**Adoniram Judson Gordon**

*The Ministry of Healing—Illustrated* Ellen G. White, 2013-02-05 Heritage Edition: Over 200 hand drawn illustrations from a century ago. Unabridged, original text. This book helps us to see the natural laws of our bodies as the divine laws of a loving Creator. Practical counsel guides us in our day-to-day care of our physical being in ways that will greatly maintain physical health and in general provide us a longer, more productive, and enjoyable life span. The Ministry of Healing was first published in its present form in 1905. Its roots, however, began as far back as the 1860s with materials Ellen White wrote for publications such as Health Reformer, Good Health, Appeal to Mothers, How to Live, and Christian Temperance and Bible Hygiene. This version is a full text rendition. Over 200 hand drawn illustrations from that era have been restored and add much to its attractiveness and study value. Christ spent more time healing and ministering to the physical needs of suffering humanity than he did to preaching. He related to people in the areas of their felt need and after gaining their attention and indebtedness he ministered to their spiritual needs, encouraging them to “go and sin no more.” He was indeed the pattern Medical Missionary. Through His example in ministry He calls not only health professionals but every admirer of His to “come and follow Me.” This book helps us to see the natural laws of our bodies as the divine laws of a loving Creator. Practical counsel guides us in our day-to-day care of our physical being in ways that will greatly maintain physical health and in general provide us a longer, more productive, and enjoyable life span. There is also much information on how to best minister to those who are suffering physically, mentally, and spiritually. There is good, practical advice on how to provide effective home health care which, in many instances, will diminish, the need for professional health care and fewer medications.

*The Ministry of Healing* JASPER. FOXX, Ellen White, 2025-02-26 This is a FAITHFUL and MODERN translation of the book *Ministry of Healing* by Ellen G. White into contemporary English language. -Features the health message proclaimed by Ellen White to the Seventh-day Adventist church. -This book is a faithful translation perfect for studying and understanding one of Ellen White's most misunderstood and powerful works! One day, while sitting in a cold dining room at a church in Eastern Washington, I was part of a study group focused on *The Ministry of Healing*. We took turns reading through the main points of the book, discussing how we could adapt its teachings into our lives. The only problem was that the language of the book felt too archaic for many of us to fully grasp. Despite having read it at least three times myself, I wondered if others might benefit from a version that was easier to understand. So, I decided to take matters into my own hands. I translated the book into more modern, natural-sounding language. *The Ministry of Healing* was written in 1905, and since then, language has evolved significantly. It can be challenging and time-consuming to engage with a book whose language feels foreign. As a result, the author's message can become lost or misunderstood. Since *The Ministry of Healing* was written before 1928, it now belongs to the public domain. I realized that by translating this book, I could make it more accessible to Adventists and others around the world. And so, that's what I've done. Modern science has advanced considerably since Ellen G. White's time. As part of this edition, I've included notes within the chapters to highlight how recent discoveries align with or sometimes challenge the ideas presented in the original text. I believe this will serve as a valuable study guide for those who wish to explore one of Ellen G. White's most influential and impactful works. I hope you find it meaningful and insightful.

*MINISTRY OF HEALING* ELLEN G. WHITE, 2018

*The Ministry of Healing* A. J. Gordon, 2020-02-18 Classic Christian author A. J. Gordon expresses curiosity about whether the healing miracles from the Middle Ages up to his day can be verified as a continuation of Christ's Spirit in the church. Through deep study and inquiry of the established history, Gordon concludes that the power to heal followers remains with the church—there was no special era of miracle working. God and His powers remain the same in the modern era as they have right through human history. For Gordon, God's intervention in the suffering and sickness of His followers is frequent; the will of the Lord however is variable—but He will not prolong the pain of someone whose illness is too great. Throughout this text, A. J. Gordon makes his argument from a biblical perspective, citing passages in both the Old and New Testament that support the continuation of spiritual gifts. Quoting testimonies of believers across the ages, he offers a convincing argument that the church ministry is, to this day, one of healing.
