**Convinced: Based on the True Story of Brett Correia** Avlon McCreadie, 2019-01-29 Sara Adeline Mazzolini is the playwright of theatre plays, which dramatize the protagonist's life. **The Story of the Nursery** Magdalen King-Hall, 2022-11-21 Originally published in 1958, this reconstruction of the lives of young children of nursery age is an excursion into the past, from the Middle Ages to the opening years of the twentieth century. It tells of the methods, often extraordinary to our ideas, by which they were brought up from babyhood to about seven years old, their clothes, diet, the fearsome remedies that were inflicted on them in illness, their toys, games, books and first steps in education. It shows how the pristine simplicity of the child's nature, which hardly alters throughout the centuries, was moulded by the pressure of the adult society around them into some semblance of the accepted contemporary type. This story of the nursery is not only about young children, but about their parents too. There are parents in it who are stern, harsh, even cruel, and many more loving and careful ones; but one thing strikes us in these parents of former times: there is an air of unassailable confidence and certainty about them that the modern parent, versed in child psychology, would find it hard to achieve. As one seventeenth-century worthy put it, 'For that which always happens in a concerne so universall as breeding children must needs be provided for by a traditionell method of proceeding.'

The Great Story and the Great Commission (Acadia Studies in Bible and Theology) Christopher J. H. Wright,2023-02-28  
Christianity Today 2024 Book Award (Missions/Global Church) Outreach 2024 Resource of the Year (Mission and Cross-Cultural) Highly regarded biblical scholar and speaker Christopher Wright shows us that how we read the Bible has a profound impact on how we understand what mission is. According to Wright, People read (and preach) the Bible in tiny bits and pieces, for its promises or rules or doctrines, and fail to take it . . . as the true story of the universe, past, present, and future, within the plan and purposes of God--a story in which we are called to participate as coworkers with God. Wright encourages us to explore the Bible's grand narrative and to bring the whole counsel of God in Scripture to our understanding of who we are and what we must do as God's people. He helps us understand mission in its broadest sense, including our creational responsibilities. Wright's goal is to get us excited about the dramatic vista of the whole Bible and to help us understand the breadth and depth of missional engagement that we are called to live as actors in that drama. Now in paperback.
