Worshipful James C. Howell, 2017-02-08 What does it look and feel like to be worshipful? Can we find a way to worship in such a robust, thoughtful way that when we aren't in worship, the worship might linger and invigorate us? Is it possible to live in the world--doing the dishes, listening to music, being stuck in traffic, enmeshed in a thicket of meetings at work--with a serene, abiding sense of God's presence despite all the racket, that we might do whatever we do for God, and sense God's presence? And maybe more importantly: could all we do between Sundays--grocery shopping, paying bills, listening to music, taking a walk, visiting aging parents--actually enrich and inform what we do on Sunday morning, making worship itself more vigorous, profound, just plain real, and memorable, and thus heightening the likelihood that the worship will linger through the rest of the week? This book is about living a worshipful life: understanding why we do what we do in Sunday morning worship, and then re-enacting those moods and actions all week long.

What Think Ye? Bob Burroughs, 2012-08-23 *What Think Ye? Essays for 21st-Century Leaders, Pastors, and Church Musicians* has short, to-the-point chapters dealing with important leadership issues for the twenty-first century. The book contains advice, food for thought, and ministry leadership shortcuts that will be of value to church and school musicians, pastors, church staff, and lay people who are involved in leadership. The book is an easy read, but will take some digestion time to ponder the subject matter. It is also an excellent book for colleges, universities, seminaries, and others that teach classes in Church Music Ministry.

Christian Worship Worldwide Charles E. Farhadian,2008 As Christianity has boomed in the non-Western world, several significant questions have emerged regarding how worship and culture relate. Charles Farhadian here presents a timely investigation of the interaction between culture and worship. Leading scholars -- experts in history, mission, culture, and liturgy -- offer diverse essays addressing worship in the context of worldwide Christianity. At the heart of Christian Worship Worldwide are several case studies from Africa, Asia, Latin America, and the Pacific that explore the contours of particular nations, cultures, and liturgical actions. These essays show how Christian plurality is most vividly exemplified in the context of worship, where language, song, culture, and indigenous theology come together. Contributors: M. L.
