11th Hour Preparedness Tyler Woods, 2010 Is America on the brink of disaster? Could we wake up one day to find our world suddenly and dramatically changed? We live in a push-button world and we like it. What happens when it stops working? When the phone and power no longer come to your house, the water no longer flows and the heat/AC won't come out of those floor vents? How will you live? How will you contact distant loved ones? No matter where you are in preparedness, your plan should be designed to improve your situation. 11th Hour Preparedness, will help you to assess your current situation, to examine options and criteria for action, and to develop a plan with incremental steps toward self-reliance. Self sufficiency enables you to be a messenger of hope for a world in chaos.
