis, are hijacked by bandits, John Wells, brought in to find them, goes undercover in a country that isn't his usual playing field where he discovers that the truth behind the kidnappings is far more complex than he imagined.

The Deceivers Alex Berenson, 2018-02-06 THE NEW YORK TIMES BESTSELLER Interfering with the presidential election was just the first step. The Russians don't just want to influence American elections--they want it all. Former CIA agent John Wells confronts a plot of astonishing audacity as New York Times bestselling author Alex Berenson goes beyond today's headlines to tomorrow's all-too-real threats. It was supposed to be a terrorist sting. The guns were supposed to be disabled. Then why was there so much blood? The target was the American Airlines Center, the home of the Dallas Mavericks. The FBI had told Ahmed Shakir that his drug bust would go away if he helped them, and they'd supply all the weaponry, carefully removing the firing pins before the main event. It never occurred to Ahmed to doubt them, until it was too late. When John Wells is called to Washington, he's sure it's to investigate the carnage in Dallas, but it isn't. The former CIA director, now president, Vinnie Duto has plenty of people working in Texas. He wants Wells to go to Colombia. An old asset there has information to share--and it will lead Wells to the deadliest mission of his life, an extraordinary confluence of sleeper cells, sniper teams, false flag operations, double agents high in the U.S. government--and a Russian plot to take over the government itself. If it succeeds, what happened in Texas will be only a prelude.

The Kidnapping Free Short Story Preview Alex Berenson,2013-01-29 More information to be announced soon on this forthcoming title from Penguin USA.

The Number Alex Berenson,2003 In this commanding big-picture analysis of what went wrong in corporate America, Alex Berenson, a top financial investigative reporter for The New York Times, examines the common thread connecting Enron, Worldcom, Halliburton, Computer Associates, Tyco, and other recent corporate scandals: the cult of the number. Every three months, 14,000 publicly traded companies report sales and profits to their shareholders. Nothing is more important in these quarterly announcements than earnings per share, the lodestar that investors--and these days, that's most of us--use to judge the health of corporate America. earnings per share is the number for which all other numbers are sacrificed. It is the distilled truth of a company's health. Too bad it's often a lie. The Number provides a comprehensive overview of how Wall Street and corporate America lost their way during the great bull market that began in 1982. With fresh insight, wit, and a broad historical perspective, Berenson puts the accounting fraud of the past three years in context, describing how decades of lax standards and shady practices contributed to our current economic troubles. As the bull market turned into a bubble, Wall Street became utterly focused on the number, companies' quarterly earnings. Along the way, the market lost track of what companies are really supposed to do--build profitable businesses with sustainable futures. With their pay soaring, and increasingly tied to their companies' shares, executives were more than happy to give Wall Street the predictable earnings reports it wanted, what-ever the reality of their businesses. Accountants, analysts, money managers, and individual investors played along, while the Securities and Exchange Commission found itself overwhelmed and underequipped to cope with the earnings game. The Number offers a unified vision of how today's accounting scandals reflect a broader system failure. As long as investors remain too focused on the number, companies will find ways to manipulate it. Alex Berenson gives anyone who has ever invested in--or worked for--a public company the tools necessary to see beyond the cult of the number, understand accounting and its limits, and recognize patterns that can lead to fraud. After two decades of stock market hype, The Number offers a welcome dose of truth about the way Wall Street and corporate America really work.

The Counterfeit Agent Alex Berenson,2015-01-27 Unable to prevent the assassination of a CIA station chief by Iranian hostiles who are allegedly plotting a nuclear attack on the United States, John Wells goes undercover to discern the truth on an assignment that takes him from Guatemala and Thailand to Hong Kong and Istanbul.

The Ghost Agent Alex Berenson,2009-03-26 BELOW THE RADAR, OFF THE GRID, AND BEHIND ENEMY LINES: CIA AGENT JOHN WELLS PLAYS A DEADLY GAME OF RISK... As a covert CIA special operative, John Wells knows the odds are always stacked against him. For every atrocity foiled, another deadly catastrophe awaits. So when it emerges that four of the world's most dangerous states are plotting together to unleash the ultimate nuclear threat, Wells realises that his odds on stopping them ranges from zero... to none. But that's never stopped him before. And it isn't going to stop him now...

The Faithful Spy Alex Berenson,2010-01-26 CIA agent John Wells has been undercover so long that his bosses are no longer sure he's still loyal - or even still alive. For years Wells has been building his cover in the mountains of Afghanistan, his existence known only to a few senior CIA officials. But now he's coming home - and no one, including his CIA minder Jennifer Exley, knows what to expect. He is a man alone, used by two adversaries and trusted by neither. And as terrorists prepare to unleash the most devastating attack in history, Wells knows he is the only man who can stop them. With or without the government's approval...
