The Best of Friends, Two Sisters, One Journey Connie Kiosse, 2003 The older one got away, the younger one didn't. This is a story of two Greek-American sisters and their journey toward and intimate life and death. Christine was a fifteen-year-old bride in an arranged marriage; there was nothing her older sister Connie could have done to stop the hard times ahead. Once Christine was diagnosed with the HIV virus, the sisters banded together to try and make sense of the nonsensical. How could a working class, non-smoking, non-drinking mother of three contract AIDS? How could an older sister help her younger sister be the first to die?--Back cover

Two Sisters and a Piano and Other Plays Nilo Cruz, 2010-02-16 Nilo Cruz is the most produced Cuban-American playwright in the U.S. and was the first dramatist of Hispanic descent to receive the Pulitzer-Prize. In his plays, Cruz almost always journeys back to Cuba, even when the play is not set there. Cruz is a sensualist, a conjurer of mysterious voyages and luxuriant landscapes. He is a poetic chronicler, a documentarian of the presence of Latin people in American life. He conveys the strength and persistence of the Cuban spirit through a wholly dramatic imagination. This volume also includes A Bicycle Country and the one-act play, Capricho.
