Anne of Green Gables Premium Collection Vol 2 (4 Novels) Anne's House of Dreams L. M. Montgomery, 2016-01-15 Anne of Green Gables Premium Collection Vol 2 (4 Novels) Anne's House of Dreams, The book begins with Anne and Gilbert's wedding, which takes place in the Green Gables orchard. After the wedding, they move to their first home together, which Anne calls their house of dreams. Gilbert finds them a small house on the seashore at Four Winds Point, an area near the village of Glen St. Mary, where he is to take over his uncle's medical practice. Anne of Ingleside, Seven years after Anne's House of Dreams, Anne visits Diana Wright and her daughter, Anne Cordelia, in Avonlea following the funeral of Gilbert's father. When she returns home to the old Morgan house, now named Ingleside, she is greeted by her five children: James Matthew ('Jem'), the eldest, now aged seven; Walter Cuthbert, who is about six and often thought to be a bit of a 'sissy' because of his love for poetry; twins Anne ('Nan') and Diana ('Di'), who are five and look nothing alike, Nan with brown hair and hazel eyes, and Di with red hair and green eyes; and finally Shirley, two years old and Susan Baker's favorite, as she took care of him as an infant while Anne was very sick following his birth. Rainbow Valley, Anne Shirley has now been married to Gilbert Blythe for 15 years, and the couple have six children: Jem, Walter, Nan, Di, Shirley, and Rilla. After a trip to London, Anne returns to the news that a new minister has arrived in Glen St. Mary. John

Meredith is a widower with four young children: Gerald (Jerry), Faith, Una, and Thomas Carlyle (Carl). The children have not been properly brought up since the death of their mother, with only their father (who is easily absorbed by matters of theology) to parent them. The children are considered wild and mischievous by many of the families in the village (who tend only to hear about the Meredith children when they have gotten into some kind of scrape), causing them to question Mr. Meredith's parenting skills and his suitability as a minister. Rilla of Ingleside, Set almost a decade after Rainbow Valley, Europe is on the brink of the First World War, and Anne's youngest daughter Rilla is an irrepressible almost-15-year-old, excited about her first adult party and blissfully unaware of the chaos that the Western world is about to enter. Her parents worry because Rilla seems not to have any ambition, is not interested in attending college, and is more concerned with having fun. (In an aside, it is revealed that Marilla has died; her date of death is not specified but Rilla states it was before she was old enough to know her very well.)
