Parted Lips. Lesbian Love Quotes Trough the Ages Simone Rich,2002

Lesbianism in Swedish Literature J. Björklund,2014-06-05 Here, Björklund shows that Swedish literary discourses on lesbianism provocatively contrast with a widely accepted view that attitudes toward homosexuality have gradually become more tolerant. The lasting power of negative discourses upends the assumption that Sweden's progressive laws reflect progressive attitudes toward homosexuality.

Parted Lips Simone Rich,2002 In this collection of love quotes from the seventh century B.C. to the present, lesbians looking for just the right words will find exactly what they want and more. More than 250 timeless passages from poetry, drama, film, books and other sources cover desire, love, fidelity, infidelity, heartbreak, temptation, passion and seduction.

Sexuality and the Body in Russian Culture Jane T. Costlow,Stephanie Sandler,Judith Vowles,1993 Twelve groundbreaking essays show the varied and complex ways in which ideas about sexuality, gender, and the body have shaped and been influenced by Russian literature, history, art, and philosophy from the medieval period to the present day.

Asexuality and Sexual Normativity Mark Carrigan,Kristina Gupta,Todd Morrison,2024-11-01 The last decade has seen the emergence of an increasingly high profile and politically active asexual community, united around a common identity as 'people who do not experience sexual attraction'. This unique volume collects a diverse range of interdisciplinary empirical and theoretical work which addresses this emergence, raising important and timely questions about asexuality and its broader implications for sexual culture. One of the most pressing and contentious issues within academic and public debates about asexuality is what relationship, if any, it has to sexual dysfunction. As well as collecting cutting edge scholarship in the emerging field of asexuality studies, rendering it indispensable to any sexualities course across the range of disciplines, this anthology also addresses this urgent debate, offering a variety of perspectives on how and why some have pathologised asexuality. This includes a range of chapters addressing the broader issues of sexual normativity within which these

contemporary debates about asexuality are taking place. This book was originally published as a special issue of *Psychology and Sexuality*.

Penelope's Web Susan Stanford Friedman, 1990 *Penelope's Web*, published in 1991, was the first book to examine fully the brilliantly innovative prose writing of Hilda Doolittle. H. D.'s reputation as a major modernist poet has grown dramatically; but she also deserves to be known for her innovative novels and essays.

Cultural Citizenship and Popular Culture Joke Hermes, 2023-09-27 Written in an accessible and engaging style, this book uses a series of case studies to show how popular media are important to us, as a source of pleasure and entertainment, but also in communicating about the world with others. Social media platforms have changed how we talk about what we like and dislike in our popular media use. 'Cultural citizenship' shows how these discussions speak to 'belonging', to what we feel our rights and responsibilities are in today's polarized world. *Cultural Citizenship and Popular Culture* is based on audience-led research and does not privilege textual analysis as a starting point for taking popular media use's measure. Instead, it offers research tools to listen to others. This book offers scholars and students of media and creative industries a means to understand their professional position as one in which they engage with rather than assume to know what users of popular cultural texts and products think and feel.

THE BREWERY OWNER'S WIFE TERRY THORP, 2013-09-17 Set in Kenya, 1930, the story continues to follow the lives of the two main characters, Harry and Una, introduced in Book 1, 'The Lion in the Morning'. Una struggles to deal with the aftermath of the assault made on her by Lord Crofton and at the same time face up to the reality of her relationship with Rachel. Harry participates in a hunting safari with unexpected consequences. Segge, Harry's Maasai blood brother, starts on a journey to his ancestral lands in Ethiopia hoping in the process to expunge the shame of his circumcision ceremony. Several new characters are introduced - Louise (the daughter of a wealthy Chicago newspaper owner), her sister Dorothy and a 'Washington Post' newspaper reporter, Tom Reynolds.

The Social Construction of Lesbianism Celia Kitzinger, 1987 The old model of lesbianism as a pathological affliction has largely given way to a liberal social scientific one which presents it as an alternative lifestyle, a way of loving, a sexual preference, or a source of personal fulfilment. This book argues that the shift from pathological to gay affirmative research merely substitutes one depoliticized construction of the lesbian for another. The author contends that the liberal social construction, instead of furthering the liberation of women, represents a new development in the oppression of women in general and lesbians in particular. Gay affirmative constructions are fundamentally incompatible with radical feminist theory in which lesbianism is a political statement representing the bonding of women against male supremacy. Kitzinger urges researchers to reject the traditional model of science as an objective search for truths or facts, but instead to examine their own rhetoric and evaluate their political commitments.--From publisher's description.

Ezili's Mirrors Omise'eke Natasha Tinsley, 2018-01-19 From the dagger mistress Ezili Je Wouj and the gender-bending mermaid Lasiren to the beautiful femme queen Ezili Freda, the Ezili pantheon of Vodoun spirits represents the divine forces of love, sexuality, prosperity, pleasure, maternity, creativity, and fertility. And just as Ezili appears in different guises and characters, so too does Omise'eke Natasha Tinsley in her voice- and genre-shifting, exploratory book *Ezili's Mirrors*. Drawing on her background as a literary critic as well as her quest to learn the lessons of her spiritual ancestors, Tinsley theorizes black Atlantic sexuality by tracing how contemporary queer Caribbean and African American writers and performers evoke Ezili. Tinsley shows how Ezili is manifest in the work and personal lives of singers Whitney Houston and Azealia Banks, novelists Nalo Hopkinson and Ana Lara, performers Mildred Gerestant and Sharon Bridgforth, and filmmakers Anne Lescot and Laurence Magloire—none of whom identify as Vodou practitioners. In so doing, Tinsley offers a model of queer black feminist theory that creates new possibilities for decolonizing queer studies.

Lies Anna Dillon, 1998 Following *THE TRUTH*, a crime novel featuring police detective George Havilland, back after an absence of two years, who investigates the death of a girl. His superiors want to write the death off as the result of a mugging, but Havilland thinks otherwise and refuses to comply.
