

# Cs Lewis Mere Christianity

**Steven Urban**

*Mere Christianity* C.S. Lewis, 2023-12-06 *Mere Christianity* by C.S. Lewis is a seminal work that explores the foundations of Christian faith and morality with intellectual rigor and clarity. Originally delivered as a series of radio talks during World War II, the book seeks to present a common ground of beliefs that unite Christians across various denominations. Divided into four parts, Lewis begins by making a case for the existence of a moral law, a universal standard that points towards a higher power. He then delves into the nature of God, the concept of Christian behavior, and the transformative power of faith. Lewis employs logical reasoning, insightful anecdotes, and a conversational style that makes complex theological ideas accessible to a broad audience. *Mere Christianity* has had a profound impact on Christian apologetics and philosophy, becoming a classic in the genre. Lewis's exploration of morality, virtue, and the essence of Christianity transcends its wartime origins, remaining relevant and influential in the ongoing discourse about the Christian faith. This enduring work continues to engage readers with its timeless insights into the nature of belief and the foundations of Christian thought.

*C. S. Lewis's Mere Christianity* George M. Marsden, 2020-02-25 The life and times of C. S. Lewis's modern spiritual classic *Mere Christianity*, C. S. Lewis's eloquent defense of the Christian faith, originated as a series of BBC radio talks broadcast during the dark days of World War Two. Here is the story of the extraordinary life and afterlife of this influential and inspiring book. George Marsden describes how Lewis gradually went from being an atheist to a committed Anglican—famously converting to Christianity in 1931 after conversing into the night with his friends J. R. R. Tolkien and Hugh Dyson—and how his plainspoken case for Christianity went on to become one of the most beloved spiritual books of all time.

*Mere Christianity* Study Guide Steven Urban, 2016-07-01

*Mere Christianity* LP C. S. Lewis, 2003-10-07 One of the most popular and beloved introductions to Christian faith ever written, *Mere Christianity* has sold millions of copies worldwide. The book brings together Lewis's legendary broadcast talks of the war years, talks in which he set out simply to explain and defend the belief that has been common to nearly all Christians at all times.

*C. S. Lewis* William Griffin, 2007-04-01 A truly livable and decidedly witty lay spirituality from the most amusing Christian intellectual of our time. From his autobiography, *Surprised by Joy*, and children's classics, *The Chronicles of Narnia*; from his

poems and novels; from his literary criticism and theological explorations C. S. Lewis has laid down, albeit unwittingly, a spirituality that the mere Christian--something of an invention of Lewis's--can live with from Monday through Saturday. On Sunday Lewis would expect the mere Christian to be in his or her own church. In this book, Bill Griffin, renowned Lewis scholar and biographer, captures the spirituality from Lewis's own writings and presents it in a manner reminiscent of Lewis's own.

*Discussing Mere Christianity Bible Study Guide* Devin Brown, 2015-06-30 In this eight-session video group study (DVD/digital video sold separately), you will discover why *Mere Christianity* by C.S. Lewis is one of the most read and beloved Christian books of all time. But seventy years later from when it was first delivered on radio, what relevance does it have to our world today? Host Eric Metaxas and a variety of Christian leaders—including Philip Yancey, Alister McGrath, Devin Brown, Paul McCusker, Douglas Gresham, and others—help us understand the timeless message of C. S. Lewis in fresh ways for a new generation. The first purpose of this video study is to explore the positive ideas that C.S. Lewis has so eloquently written about in *Mere Christianity* for those who already call themselves Christian. The second purpose is to explain in an engaging, winsome and non-threatening way the basic tenets of the Christian faith as illustrated by C.S. Lewis to those who do not claim to be Christian. This study aims to fulfill the vision of C.S. Lewis of reaching people from all faith backgrounds. Sessions include: Our Sense of Right and Wrong What's Behind Our Sense of Right and Wrong The Rival Conceptions of God Free Will and the Shocking Alternative Christian Behavior and the Great Sin of Pride The Christian Virtue of Hope God in Three Persons Counting the Cost Designed for use with the *Discussing Mere Christianity Video Study* 9780310699859 (sold separately).

*An Analysis of C.S. Lewis's Mere Christianity* Mark Scarlata, 2017-07-05 C.S. Lewis's *Mere Christianity* is a perfect example of one of the most effective aspects of critical thinking skills: the use of reasoning to build a strong, logical argument. ¶Lewis originally wrote the book as a series of radio talks given from 1942-1944, at the height of World War II. The talks were designed to lay out the most basic tenets of Christianity for listeners, and to use these to make a logical argument for Christian belief and Christian ethics. While Lewis was not an academically-trained theologian or philosopher (specializing instead in literature), his own experience of converting from atheism to Christianity, along with his wide reading and incisive questioning, power a charming but persuasive argument for his own beliefs. ¶Whether or not one agrees with Lewis's arguments or shares his faith, *Mere Christianity* exemplifies one of the most useful aspects of good reasoning: accessibility. When using reasoning to construct a convincing argument, it is crucial that your audience follow you, and Lewis was a master at constructing well-organised arguments that are immediately understandable to readers. The beautifully written *Mere Christianity* is a masterclass in cogently walking an audience through an elegant and well thought-through

piece of reasoning.

*An Answer to C. S. Lewis' Mere Christianity* Bob Johnson, 2013-06-27 C.S. Lewis' *Mere Christianity* has been read by millions of people over the last six decades. Not surprisingly, it is most popular with Christians who see it as demonstrating the reasonableness of Christianity. However, if we follow the advice of philosophy and objectively apply our innate God-given reason to the arguments Lewis puts forward for Christianity, we soon see they are painfully lacking. No matter how hard Lewis attempts to unite innate God-given reason and Christianity, he fails. *An Answer to C.S. Lewis' Mere Christianity* helps the reader to realize not only the absurdity of Lewis' arguments, but it points the reader to a much more profound appreciation of God and of God's gift to us of innate reason. This book is a great instrument to use to help you make the very important and real distinction between God and religion.

MERE CHRISTIANITY (Including The Case for Christianity, Christian Behaviour and Beyond Personality) C. S. Lewis, 2023-12-08 In *Mere Christianity*, C. S. Lewis provides a compelling exploration of the fundamental tenets of Christianity, distilling complex theological concepts into accessible prose. Drawing upon his earlier works, including *The Case for Christianity*, *Christian Behaviour*, and *Beyond Personality*, Lewis employs logical reasoning and engaging allegory to articulate a unified understanding of Christian doctrine. His literary style reflects a blend of philosophical inquiry and earnest devotion, situated within the mid-20th century's intellectual climate, characterized by both skepticism and existential questioning. Through his clear, conversational tone, he invites readers to examine their beliefs and the moral implications of a Christian life. C. S. Lewis, a prominent Oxford scholar and a former atheist, converted to Christianity later in life, which profoundly influenced his writings. His background in literature, philosophy, and theology provided him with the unique ability to bridge faith and reason, making complex ideas relatable and intuitive. It is through this personal journey that Lewis offers profound insights into the nature of God, humanity, and ethical living, illuminated by his passionate belief in the transformative power of faith. This book serves as an essential introduction for both believers and seekers alike. Lewis's rational approach to Christian principles not only engages the mind but also addresses the heart's yearning for purpose. Whether you are exploring Christianity for the first time or seeking to deepen your understanding, *Mere Christianity* provides a thoughtful and profound perspective that resonates across generations.

**C.S. Lewis, *Mere Christian*** Kathryn Ann Lindskoog, 1981

**Shepherd's Notes: C.S. Lewis's *Mere Christianity*** Terry L. Miethe, 2010-10-01 *Shepherd's Notes- Christian Classics Series* is designed to give readers a quick, step by step overview of some of the enduring treasures of the Christian faith. They are designed to be used along side the classic itself- either in individual study or in a study group. The faithful of all generations have found spiritual nourishment in the Scriptures and in the works of Christians of earlier generations. Martin Luther and John Calvin would not have become who they were apart from their reading Augustine. God used the writings of

Martin Luther to move John Wesley from a religion of dead works to an experience at Aldersgate in which his heart was strangely warmed. Shepherd's Notes will give pastors, laypersons, and students access to some of the treasures of Christian faith.

**Shepherd's Notes: C.S. Lewis's Mere Christianity** C. S. Lewis, Terry L. Miethe, 2017-09 A volume comparable in style to Cliff's Notes, here highlighting the key points from C. S. Lewis's Mere Christianity.

*Mere Theology* Will Vaus, 2004-03-30 Will Vaus masterfully brings together Lewis's thought from throughout his voluminous writings to provide us a full-orbed look into his beliefs on twenty-five Christian themes.

**Mere Christianity - UK Gift Edition** Clive Staples Lewis, 2001-11-01 This work brings together Lewis's legendary broadcast talks of the war years, talks in which he set out simply to explain and defend the belief that has been common to nearly all Christians at all times. Rejecting the boundaries that divide Christianity's many denominations, C.S. Lewis provides an opportunity for believers and non-believers alike to hear a powerful, rational case for the Christian faith.

**Summary of C. S. Lewis's Mere Christianity** Milkyway Media, 2021-05-17 Buy now to get the key takeaways from C. S. Lewis's Mere Christianity. Sample Key Takeaways: 1) People quarrel over many things, but quarrels always involve one party trying to prove the other wrong. They almost always appeal to a set of inherent rules that everyone implicitly knows about human behavior. These rules make up the Law of Human Nature. 2) Similar to the law of gravity, the Law of Human Nature sets a precedent for how all humans should act and behave with others. However, unlike gravity, humans do not need to obey this law. While they know the law's inherent principles, they can choose to ignore them.

**Discussing Mere Christianity Study Guide** Devin Brown, 2015 In this 8-session video group study, you will discover why Mere Christianity by C.S. Lewis is one of the most read and beloved Christian books of all time. Host Eric Metaxas and a variety of Christian leaders help us understand the timeless message of C.S. Lewis in fresh ways for a new generation.

**Mere Christianity** C S Lewis, 2001-01-01 Mere Christianity is the most popular of C. S. This book brings together Lewis's legendary radio broadcast talks in which he set out simply to explain and defend the belief that has been common to nearly all Christians at all times. Rejecting the boundaries that divide Christianity's many denominations, Mere Christianity is Lewis's term for the essential Christian message--the theological core on which diverse Christian traditions can stand together.

*Mere Christianity* Clive Staples Lewis, 1952 An estimated five million copies of Mere Christianity are in print worldwide. Now this treasured book in any Christian's library is available as a special hardback edition, published to mark the centenary of C. S. Lewis's birth.

**Mere Christianity** Joseph McRae Mellichamp, 2012-09-03 In early 2000, Mere Christianity was named by Christianity Today as the most influential Christian book of the Twentieth Century. But many people today are reluctant to read this

magnificent classic. Why is this? I think many people are intimidated by C. S. Lewis' academic credentials and impressive resume--they think they might not be up to his intellectual arguments. And this is simply not true. It is a challenging read to be sure, but most people can, with a bit of effort, understand the book and be encouraged by it. With Lewis' book and these discussion and study notes, you'll be able to follow these important concepts and enjoy discussing Lewis' ideas and answering my questions--perhaps with a group of friends.
