

Cost Management A Strategic Emphasis Blocher

Edward Blocher

Cost Management Edward Blocher, 2005 *Cost Management: A Strategic Emphasis*, by Blocher/Stout/Cokins/Chen is the first cost accounting text to offer integrated coverage of strategic management topics in cost accounting. The text is written to help students understand more about management and the role of cost accounting in helping an organization succeed. This text aims to teach management concepts and methods, and to demonstrate how managers use cost management information to make better decisions and improve their organization's competitiveness. In teaching these key management skills, the text takes on a strategic focus. It addresses issues such as: How does a firm compete? What type of cost management information is needed for a firm to succeed? How does the management accountant develop and present this information? This text helps students learn why, when, and how cost information is used to make effective decisions that lead a firm to success.

Looseleaf for Cost Management: A Strategic Emphasis Edward Blocher, Paul Juras, Steven Smith, 2021-01-12 *Cost Management: A Strategic Emphasis*, by Blocher/Juras/Smith is dedicated to answering the question: Why Cost Management? It answers this question by providing cost-management tools and techniques needed to support an organization's competitiveness, improve its performance, and help the organization accomplish its strategy. The text is written to help students understand the broader role of cost accounting in helping an organization succeed - and not just the measurement of costs. While the text does include coverage of traditional costing topics (e.g., job-order costing, process costing, service-department cost allocations, and accounting for joint and by-products), its primary strength is the linkage of these topics, as well as more contemporary topics, to an organization's strategy. And with Connect, an easy-to-use homework and learning management solution that embeds learning science and award-winning adaptive tools to improve student outcomes, instructors receive a course solution that includes high quality content and assessment paired with assignments that help students build the skills they need to succeed.

Cost Management: A Strategic Emphasis Paul Juras, Edward Blocher, David Stout, Gary Cokins, 2015-08-26 *Cost Management: A Strategic Emphasis*, by Blocher/Stout/Juras/Cokins is dedicated to answering the question: Why Cost Management? Blocher et al. provide the cost-management tools and techniques needed to support an organization's competitiveness, improve its performance, and help the organization accomplish its strategy. The text is written to help students understand the broader role of cost accounting in helping an organization succeed - and not just the measurement of costs. While the text does include coverage of traditional costing topics (e.g., job-order costing, process costing, service-department cost allocations, and accounting for joint and by-products), its primary strength is the linkage of these topics, as well as more contemporary topics, to an organization's strategy. This message is reinforced by a dynamic author team, all four of whom have close ties to current cost management practice. New to the 7th edition is McGraw-Hill Connect, a digital teaching and learning platform for home work completion and review that helps improve student performance over a variety

of critical outcomes while aiding instructor grading and assessment efficiency. Housed within Connect, SmartBook is an adaptive study tool that helps identify specific topics and learning objectives individual students need to study. As students read, SmartBook assess comprehension and dynamically highlights where they need to focus more. The result is that students are more engaged with course content, can better prioritize their time, and come to class ready to participate.

Study Guide for Use with Cost Management Edward Blocher,Kung Chen,Thomas Lin,1998-10-15 This textbook offers strategic management topics in conjunction with traditional cost accounting material. Over the last decade, much research has been published that redefines the role of the cost accountant with the organisation. This research suggests that firms today are looking for accountants who understand the needs of management and can provide input in decision-making. The authors include discussions about strategy and decision-making, as well as research from prominent professionals such as Michael Porter and John Shank. The distinguishing features of this book are its strategic cost management framework and the emphasis on using cases.
