Lola in the Mirror Trent Dalton, 2024-09-17 “Unpredictable, fantastic. . . . It takes a charged narrative, like Dickens achieves, and as Dalton does too, to reach the heart and the brain. . . . To tell you more would spoil this complicated and surprising story. You should read it.”—Sydney Morning Herald Bighearted, gritty, magical and moving, an irresistible novel from the #1 internationally bestselling author of *Boy Swallows Universe* and *All Our Shimmering Skies*. A girl and her mother have been on the run for sixteen years, from the monster they left in their kitchen with a knife in his throat and the police who want to make them pay for his death. Home is now a van with four flat tires in a junkyard by the edge of the Brisbane River. The girl has no name, because names are dangerous when you're on the run. But she has a dream. A vision of a life as an artist. A life outside the grip of the Brisbane underworld. A life of love with the boy who's waiting for her on the bridge above the deadly river. And once her mother can no longer protect her, there's only one person who can help make her dreams come true. That person is Lola. But she has to find her first. Internationally bestselling author Trent Dalton delivers a big, moving, darkly funny, violent, heartbreaking and beautiful novel of love and fate, life and death, and all the things we see when we look in the mirror: all our past, all our present, and all our possible futures. *Lola in the Mirror* is illustrated with black-and-white line art throughout.

The Last Temptation of Dr. Dalton Robin Gianna, 2014-04-01 Taming the notorious ladies' man. When cool, collected hospital director Charlotte Edwards throws caution to the wind for one hot, reckless night with Dr. Trent Dalton she has no idea it's going to backfire on her so spectacularly—because the next morning she has to bury her pride and ask for his help! Trent shouldn't mix business with pleasure...again! But Charlotte is a delicious temptation he just can't resist. Yet when Trent finds out she's been keeping him around under false pretenses he might just have to teach this little minx a lesson...in passion!

Highbrow, Lowbrow, Brilliant, Despicable The Editors of New York Magazine,2017-11-07 New York, the city. New York, the magazine. A celebration. The great story of New York City in the past half-century has been its near collapse and miraculous rebirth. A battered town left for dead, one that almost a million people abandoned and where those who remained had to live behind triple deadbolt locks, was reinvigorated by the twinned energies of starving artists and financial white knights. Over the next generation, the city was utterly transformed. It again became the capital of wealth and innovation, an engine of cultural vibrancy, a magnet for immigrants, and a city of endless possibility. It was the place to be—if you could afford it. Since its founding in 1968, New York Magazine has told the story of that city’s constant morphing, week after week. Covering culture high and low, the drama and scandal of politics and finance, through jubilant moments and immense tragedies, the magazine has hit readers where they live, with a sensibility as fast and funny and urbane as New York itself. From its early days publishing writers like Tom Wolfe, Jimmy Breslin, and Gloria Steinem to its modern incarnation as a laboratory of inventive magazine-making, New York has had an extraordinary knack for catching the Zeitgeist and getting it on the page. It was among the originators of the New Journalism, publishing legendary stories whose authors infiltrated a Black Panther party in Leonard Bernstein’s apartment, introduced us to the mother-daughter hermits living in the dilapidated estate known as Grey Gardens, launched Ms. Magazine, branded a group of up-and-coming teen stars “the Brat Pack,” and effectively ended the career of Roger Ailes. Again and again, it introduced new words into the conversation—from “foodie” to “normcore”—and spotted fresh talent before just about anyone. Along the way, those writers and their colleagues revealed what was most interesting at the forward edge of American culture—from the old Brooklyn of Saturday Night Fever to the new Brooklyn of artisanal food trucks, from the Wall Street crashes to the hedge-fund spoils, from The Godfather to Girls—in ways that were knowing, witty, sometimes weird, occasionally vulgar, and often unforgettable. On “The Approval Matrix,” the magazine’s beloved back-page feature, New York itself would fall at the crossroads of highbrow and lowbrow, and more brilliant than despicable. (Most of the time.) Marking the magazine’s fiftieth birthday, Highbrow, Lowbrow, Brilliant, Despicable: 50 Years of New York draws from all that coverage to present an enormous, sweeping, idiosyncratic picture of a half-century at the center of the world. Through stories and images of power and money, movies and food, crises and family life, it constitutes an unparalleled history of that city’s transformation, and of a New York City institution as well. It is packed with behind-the-scenes stories from New York’s writers, editors, designers, and journalistic subjects—and frequently overflows its own pages onto spectacular foldouts. It’s a big book for a big town.
