The Criminalization of Mental Illness Risdon N. Slate, W. Wesley Johnson, 2008 For a myriad of reasons the criminal justice system has become the de facto mental health system, with the three largest inpatient psychiatric institutions in America being jails--not hospitals. This book explores how and why this is the case. Sensationalized cases often drive criminal justice policies that can sometimes be impulsively enacted and misguided. While there is a chapter that examines the insanity defense and competency, the primary focus of the book is on the bulk of cases that clog the criminal justice system with persons with mental illnesses (pwmi). Criminal justice practitioners are often ill-equipped for dealing with pwmi in crises, and this may even result in the emergence of mental disabilities for criminal justice professionals. However, via application of therapeutic jurisprudence principles some agencies are better preparing their employees for such encounters and attempting to stop the inhumane and costly recycling of pwmi through the criminal justice system. Coverage runs the gamut from specialized law enforcement responses, to mental health courts, to jails and prisons, to discharge planning, diversion, re-entry, and outpatient commitment. Also, criminal justice practitioners in their own words provide insight into and examples of the interface between the mental health and criminal justice systems. Throughout the book the balance between maintaining public safety and preserving civil liberties is considered as the state's police power and parens patriae roles are examined. Lastly, collaborative approaches for influencing and informing policies that are often driven by crises are discussed. The Instructor's Resource Manual with Test Bank is available electronically on a CD or via email. Please contact Beth Hall at bhall@cap-press.com to request a copy. Notorious criminal cases tend to drive public opinion and policy when it comes to how our criminal justice system deals with persons with mental illnesses. Drs. Slate and Johnson's book is a far brighter star to steer by. By most accounts, including the US Department of Justice, our criminal justice system is in crisis. In *The Criminalization of Mental Illness* the authors explain how our justice system has failed persons with mental illnesses, the public and its own self-interests. But rather than place blame, the authors focus on illuminating the history and anatomy of the problem and offering real solutions. Because they are based on careful scholarship, their proposals are authoritative and make sense. But it is their informed empathy for all the players involved in the tragedy--not just persons with mental illnesses--that makes this book a must read for anyone involved in the criminal justice system or simply interested in knowing the truth of how it is broken and can be fixed. --Xavier F. Amador, Ph.D., Adjunct Professor, Columbia University, Author of the National Best Seller *I am Not Sick, I Don't Need Help!* and *I'm Right, You're Wrong, Now What?* The book confronts myths and social/political policy failures directly; and with great honor recognizes those advocates whose work has moved social justice and mental health policy forward. [Their] dedication and passion to the subject of promoting human rights and recovery is evident in every word. It is a masterful, relevant and inspiring work. --Ginger Lerner-Wren, the nation's first mental health court judge and member of the President's Commission on Mental Health [This book] provides extraordinary insights into the manner by which people with mental illness are processed through the criminal justice system....I

thoroughly enjoyed this work and would recommend it to anyone who has an interest in issues involving mental illness and the criminal justice system. I have seen a few books in this area, but have never found one quite as comprehensive and well-researched. It is, without exception, one of the best academic books that I have read in many years. --Penn State, Altoona, Professor Robert M. Worley in his book review for The Southwest Journal of Criminal Justice, Fall 2008

Whose Book is it Anyway? Janis Jeffries,Sarah Kember,2019-03-12 *Whose Book is it Anyway?* is a provocative collection of essays that opens out the copyright debate to questions of open access, ethics, and creativity. It includes views – such as artist’s perspectives, writer’s perspectives, feminist, and international perspectives – that are too often marginalized or elided altogether. The diverse range of contributors take various approaches, from the scholarly and the essayistic to the graphic, to explore the future of publishing based on their experiences as publishers, artists, writers and academics. Considering issues such as intellectual property, copyright and comics, digital publishing and remixing, and what it means (not) to say one is an author, these vibrant essays urge us to view central aspects of writing and publishing in a new light. *Whose Book is it Anyway?* is a timely and varied collection of essays. It asks us to reconceive our understanding of publishing, copyright and open access, and it is essential reading for anyone invested in the future of publishing.

Suggested Reading Dave Connis,2019-09-17 A teenager rebels against her school’s book bans in this thoughtful, funny novel: “Engrossing . . . a timely read that will ultimately prove timeless.” —Kirkus Reviews (starred review) Clara Evans is horrified when she discovers her principal’s “prohibited media” hit list. The iconic books on the list have been pulled from the library and aren’t allowed anywhere on the school’s premises. Students caught with the contraband will be punished. Many of these books have changed Clara’s life, so she’s not going to sit back and watch while her draconian principal abuses his power. She’s going to strike back. So Clara starts an underground library in her locker, doing a shady trade in titles like *Speak* and *The Chocolate War*. But when one of the books she loves most is connected to a tragedy she never saw coming, Clara’s forced to face her role in it—and figure out whether she can make peace with her conflicting feelings or if fighting for this noble cause is too tough for her to bear . . . “Suggested Reading is a beautiful reminder that there is nothing simple about loving a book.” —David Arnold, New York Times–bestselling author of *Mosquitoland* “A diverse cast of characters, bold prose, and humor that breaks up even the darkest moments.” —Booklist

How to Write Anything: A Guide and Reference with Readings John J. Ruszkiewicz, Jay T. Dolmage, 2012-02-01 How to Write Anything supports students wherever they are in their writing process. Designed to be clear and simple, the Guide lays out focused advice for writing common academic and real-world genres, while the Reference covers the range of writing skills that students need as they work across genres and disciplines. Genre-based readings — including narratives, reports, arguments, evaluations, proposals and rhetorical, causal, and literary analyses — are sure to engage students and inspire ideas. The result is everything you need to teach composition in a flexible, highly visual guide, reference and reader. This new edition gives students more support for academic writing, more help choosing and working with genres, and more emphasis on multimodal composing. Read the preface. Mova i kul'tura ,2009

L'édition jeunesse aujourd'hui Sandrine Vermot-Desroches, 2022-02-01 Comment naît le personnage dans la littérature de jeunesse ? Quand le roman adolescent fait-il son entrée dans le paysage éditorial ? Quels visages revêt le personnage de roman ado ? Pourquoi et comment tient-il une place primordiale ? Quelles relations l'adolescent lecteur entretient-il avec lui ? Autant de questions auxquelles répond cet essai. Dans une perspective éditoriale et littéraire, enrichi d'études de corpus, d'entretiens avec les acteurs de la chaîne du livre et d'un questionnaire soumis aux lecteurs eux-mêmes, ce livre nous plonge au cœur des univers romanesques des adolescents.
