Oh, the Places You'll Go! Dr. Seuss, 2013-09-24 #1 NEW YORK TIMES BESTSELLER • Dr. Seuss's wonderfully wise Oh, the Places You'll Go! celebrates all of our special milestones—from graduations to birthdays and beyond! "[A] book that has proved to be popular for graduates of all ages since it was first published."—The New York Times From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite for anyone starting a new phase in their life!

**Dr. Seuss** Philip Nel, 2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss's career - his poetry, politics, art, marketing, and place in the popular imagination. Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse, like that of Lewis Carroll and Edward Lear, has changed language itself, giving us new words like nerd. And Seuss's famously loopy artistic style - what Nel terms an energetic cartoon surrealism - has been equally important, inspiring artists like filmmaker Tim Burton and illustrator Lane Smith. --from back cover

**Single Parent's Guide to Love, Dating, and Relationships** Shae Cooke, 2011-02-01 With a heart to see people encountering the love and power of Jesus, single parent and former foster child Shae Cooke shares her heart, humor, and God's love message to a worldwide audience. **The Divine Embrace** Ken Gire, 2004-01-29 Using examples from his own life, the author urges Christians to pay close attention to God's gifts and callings, and not to take them for granted. Each sighting of God's work, Gire says, can make Christians fall more in love with Him.

**Twenty-Two** Allison Trowbridge, 2017-04-04 Over the course of twenty-two letters, author Allison Trowbridge addresses a wide range of practical issues and ties them to larger concerns such as identity, loss, social impact as a lifestyle, wisdom in the ordinary moments, and the profound way God's work is realized in how we live every day. Subtly weaving in today's pressing social concerns—from poverty in our neighborhoods to human trafficking across the globe—Twenty-Two will inspire

a greater sense of mission and a passion to live more fully as young women embark on their own remarkable journeys. Allison Trowbridge harnesses the power of story in a series of letters to an imagined young woman wrestling with the questions that arise as she stands on the precipice of adulthood. Never in history has a young woman had so many options before her, yet never has she had less direction or guidance on what to do with them. A woman at the precipice of adulthood often finds herself with more questions than answers, with more disenchantment than direction. How is she supposed to “lean in” to a successful career while also building deeply meaningful relationships? How can she care for the community around her while simultaneously developing a global mindset and changing the world? How can she be all that she is destined to be without feeling paralyzed by the pressure of so many prospects? Allison Trowbridge knows this dilemma well. She remembers stepping into her twenties and wishing for a mentor to guide her through this dizzying season of life. In *Twenty-Two*, she becomes the mentor she was looking for. Drawing from her own experience and from the wisdom of others, she offers advice and counsel in a series of personal letters to “Ashley,” a fictional college student looking for mentorship from someone one step ahead in life.

**Take a Shot at Happiness** Maria Baltazzi, PhD, MFA, 2023-10-10 On a steamy jungle island in the middle of the South China Sea, a new television show is about to come to its shocking conclusion. A small television stage lit by tiki torches illuminates a show host, a jury of seven contestants sitting on tree stumps, and the final two runners-up for a million dollars. It was season one of CBS's competition show, *Survivor*, a show that will become one of the longest-running unscripted series—and one of the most beloved. Maria Baltazzi was one of the original supervising producers. *Survivor* strips its contestants of everything but their wits while they battle it out to see who will be the winner of a life-changing prize. In watching this, Maria realized that the contestants learned things about themselves that they might never have known before. During the production of this show, Maria realized that she could not be her true self until she stripped back the negativity that was clouding her life and made more self-affirming actions that would lead her to what she truly wanted. This book is Maria's insights about being happy learned from her time in the entertainment industry, observing people and events, traveling, and studying wellbeing. Within these pages is a practical guide for a creative path to happiness through taking photographs with your camera phone, journaling about things that matter, and being part of a supportive community. You can create a healthier state of being and have fun doing it. Even when your world turns upside down, you can still be the writer, director, and producer of the life you want.

*Transform Tomorrow* Stig Nybo, 2013-01-17 A campaign to prepare Americans for their futures *Transform Tomorrow* investigates why so many Americans are at risk of out-living their savings. Author Stig Nybo draws inspiration from successful behavior change campaigns to identify the drivers of change—context and beliefs—and how they can be successfully employed to boost retirement savings rates. While the retirement savings industry increasingly embraces the contextual drivers of behavior, very little is being done to shape our beliefs to start saving smarter and sooner. Nybo suggests a retirement readiness campaign to inspire and enlist the support of individuals, employers, industry, government, and the media. Explains how society can transition from treating 401(k) as a voluntary benefit to the basis upon which each individual who wants to or needs to can retire comfortably. Details a national, coordinated retirement readiness campaign, along the lines of successful Public Service Advertisements—like *The Crying Indian* and *Rosie the Riveter*—that will help change behavior and re-shape the culture of our nation Makes a call to action for such a campaign Retirement in America is endangered, but *Transform Tomorrow* shows a path back from the brink.
