Self-Initiation Into the Golden Dawn Tradition Chic Cicero, Sandra Tabatha Cicero, 2002-09-08 The Hermetic Order of the Golden Dawn has been considered one of the most important Western magical systems for over a century. Although much of their knowledge has been published, to really enter the system required initiation within a Golden Dawn temple--until now. Regardless of your magical knowledge or background, you can learn and live the Golden Dawn tradition with the first practical guide to Golden Dawn initiation. *Self-Initiation into the Golden Dawn Tradition* by Chic and Sandra Tabatha Cicero offers self-paced instruction by two senior adepts of this magical order. For the first time, the esoteric rituals of the Golden Dawn are clearly laid out in step-by-step guidance that's clear and easy-to-follow. Studying the Knowledge Lectures, practicing daily rituals, doing meditations, and taking self-graded exams will enhance your learning. Initiation rituals have been correctly reinterpreted so you can perform them yourself. Upon completion of this workbook, you can truly say that you are practicing the Golden Dawn tradition with an in-depth knowledge of qabalah, astrology, Tarot, geomancy, spiritual alchemy, and more, all of which you will learn from *Self-Initiation into the Golden Dawn Tradition*. No need for group membership Instructions are free of jargon and complex language Lessons don't require familiarity with magical traditions Grade rituals from Neophyte to Portal Link with your Higher Self If you have ever wondered what it would be like to learn the Golden Dawn system, *Self-Initiation into the Golden Dawn Tradition* explains it all. The lessons follow a structured plan, adding more and more information with each section of the book. Did you really learn the material? Find out by using the written tests and checking them with the included answers. The Weiser Concise Guide to Yoga for Magick Nancy Wasserman, 2025-09-12 Yoga today connotes many images and ideas -- from holy men on a high mountaintop to throngs of young women toting designer mats. Yoga, meaning 'union,' is actually a many-layered discipline designed to help an individual attain health, serenity, focus, and ultimately, union with the Divine. Aleister Crowley was one of the first Europeans to practice yoga and believed the practice was essential to spiritual growth, stating that 'Magick is a Pyramid built layer by layer. The work of the Body of Light -- with the technique of Yoga -- is the foundation of the whole.' This succinct and uniquely helpful book explores the frequently overlooked importance of bringing a healthy body and a clear-thinking mind to the practice of ceremonial magick or Wicca. While many books on

magick discuss the importance of ritual, almost none point to the physical, spiritual, and moral quality necessary to make those rituals effective. Spiritual power demands physical health and the contemporary western practitioner can learn much from the ancient tradition of yoga.

Living Thelema David Shoemaker, 2022-12-01 “The most thorough and understandable exposition of the underlying theories and the practical applications of the spiritual disciplines of Thelema currently available. A landmark work.” —Lon Milo DuQuette, author of *The Magick of Aleister Crowley* The system of spiritual attainment developed by Aleister Crowley is notoriously challenging in its scope. *Living Thelema*, adapted from the popular podcast of the same name, brings a welcome approachability to Crowley’s material, without diminishing the depth of the system. The author focuses on the practical and experiential aspects of the path of Thelema, allowing the reader to grasp the true transformative power of the system. Beginners and advanced practitioners alike will find much useful advice here, as Shoemaker brings his characteristic down-to-earth style to bear on topics such as ritual and meditation practices, sex magick, astral projection, psychotherapy for magicians, the Knowledge and Conversation of the Holy Guardian Angel, and that pinnacle of attainment known as the crossing of the Abyss. The author’s background as a practicing psychotherapist allows an entirely unique fusion of esoteric wisdom and cognitive science. “In this entertaining and (dare I say it?) lively book, David Shoemaker reminds us that Thelema is not just a philosophy or a study but a spiritual practice. From applied ‘how to’ advice to thought-provoking ‘how about’ posers, Dr. Shoemaker offers his personal take—informed by twenty years of walking the talk, along with his incisiveness as a professional therapist—on how to get the most out of the fundamental Thelemic practices of yoga and ritual, both inside and outside of the temple.” —Richard Kaczynski, author of *Perdurabo: The Life of Aleister Crowley*

Thelema Colin D. Campbell, 2018-02-08 *The Life and Legacy of One of History's Most Fascinating Magicians* Thelema is one of the most powerful and influential systems of magick the world has ever known. But to truly understand the philosophy and practice of Thelema, you need to understand its charismatic founder, Aleister Crowley. Thelema reveals this enigmatic figure in all of his provocative and brilliant glory, providing a biography of Crowley and showing how his work evolved to become a paradigm-shifting system of magick. This book also explores the texts and writings that form the basis of Thelema, and it provides step-by-step instructions for practicing the basic rites and rituals of this often-misunderstood tradition. Thelema provides a multifaceted method for spiritual attainment that focuses on manifesting your true will. Discover how Crowley developed his remarkable techniques, and learn how to begin or deepen your own magical practice with elements of Qabalah, Gnosticism, Eastern philosophy, Egyptian spirituality, tarot, and more. Along the way, you'll learn about Crowley's involvement in the Golden Dawn and the O.T.O., his clandestine activities during both world wars, and the nature and influence of his personal relationships. Includes photos Foreword by Lon Milo DuQuette Praise: Colin Campbell's earlier works have shown him to be one of the most thorough and thoughtful Thelemic authors of our era. In *Thelema*, Campbell

brings this same acumen and clarity of expression to the life and work of Aleister Crowley. The book covers a wide range of territory—historical, theoretical, and practical—and will be a useful resource for beginners and more advanced students alike.—David Shoemaker, author of *Living Thelema*

In the Center of the Fire James Wasserman, 2012-05-24 In this daring expose by a survivor of a unique era in the New York occult scene, James Wasserman, a longtime proponent of the teachings of Aleister Crowley, brings us into a world of candlelit temples, burning incense, and sonorous invocations. The author also shares an intimate look at the New York Underground of the 1970s and introduces us to the company of such avant-garde luminaries as Alejandro Jodorowsky, Harry Smith and Angus MacLise. A stone's throw away from the Velvet Underground and Andy Warhol's Factory, William Burroughs's bunker, and the legendary Chelsea Hotel was a scene far more esoteric than perhaps even they could have imagined. When James Wasserman joined the O.T.O. in 1976, there were fewer than a dozen members. Today the Order numbers over 4,000 members in 50 countries and has been responsible for a series of groundbreaking publications of Crowley's works. The author founded New York City's TAHUTI Lodge in 1979. He chronicles its early history and provides a window into the heyday of the Manhattan esoteric community. This is also a saga with a very human tableau filled with tender romance, passionate friendships, an abiding spiritual hunger, danger, passion, and ecstasy. It also explores several hidden magical byways including the rituals of Voodoo, Tibetan Buddhism, and Sufism. Reconstructed from personal memories, magical diaries, multiple interviews, court transcripts, witness depositions, trial evidence, and extensive correspondence, this book elucidates a hitherto misreported and ill-understood nexus of modern magical history.
