

# Historical Fiction About Israel

## S. Baring-Gould

*Promised Land* Martin Fletcher, 2018-09-04 Martin Fletcher, who headed up NBC TV's Tel Aviv News Bureau, knows his territory and it shows on every page. *Promised Land* is a great sweeping epic, reminiscent of Leon Uris' *Exodus*; a moving story of triumph and tragedy, new love and historic hate, expertly told by a cast of unforgettable characters. Fletcher's writing is superb and rises to the level of importance that this story demands and deserves. Historical novels don't get much better than *Promised Land*. —Nelson DeMille, #1 New York Times bestselling author of *The Cuban Affair* *Promised Land* is the sweeping saga of two brothers and the woman they love, a devastating love triangle set against the tumultuous founding of Israel. The story begins when fourteen-year-old Peter is sent west to America to escape the growing horror of Nazi Germany. But his younger brother Arie and their entire family are sent east to the death camps. Only Arie survives. The brothers reunite in the nascent Jewish state, where Arie becomes a businessman and one of the richest men in Israel while Peter becomes a top Mossad agent heading some of Israel's most vital espionage operations. One brother builds Israel, the other protects it. But they also fall in love with the same woman, Tamara, a lonely Jewish refugee from Cairo. And over the next two decades, as their new homeland faces extraordinary obstacles that could destroy it, the brothers' intrigues and jealousies threaten to tear their new lives apart. *Promised Land* is at once the gripping tale of a struggling family and an epic about a struggling nation.

**The Source** James A. Michener, 2002-07-09 In his signature style of grand storytelling, James A. Michener transports us back thousands of years to the Holy Land. Through the discoveries of modern archaeologists excavating the site of Tell Makor, Michener vividly re-creates life in an ancient city and traces the profound history of the Jewish people—from the persecution of the early Hebrews, the rise of Christianity, and the Crusades to the founding of Israel and the modern conflict in the Middle East. An epic tale of love, strength, and faith, *The Source* is a richly written saga that encompasses the history of Western civilization and the great religious and cultural ideas that have shaped our world. Praise for *The Source* “Fascinating . . . stunning . . . [a] wonderful rampage through history . . . Biblical history, as seen through the eyes of a professor who is puzzled, appalled, delighted, enriched and impoverished by the spectacle of a land where all men are archeologists.”—*The New York Times* “A sweeping [novel] filled with excitement—pagan ritual, the clash of armies, ancient and modern: the evolving drama of man's faith.”—*The Philadelphia Inquirer* “Magnificent . . . a superlative piece of writing

both in scope and technique . . . one of the great books of this generation.”—San Francisco Call Bulletin

In Exitu Israel S. Baring-Gould,2008-07 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**The Jerusalem Diamond** Noah Gordon,2012-06-05 A man travels to Israel to uncover a diamond's remarkable past in this vivid historical saga from the New York Times-bestselling author of *The Physician*. A diamond cutter and seller from a long, respected line of precious-gem dealers, New Yorker Harry Hopeman is intrigued by the story of the so-called Jerusalem Diamond, a magnificent yellow jewel rumored to date back to the biblical time of King Solomon. So when he's asked to broker a deal that will return the legendary gemstone to Israel, he eagerly accepts. Arriving in the volatile Middle East, Hopeman soon discovers that his assignment will be anything but easy. Representatives of the Holy Land's three major religions—Judaism, Christianity, and Islam—are all laying claim to the priceless jewel that once adorned the miter of Pope Gregory, and they will do anything to possess it. Partnering with Israeli government agent Tamar Strauss—a beautiful and courageous Yemenite war widow who inspires the visiting American's passion as well as his respect—Hopeman is soon entangled in a web of mystery and intrigue that crosses continents and stretches back thousands of years. As the duo follows the twisting travels of the gem and the bloody conflicts it has ignited throughout its extraordinary past—a history that intertwines with Hopeman's own family saga—the story of a breathtaking land and its people unfolds in all its drama and glory. International-bestselling author Noah Gordon—whose acclaimed historical novel *The Physician* was the inspiration for the major motion picture of the same name starring Ben Kingsley—has packed a suspense tale with religious, historical and archeological underpinnings, along with fascinating insights into an industry whose conduct is generally shrouded from outside scrutiny ( *The Philadelphia Inquirer*).

The Glory Herman Wouk,2009-02-28 In *The Hope*, world-famed historical novelist Herman Wouk told the riveting saga of the first twenty years of Israel's existence, culminating in its resounding triumph in the Six-Day War, which amazed the world as few events of this turbulent century have. With *The Glory*, Wouk rejoins the story of Israel's epic journey in one of his most compelling works yet. From the euphoric aftermath of that stunning victory in 1967, through the harrowing battles of the Yom Kippur War, the heroic Entebbe rescue, the historic Camp David Accords, and finally the celebration of forty years of independence and the opening of the road to peace, Wouk immerses us in the bloody battles, the devastating defeats, the elusive victories.

**In Exitu Israel** ,2019-10-19

*The Hope* Herman Wouk,2002-06-03 Taking readers from 1948 to 1967 in Sinai, Jerusalem, and Washington, D.C., a stunning depiction of the conflicts that shaped the struggling nation of Israel follows the adventures of a sinister Mossad

man, a religious ace fighter pilot, the daughter of a CIA man, and more. Reprint. 12,000 first printing.

**In Exitu Israel, a Historical Novel**, S. Baring-Gould, 2020-09-28

Jaffa Beach Fedora Horowitz, 2013-09-13 Fedora Horowitz, born in Romania, is a professional musician who continued her musical career in Israel and in United States. Living amongst Arabs and Jews in Israel inspired her to write Jaffa Beach. This is a love story set in the volatile context of the founding of the State of Israel, and the concomitant rise of Palestinian longing for a homeland. In this novel of epic proportions, spanning many decades and three generations, the author finds the common humanity of both Arabs and Jews. The reader will find himself steeped in the stringent rigidity of Hassidic fanaticism while in the Arab world he will be introduced to a life style, adherent to the strictures of Islamic theocracy. Jaffa Beach is a story of clashing cultures, deeply held secrets, and one young woman's (Shifra) journey from her happiness with Musa to the abyss of despair when all she holds dear in both worlds start to slip away. She must make a life altering decision. Through the eyes of a Jewish girl, the reader is taken into a world seldom seen by both sides of the Jewish/Arab conflict --Amazon.com.

**The Homeless Imagination in the Fiction of Israel Joshua Singer** Anita Norich, 1991 ... the most incisive study to date of the lesser-known but equally talented Singer: Israel Joshua... --Choice ... exceedingly well researched and written... --Shofar This critical examination of the fiction of I.J. Singer is deft in its placement of the novels and short stories in historical context, but with new perspectives on that historical context. --AJL Newsletter Although Israel Joshua Singer has existed, for English readers, in the shadow of his famous brother, Isaac Bashevis Singer, this book reasserts his rightful place at the center of Yiddish culture in Eastern Europe and America. A comprehensive bibliography of Singer's fiction, essays, and journalism is included.

Jerusalem's Heart Bodie Thoene, Brock Thoene, 2002-02-26 It is May 23, 1948, and Jewish and Muslim forces have been in brutal conflict since the new State of Israel was proclaimed nine days ago. The Zion Gate is closed and the Haganah patriots, struggling to hold on to the Old City, are running out of supplies. Inside the city, the defenders' valiant spirit threatens to fail. The leading Haganah strategist, Moshe Sachar, is trapped in enemy territory and desperately races to reach his pregnant wife, Rachel, and the others who continue to fight for the Old City. Rachel's grandfather sees a prophecy of hope for Jerusalem, but can Moshe reach them before it's too late? Jerusalem's Heart is a riveting novel of the battle to liberate the world's holiest city. Once again, Bodie and Brock Thoene combine an unsurpassed and timely blend of history, superb storytelling, and incredible drama that thrills from cover to cover.

Exodus Leon Uris, 2024-05-02 This #1 New York Times international bestseller tells the epic history of Israel's birth through the eyes of two generations of Jews as they fight to reclaim their homeland. Leon Uris tactfully meshes together the story of two 19th century Jewish brothers who seek refuge in Palestine with the 20th century story of how Israel gained its independence after World War II. Rich in historical accuracy and compelling characters, this literary classic sheds light on

the long history of the Jewish diaspora, their struggles for liberation, and the costs of war. One of Uris's best works, *Exodus* is just as relevant today as it was when it was first published in 1958. The 1960 film adaptation starring Paul Newman was nominated for three Academy Awards. "Exodus is an international publishing phenomenon--the towering novel of the twentieth century's most dramatic geopolitical event. Leon Uris magnificently portrays the birth of a new nation in the midst of enemies--the beginning of an earthshaking struggle for power. Here is the tale that swept the world with its fury: the story of an American nurse, an Israeli freedom fighter caught up in a glorious, heartbreaking, triumphant era. Here is *Exodus* --one of the great best-selling novels of all time."—From the Publisher Passionate summary of the inhuman treatment of the Jewish people in Europe, of the exodus in the nineteenth and twentieth centuries to Palestine, and of the triumphant founding of the new Israel.—The New York Times

**The Pillar of Fire** Joseph Holt Ingraham, 1865

**Dictionary of the Old Testament: Historical Books** Bill T. Arnold, H. G. M. Williamson, 2011-09-26 Editors Bill T. Arnold and Hugh G. M. Williamson present more than 160 in-depth articles on the essential historical, literary, theological, interpretive and background topics for studying the historical books of the Old Testament (Joshua, Judges, 1-2 Samuel, 1-2 Kings, 1-2 Chronicles, Ezra, Nehemiah).

*Can a 'history of Israel' be Written?* Lester L. Grabbe, 1997-01-01 This Symposium asks whether a 'history of Israel' can be written, and if it can, how? Can the Hebrew Bible be used as a source for such history? The question of writing the 'history of ancient Israel' has become fiercely debated in recent years. It is a debate that seems to generate more heat than light because of quite different concepts of historical methodology. The European Seminar on Methodology in Israel's History was founded specifically to address this problem. Members of the Seminar hold a variety of views but all agree that there is a problem to be tackled. The first meeting of the Seminar, held in Dublin in 1996, was devoted to some broad questions: (1) Can a 'history of ancient Israel' (or Palestine, Syria, the Levant, etc.) be written? (2) If so, how? What place does the Hebrew Bible have as a source in writing this history? This first volume contains the main papers that were prepared to set the stage for the discussion, along with an introduction to the Seminar, its aims and its membership. The editor also provides a concluding chapter summarizing and reflecting on the debate.>

*Cry for Jerusalem - Book 1 63-66 CE* Ward Sanford, 2019-06-14 This is the first in a series of four historical fiction novels based on the writings of the eyewitness Josephus. In Act I of the book one begins to wonder if it was fate, destiny, or some divine plan that brought four very different travelers together in a struggle to survive what should have been a routine trip to Rome. These new friends and their families somehow found themselves playing critical roles at a focal point in the history of western civilization. For as winds helped to spread the great fire in Rome, they also carried embers east toward Judea, where they threatened to ignite a conflict that would forever change the world for Jews and Christians. In between the historical

events of that time, there's the story of the people involved. You get to meet them in Cry for Jerusalem.

**Born Under Fire** Rina Neiman,2018-04-08 Born Under Fire is a historical novel that tells the story of a girl coming of age and her drive to excel despite the devastating effects of long-term war. Born in Jerusalem under British rule in 1928, Shula grows up in a world in turmoil as Hitler rises to power and nations enter into war. Amid a landscape of ancient stone ruins next to modern Bauhaus architecture, and desert scrub ending at newly verdant farmlands, Shula grows into her independence as the State of Israel is born. Based on historical documents and events, Born Under Fire is also about the context surrounding the founding of the State of Israel, as well as the horrors and dangers of growing up in a conflict zone. Shula battles grief and depression due to the shattering events affecting her, her family, and the entire world. Despite this struggle her resilient spirit enables her to reach great heights as a concert pianist.

*Israel Potter* Herman Melville,2019-06-07 Herman Melville's Israel Potter is the Fictionalised tale of a man who really did fight in the American Revolution -- a man who lived a life of very real adventure. After fighting in the revolution, he went on to be a part of the newly-established United States Navy, ended up serving as a secret courier for Benjamin Franklin Bits of this are fiction, and may be even more spectacular.

Israel, My Beloved Kay Arthur,2001-03-15 Bestselling author Kay Arthur tells the dramatic story of the nation of Israel, painting a living panorama that will forever change the way we view God's people. This new paperback edition features a new cover and a historical timeline.

*In Exitu Israel* Sabine Baring-Gould,1870

## Whispering the Strategies of Language: An Emotional Journey through **Historical Fiction About Israel**
