**Basic Christianity** John Stott, Rick Warren, 2006-11-30 In 2006, Christianity Today voted this title to be one of the top 50 books that have shaped evangelicals! Who is Jesus? If Jesus was not God in human flesh, Christianity is exploded, writes John Stott. We are left with just another religion with some beautiful ideas and noble ethics; its unique distinction has gone. If Jesus is not who he said he was, and if he did not do what he said he had come to do, the whole superstructure of Christianity crumbles in ruins to the ground. Is it plausible that Jesus was truly divine? And what might this mean for us? John Stott's clear, classic statement examines the historical facts on which Christianity stands. Here is a sound, sensible guide for all who seek an intellectually satisfying explanation of the Christian faith.

***Basic Christianity, Fiftieth Anniversary Edition*** John Stott, 2012-12-31 We must commit ourselves, heart and mind, soul and will, personally and unreservedly, to Jesus Christ. We must humble ourselves before him. We must trust him as our Savior and submit to him as our Lord; and then go on to take our place as loyal members of the church and responsible citizens in the community. This is basic Christianity, the theme of this book. With these words, world-renowned preacher John Stott embarks on a compelling study that first defends the basic claims of Christianity and then defines the proper outworkings of those main beliefs in the daily lives of believers. --from publisher description

***Jesus Christ*** John Stott, 2020-06-02 The center of history, the focus of Scripture, and the heart of Christian mission is one unique person: Jesus Christ. Through studying different aspects of Christ, readers will discover him as the proper object of worship, witness, and hope. In this newly updated Bible study guide you can explore Scripture under John Stott's guidance.

*But I Say to You* John Stott, 2021-04-15 Jesus, meek and mild? Think again: Jesus was a controversialist. And he still is today. Are you prepared to be challenged? Jesus has a way of cutting right across our logic and opinions, just as he did while on earth. He took issue with his contemporaries on basic questions like: - Who is God? - How do we obey Scripture? - How are we saved? - How should we live morally? - How should we worship authentically? In exploring these questions, John Stott shows that evangelical Christianity is authentic Christianity, as Jesus taught, and has the power to utterly transform us.

*Christ the Cornerstone (Best of Christianity Today)* John Stott, 2019-11-27 What does it mean to say Jesus is Lord? The late Anglican pastor John Stott--named as one of the 100 most influential people in 2005 by Time magazine--was committed to the notion that Jesus' lordship has ramifications for all of life. Out of this conviction grew his contention that the whole mission of God includes both evangelism and social action. *Christ the Cornerstone* recovers several decades of his writings exploring the consequences of Jesus' lordship from the pages of Christianity Today, including the regular Cornerstone column he wrote from 1977-1981. In them, he treats such diverse topics as Scripture, discipleship, the worldwide mission of the church, and social concerns such as the value of human life, care for animals, racial diversity, and economic inequality.

Gain insight for today from the writings of a guiding light of evangelicalism.
