Dark Stranger the Dream Special Edition I. T. Lucas, 2022-05-23 Since the dawn of human civilization, two warring factions of the immortal descendants of gods have been secretly shaping its destiny. Leading the battle from his luxurious L.A. high-rise, Kian is surrounded by his clan, and yet he's alone. As the descendants of a single goddess, clan members are forbidden to each other, and since the only other immortals are their sworn enemies, Kian and his kin have long been resigned to a lonely existence and eventual extinction. That is until his sister, a neuroscience professor and a researcher of paranormal abilities, makes a game-changing discovery. Syssi's premonitions are tricky. They foretell catastrophes, but when she gets a job as a research assistant, they fail to predict the thrilling yet terrifying turn her life is about to take. Turns out that her new boss is the immortal daughter of a goddess, and her boss's imposing brother is the mysterious stranger who's been starring in her dreams.

Dark Stranger the Dream I. T. Lucas, 2018-09-29 Hands down the best book series I have ever read. I devour the books and coming from somebody who reads all the time this is an extreme compliment. I can't wait to read more please please keep writing! your writing style and everything is perfect I have never read such a well-written book where the story line develops with so many characters I love knowing what's going on with everybody I love that you switch characters back and forth it is so awesome. Also the steamy love scenes are to die for! This book sent me on the most amazing adventure that I hope never ends. You will not be disappointed!! Don't miss this series!! Wow and Wow! Roller Coaster! Grown folks stuff! Not teenage paranormal romance but complicated, complex adult relationships, intrigue, mystery, hot sex, fantasy, and romance! This is EVERYTHING you'll ever want in a paranormal fantasy series!! It will make you cry, make you laugh, make you cheer for the heroes and heroines! All of the characters are well developed with strengths and weakness, beauty and flaws. Exciting plots! Intriguing twists and turns! You'll enjoy the mythical, the fantasy, the history! This is a wonderful series! I'm having trouble trying to find something to keep me busy until the next book!! And it doesn't come out until June! What in the hell am I going to do with myself!! Fates help me. KIAN AND SYSSI'S STORY IS A 3-PART SERIES! Ok, these are probably the BEST books I have read in a long time. The writer is extraordinarily talented in bringing her cast of characters to life. If you like mysteries and love stories that are not typical --written by one of the best authors I have read in a really long time then please pick up the first book and read them. Love Love Love this book! This book had me hooked right from the

beginning! This is probably the best series I've read and that's saying a lot since some of my favorite Authors are JR Ward, Christine Feehan and Sherrilyn Kenyon! Best in the genre I. T. Lucas pens an exceptionally well developed story. Many writers in this genre are predictable and formulaic. The Children of the Gods series is never predictable. This series stands with the best of fantasy writers - the fact that it is romance fantasy is almost beside the point. That said, even the sex scenes are well done and NOT predictable! A must read. I love this series. I am a huge BDB fan. never miss a book EVER. Now I have added this series to that list. So well written and never drags on--always a page turner. And it is not typical stuff, it is very unique! An absolute must read! I literally read this entire series in 3 days and now I'm going through character withdrawal waiting for the next. I.T. Lucas is an amazing writer with a brilliant mind and has quickly been added to my favorite author list. Syssi's paranormal foresight lands her a job at Dr. Amanda Dokani's neuroscience lab, but it fails to predict the thrilling yet terrifying turn her life will take. Syssi has no clue that her boss is an immortal who'll drag her into a secret, millennia-old battle over humanity's future. Nor does she realize that the professor's imposing brother is the mysterious stranger who's been starring in her dreams. Since the dawn of human civilization, two warring factions of near-immortals - the descendants of the gods of old - have been secretly shaping its destiny. Leading the clandestine battle from his luxurious L.A. high-rise, Kian is surrounded by his clan, yet alone. Descending from a single goddess, clan members are forbidden to each other. And as the only other immortals are their hated enemies, Kian and his kin have been long resigned to a lonely existence of fleeting trysts with human partners. That is, until his sister makes a game-changing discovery - a mortal seeress who she believes is a dormant carrier of their genes.

The Dream and the Text Carol Schreier Rupprecht, 1993-07-01 This book partakes of a long tradition of dream interpretation, but, at the same time, is unique in its cross-cultural and interdisciplinary methods and in its mix of theoretical and analytical approaches. It includes a great chronological and geographical range, from ancient Sumeria to eighteenth-century China; medieval Hispanic dream poetry to Italian Renaissance dream theory; Shakespeare to Nerval; and from Dostoevsky, through Emily Brontë, to Henry James. Rupprecht also incorporates various critical orientations including archetypal, comparative, feminist, historicist, linguistic, postmodern, psychoanalytic, religious, reader response, and self-psychology.

The Navigator's Dream, Volume 2 Julia A. Turk, 2012-02 In volume one of Julia Turk's Navigator's Dream series, Riverlog, we met the Navigator-a psychiatrist seeking enlightenment in a dark world. Through a mysterious series of events, the Navigator fell into the world of tarot cards. Once there, our hero went head to head with seven strange birds, twelve bizarre characters, and a camel-all different aspects of the mystical deck of cards-who helped on the way to adventure and enlightenment. In volume two, the Navigator is back in the world of cards; only this time, it's time to meet royalty. The

Navigator comes to know the Court Cards of the mystic deck: the Queens, Kings, Pages, and Knights. The Navigator travels from one castle to the next, but in order to get through this strange world safely, several difficult riddles must be solved that could spell life or death in the pages of fate. The Court Cards are not easy to handle. They have separate, strong personalities that make them difficult to outsmart-and difficult to put up with. But the Navigator must make it through this new adventure to move on to the final voyage into the magical deck of tarot cards. Although a work of fiction, extensive knowledge of Hermetic Cabala and tarot is woven within, to teach readers and entertain in this court intrigue of danger and death.

Ever the realist, Kian is skeptical and refuses Amanda's plea to attempt Syssi's activation. But when his enemies learn of the Dormant's existence, he's forced to rush her to the safety of his keep. Inexorably drawn to Syssi, Kian wrestles with his conscience as he is tempted to explore her budding interest in the darker shades of sensuality.
