Meant To Be Margaret J. McLaren, From ivory towers to fields of flowers, Meant To Be is the remarkable true story of a professional scientist who overcomes the difficulties in her life with the help of faith, and the benevolent Creator God. This is the twelve-year spiritual awakening of a disheartened scientist who renounces the world of left-brain logic to find truth that is stranger than fiction: coincidences, angelic guidance, and spiritual capabilities known as the clairs. McLaren walked away from an unfulfilling life with a burning, unanswered question—is there proof of God? God responded resoundingly in the affirmative. McLaren takes readers into a world of magic and mystery, and the inevitable conclusion she found there: that with faith, a child's mind, and a sense of fun, a joyous and meaningful life is available for the asking. With equal measures of humour, awe, and gratitude, the author provides an earnest account of the search for a better life. Readers will come away with the tools and knowledge necessary to begin their own dialogue into what is possible when you follow a divine mission.

The Golden Essence Is You Marilyn Zschau Baars, 2011-11-10 We will give you the information which you can put into this book for others to read, information which will carry an energetic print, a blueprint of our energies, so that not only the reading of the book will be beneficial but holding the book will be beneficial because of the energies contained within the book from us that will emanate through the words on the pages. We will make sure that when the pages are printed that our energies are flowing into the paper, into the ink, into the words themselves, so that they will be able to be felt by all who hold the book in their hands and who read the material, information from us, information from the entire Angelic Realm, information from The Goddess, and information from The Creator of All There Is. -The Archangels As the husband and partner of Marilyn Zschau Baars, I had the privilege of being the only witness to the birth of this material from The Archangels. The energy we received during the sessions was enormous, and now, fortunately, the energies of The Archangels are available for all human beings on our beautiful planet Earth through this magnificent book. Marilyn and I are now fulfilling our agreement with The Archangels, which is to bring the Archangelic healing energies to as many individuals as possible, in accessible form for all beings incarnate on this planet at this time. My wish for you is that you enjoy the experiences of Archangelic Wisdom contained within this book. -Frans Baars, CHT, Co-Founder, Partner in Archangel Healing THE GOLDEN ESSENCE IS YOU invites you into the hearts and minds of The Archangels as they lead you through meditations and visualizations aimed at raising your level of vibration toward the Fifth Dimension and beyond, all the while giving you major new perspectives on What Is and NOW TIME, among many other fascinating subjects. It is an exciting new look into the necessity of vibrating faster during the current turbulent state of the Earth, and in the coming years leading up to The Ascension. All of the information contained within THE GOLDEN ESSENCE IS YOU helps in guiding the reader toward a higher vibrational level of existence, with the purpose of reaching the Higher Dimensions of advanced spiritual realms.

Journey to The Truth Nancy Humpel, 2013 Journey to the Truth. An Introduction to the Reality of Ourselves and the World. When thinking about the meaning and purpose of our lives, most people eventually come to these questions: 'Who am I really?' 'What is the purpose for being here?' and 'Where will I go after I die?' Increasing numbers are contemplating this, and so beginning the process of 'waking up' to our original nature; true reality, versus the illusions we have been led to believe until now. This is an introduction and overview to very important metaphysical and world topics. It is help for beginners on where and how to start, or move forward, on their own journey! We will explore together the possibility of being an eternal being, of reincarnation, learn about the human energy centres. We will investigate whether extraterrestrial beings are real. What can we do to achieve the inner and outer life we desire? What are the important issues on the planet, and how can we watch out for our physical health. Throughout the book, the author use examples her experiences and growth from her own journey to date. There is a great need for the type of book she has written. It differs from others on the market in that it is short, with easy to follow chapters, and readers can identify which topics stand out as important to them personally, where they are drawn to find out more. Included is a bibliography and additional resources readers can use for further exploration.

Transcending the Matrix of the Imposter Gods Lark Aleta Batey, 2023-02-23 The Heart's abilities and power are the new frontier of spiritual exploration in humanities' search for self-understanding. This book offers leading-edge information about the Models of Existence which provides a significant contribution to the body of work about the Power of the Heart. Beginning with an origin myth rooted in ancient history drawn from the works of Sitchin and others and expanded upon with recently revealed revelations from the WingMakers Materials, we learn a little-known story of imposter gods that initially created humanity as slave labor. Through a synthesis of myth, history, psychology, science, religion, and social issues, a picture emerges illustrating how the world of separation and oppression has been maintained to deceive humanity. Heart-centered archetypes are introduced to equip humanity with the tools necessary to transcend the programming of the imposter gods and contribute to an appreciation of why this is so important. A Source-Centered model of existence is offered to assist in our transformation.

Modern Ascension Carol Anne Halstead, 2019-12-18 Thirteen people—of different ages, from different parts of the world, with different backgrounds, pursuing different careers, on different life paths—all experienced an inner knowing that led to the Alpha Imaging website, which finally elucidated what they were each being called upon to do—to Ascend. Through the guidance of the Ascended Masters, Angels, Cosmic Beings, gurus, shamans, and the keepers of the Ascended Masters portal in New Zealand, their Ascension journeys have rapidly evolved in a modern world, allowing each of them to systematically clear their karma; leave the cycle of rebirth in a single lifetime; and connect with their Higher Selves in service to all of humanity and the entire planet. Here are their stories, recorded in their own authentic words. Have you ever questioned whether there was more to mundane life than meets the eye? Whether there was a proven path to enlightenment, unity, heightened consciousness, higher purpose, Higher Self? These thirteen high initiates demystify this path by presenting the modern, methodical, perceptible Ascension system that successfully worked for them, and that is openly accessible to anyone seeking it. Through the sharing of their unique and personal life stories, an attainable, clear-cut spiritual path is revealed that no longer requires the asceticism and isolation of ancient days of old, aided both by Beings of higher realms as well as a community of fellow human initiates who seek to support and love you along your ascent. Open your heart and mind to a new spiritual paradigm that encompasses the most important purpose of your existence. The opportunity to free yourself from rebirth and embody your Higher Self exists right now, and all life in our cosmos will experience the positive ripple effect of your Modern Ascension journey.

Mastering Alchemy Karen Quiles, 2021-04-04 ♥♥♥♥♥ *Mastering Alchemy: A Journey of Cultivating Power from Within* ♥♥♥♥♥ □Alchemy is the art of transmutation. We are all alchemists, but due to our constant state of deprivation, most people are operating in survival mode and we cannot create lasting peace from a constant state of distress. What we end up creating is a cycle of repeating patterns that create feelings of hopelessness and scarcity. What we really hope to achieve is the ability to create lasting joy in our lives, and that's what this journal is going to help you accomplish. We want to use our alchemical powers to transform our negative beliefs and situations into an abundant mindset of joy, health, love, peace, wealth, and prosperity. □There are great lessons in each adversity we encounter. We are encouraged to overcome these obstacles by discovering our hidden nature through self-realization. We do this through a series of exercises that help us reframe our thoughts and behaviors so that we can cultivate feelings of happiness from within. We magnify our power by creating heart-centered intentions and activating our energetic field by establishing a healthy coherence of mind and body. Constant congruency of these behaviors helps us build resiliency in our cognitive abilities and open up possibilities for greater manifestation by elevating our frequency. □Usually, we tend to respond to negative and difficult life events with low-frequency emotions such as anger. It is both natural and normal to feel distressed when these situations happen. The degree of stress will depend partly on the severity of the situation and the meaning and feelings we attach to given events. The way you think and act about aspects of your life experiences can move you from a healthy state to distress and further prolonged states of dis-ease, depression, anxiety, rage, or guilt and can become very troublesome and painful to overcome when not addressed. Because we feel the way we think, the way we act is often determined by how you feel and can have either a positive or negative influence on your emotions if we repeat the same habitual patterns of behavior. □The interaction between thoughts, feelings, and behaviors is at the core of our belief system. Therefore, a close examination at how we think, feel, and act can help overcome behavioral and emotional difficulties. Understanding that the way you view things is vital to your mood, and your perspective affects both how you feel and what you do or respond to events. Change the one (thoughts) and you also change the other (emotions). Once you begin to think differently, or adopt a different point of view, you will also

begin to feel differently. With this journal, I hope you get to explore and discover the magic behind alchemy in order to feel inspired to harness its power to manifest abundance in all areas of your life. □□□□

What Do You Mean the 3rd Dimension Is Going Away? Jim Self,Roxane Burnett,2013-01-13 There is a change underway, a Shift that is not only altering our consciousness, it is affecting every aspect of life on the planet; our political, social and economic structures, the environment, the weather, every institution, all the wars, how we view our relationships, our work, every thought we think, and every feeling we feel. In simple terms, the old habits of thinking, feeling, and behaving that we know as the third dimension are going away. We are all shifting into a fourth, and then into a fifth dimensional consciousness and experience. As exciting as this transition is, it is also creating difficulties for many who are suddenly experiencing feelings, situations, and emotions for which they have no frame of reference. But with some basic information about what the Shift is and some simple energy tools to help manage our thoughts and feelings, we all have the ability to evolve our consciousness, release our mental and emotional baggage, and move gracefully and joyfully into these higher vibrational realms. This book explains what the Shift is all about, why it's happening now, and how it's affecting all of us. It also explains what the third, fourth, and fifth dimensions are, and why they are the most important considerations of your life right now. Most importantly, it provides you with some simple yet profound energy tools that have helped thousands of people move fluidly through the unprecedented changes of this Shift without fear, without effort, without the tension and anxiety that has been, for the most part, the daily habit of our lives. The third dimension is going away. But we are at the beginning of a new way of life, not the end. Each of us must awaken now. Each must make the shift within. It's time to release 'who you are not' and discover who you really are.
