**Granville Stanley Hall,Alexander Francis Chamberlain**

**Ankh** Weiser Books,2007-10-30 The gift of life's eternal wisdom! The cross and loop or circle symbol known as the Ankh has come to be one of the most widely recognized symbols in the world--honored and/or used in rituals by many religions in many cultures around the globe and through time. It gained huge popularity in the 60s when it became an anti-establishment, anti-war symbol, as Lon Milo Duquette points out in his introduction. The Ankh: Key of Life includes a silver-colored Ankh on a black silken cord and an informative illustrated book about the Ankh's history and meaning plus a plethora of ideas for wearing and using your Ankh in a meaningful way. If any symbol on earth could hold such power it is certainly the Ankh. It is the consensus among many modern esotericists that the Ankh was designed to be recognized by the ancient eye as a simple sandal strap. This is my favorite theory for it suggests to me the secret that life is a journey each of us must make one step at a time. It's simply a matter of going--a process of voluntary movement--a willed commitment to move on, move up, and become something greater than we now are. \*Features a silver-colored Ankh pendant on a silken cord

**Finishing the Mysteries of Gods and Symbols** Seven Star Hand,2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts, canons, and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools. Consequently, here is proof, beyond disproof, that all three so-called "Faiths of Abraham" are purposeful deceptions. Accordingly, related esoterica, mystery schools, and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders. Throughout this book, I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders. As comprehensive validation of this, they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts. The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia. When these decoded details are compared to the history, words, and deeds of these religions and their leaders, they finally prove the truth about many long-hidden things. These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives; that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth. Arrogant religious leaders, while hypocritically lecturing others about morality, have long overlooked that the ancient sages and prophets were painfully aware of their then-current and future misdeeds and deceptions, and patiently and expertly prepared for them !!!

During this process, we'll shed light on the cultural, psychological, and anthropological nature of our signs and symbols. We'll also be surprised to discover that many of the everyday things we take for granted can hold hidden secrets, and by having the key to this knowledge we'll gain an insight into the minds and concerns of our forbears who constructed these symbols-- Provided by publisher.
