Maurice Cade

I Wish I Could Hear My Name Vineet K. Silaniya,2019-12-04 Addiction, Thanatophobia, Culpability, Obscurity and Cicatrices. In five years, Sharvil Vasudevan hasn't been able to find a way away from these five apprehensions of his life. It is difficult to tell which is more complicated, his blood toxicity or his mental wellness. Shobhna, his psychiatrist, finds he had a break up and thinks it is the reason why he is putting himself in slow death. But there is much more disguise in himself. His introversion hampers the flow of initial session. The whole scene changes when he hands over his journals to Shobhna. It flips her perception about his case, about him and raises a series of questions.

Product of My Creation: The Evolution of Man, Volume 2 Maurice Cade,2022-05-23 This book is a lyrical journey through a pivotal part of my youth. It tells the story of my transformation from a product of my environment into the product of my own creation. It all starts with recognizing that my intense desire for love came from not receiving it at home from my parents and then trying to find that love from someone else in the world. Through TV and media the narrative of finding someone to love overtook my life. But through many experiences I learned that loving myself was my job to do. Yes, my environment raised me and instilled a lot into me both good and bad, but it is also my job as a responsible adult to address and change all the parts of me that no longer serve me. I tried on a lot of different hats and personalities to find the kind of person that I wanted to be. When it was all said and done, the product of my creation is a new man that I can be proud of.

The Alpha's Rejected Mate Melissa W. Hart,2024-03-28 Oh fuck no, this can't happen, why me? he says with a mixture of anger and frustration in his face. What's your full name? he asks me while looking if they were any people passing by. Amelia knight I mutter lowly. Well, Amelia, I really don't want the Luna of the biggest pack of America be a fucking little nerd who can't even defend herself. So I Harry Anderson, reject you Amelia Knight as my mate. My heart feels like it was being cut in half and it wouldn't go away. I felt the tears in my eyes but I wasn't going to give him that satisfaction, so collected myself and growled. I guess he expected me to break in tears Oh he's so wrong! Well I guess were on the same page because I didn't want my mate to be a fucking asshole with his head so far up his ass that he can't see. I said walking away and finally letting the tears fall. _____ In a world where werewolf exist. 16 year old Amelia Knight was just hoping to shift into her wolf, find her mate, hope he will accept her, forget about the bullying and live happily ever after. But that clearly wasn't the case. Because on her 16th birthday when she is destined to find her mate. It wasn't other than the

alpha of the biggest and successful pack of America, The Nightmoon Pack. After he rejects, Amelia decides to get a little payback that turned better than she ever expected. What happens when the alpha comes crawling back in... Guess you'll just have to read to find out. You screw me, I screw you back. I'm a lady like that

Moira Deepak Agrawal,2021-08-02 That a woman's mind is akin to a labyrinth of impossibility, best left on its own, is but a common cliché of the day. Mihika Singh, our kind protagonist, the prodigal but overly sensitive child, grows up to be a woman ruthless in pursuing her ambitions, yet rooted to her moral soil while breathing life to her dreams. However, with a career par excellence, she grapples to hold on to the reins of her love life. We live her story with her as she holds a mirror to her own heart to reflect on her approach to propinquity, commitment and pain, trying to make sense of it all. She isn't perfect, she makes mistakes and owns them too, taking lessons out of each one of them. As the seasons of her love life change, she explores different facets of intimacy in love, and each time rediscovers herself in it. In this long, tumultuous journey of moving only but ahead, does she stop for someone finally for what it's worth? Or does destiny prove too strong a force to conquer? Let us hear it from her...

My Dream Meverley A. Benjamin,2018-11-26 My Dream is a gripping novel that follows the struggles of one woman through adversity to be able to achieve her dream. This novel confronts real, dark issues and experiences; following a childhood of abandonment and hard work, this is a tale of perseverance and drive that takes her from the wards of a London hospital to the heart of the Middle East. Esther finds herself prepared to make the ultimate sacrifice to be free of her pain. This is a story of love and faith; of despair and betrayal. It is a powerful example of a woman who nearly lost her dream, but who found it in the end. • A powerful exploration of love and faith • An interesting look at the process of working and volunteering in the Middle East. • Introduces issues about faith and belief in an immersive yet accessible manner. • An inspiring tale of how one woman can overcome adversity, that will move and inspire others.

The Amazing Sidekick krushandkill,2023-08-26 Jack Snyder suffered a huge car accident. Time went by, and he heard a girl's voice calling Nozomu Shinchaku. Jack slowly opened his eyes and an unknown girl was crying in front of him, but everything about her was wrong. Long blue hair, yellow eyes, cat ears instead of normal Human ears. Jack glanced at her hand and saw sharp and long fingernails caressing his face. A fluffy blue tail was trembling behind her, signalling her worries. Jack saw a pool of blood on the ground near a rock, and he had a big bandage on his head. Strangely, his soul travelled to a young boy's body, that judging by the pool of blood, died because of that rock. Now, he has to learn how to live in a strange Magical World as the Human teenager Nozomu Shinchaku that strangely can't use Magic, and Magic has no effect on him. Definition of sidekick: - A sidekick is someone who goes with the main lead on their adventures. If he is a superhero, the sidekick helps fight crime. Sometimes this word signifies an imbalance of power, and it implies that the sidekick is less powerful than the main lead. - Sidekick is one of the most effective forms of attack in a street fight. Hard

kicks especially to the knee can take a larger opponent down or at least blow out his balance, leaving him vulnerable to follow-up shots.
