Love Letters to the Dead: Chapters 1-5 Ava Dellaira, 2013-12-17 Download the first five chapters of LOVE LETTERS TO THE DEAD by Ava Dellaira. It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more-though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. This luminous debut novel has garnered exuberant pre-publication praise from Laurie Halse Anderson, Jay Asher, Gayle Forman, and Lauren Myracle.

Love Letters to a Sacred Prostitute Gary, 2012-11 A spiritual and knowledgeable woman once told me that I was a Sacred Prostitute. She explained that a Sacred Prostitute is someone who soothes, nurtures and heals another and then sends them on their way to find their true destiny, a better, more emotionally complete person for the experience. I was initially confused, but eventually relieved and elated by this possibility. I sometimes felt guilty because it wasn't possible for me to ignore a woman who was strong or beautiful or talented or sweet. I had many deep but relatively short lived

relationships. I was in love with many of these women. I respected and admired every single one of them. I found them simply amazing. I was never looking for notches on a bedpost, only searching for my one true Love. Many left me and moved on, found another. I was left alone, again and again, wondering...But maybe there was a reason for such an active lovelife. Maybe I really am a Sacred Prostitute! After all, very few of the women seemed to hate me when we parted. And most were married shortly after their time spent with me. I can't tell you why I was chosen as a Sacred Prostitute. I can't tell you how to become one yourself. But, in this book, I share the journeys, the thoughts and passions of 89 women that loved one, in their own words.

Pirandello's Love Letters to Marta Abba Luigi Pirandello, 2017-03-14 In February 1925, the 58-year-old world-famous playwright Luigi Pirandello met Marta Abba, an unknown, beautiful actress less than half his age, and fell in love with her. She was to become, until his death in December 1936, not only his confidante but also his inspiring muse and artistic

collaborator, helping him in his plans to reform Italian theater under the Fascist regime. Pirandello's love for the young actress was neither a literary infatuation nor a form of fatherly affection, but rather an unfulfilled, desperate passion that secretly consumed him during the last decade of his life. Bitterly disillusioned by the conditions of the theatrical world in Italy, Pirandello and Abba shared a dream of going abroad to earn their fortune and returning to Italy with the means to establish a national theater dedicated to high artistic standards. In March 1929, when Marta finally yielded to family pressure and left Pirandello alone in Berlin to revive her Italian stage career and to end rumors over their involvement, he endured a devastating heartbreak and fell into a life-threatening depression--more profound and long-lasting than any of his biographers have yet imagined. The hundreds of letters Pirandello wrote to Abba during these years are the only source that reveals the true story of his relentless torment. Selected, translated, and introduced here for the first time in any language, these powerful and moving documents reward the reader with the unique experience of living in intimacy with a profound poet of human pain. Here Pirandello encourages his beloved in her difficult career as actor/manager, rejoices in her triumphs, and desperately implores her to return to him. The letters are filled with glimpses of this major artistic personality at some of his most distinctive moments--such as the award of the Nobel Prize, his meetings with Mussolini, and Marta's long-dreamed-of success on Broadway--but they remain foremost an authentic confession of a Pirandello, without the mask of his art, telling the story of his real-life tragedy. In 1986, two years before she died, Marta Abba authorized the publication of the present correspondence so that the world might understand how deeply Pirandello had suffered. This English-language volume contains a selection of 164 letters from the complete edition of 552, which Princeton University Press will publish in cooperation with Mondadori, in the original Italian, in 1995. Originally published in 1994. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
