Jillian Hart

What Matters Most James Hollis, 2009 Why are we here? What is the meaning of existence? What truly matters the most in life? To even begin to answer these questions, we must start by exploring our own internal ideals, values, and beliefs. Presenting the unique perspective of respected analyst and author James Hollis, Ph.D., *What Matters Most* helps readers learn to appreciate (even be amazed by) events unfolding within, even as the external world creates constant struggles.

What Matters Most Jillian Hart, 2011-07-01 Special forces soldier Ben McKaslin returns home with a bum leg, a bad attitude and his career in tatters. Then, in one defining moment, an emergency has him leaping instinctively to the rescue—and locking eyes with the captivating woman he left behind. Could this be fate's doing? After her own crushing setback, Cadence Chapman has learned to embrace life to the fullest. But she's also learned how to safeguard her heart. Yet, while Ben mends, sparks reignite between him and Cadence, and she realizes she still loves him to the depths of her soul. Dare she pin all her dreams on this embittered military man who has no idea how lucky he truly is?

What Matters Most Katherine Draper, 2014-10-17 It is easy to view the world without hope; to stand back and feel helpless. But what if that were simply not true? What if we weren't victims who were done for and done to? What if we started to set a different standard by living fully, creatively and spiritually? Brian Draper shows how we can change the world

around us, by first changing ourselves. What Matters Most is incisive and full of practical, spiritual wisdom. Draper goes in search of the positive, the infinite and the good and wants to pass them on. It is time to see the world with fresh eyes, to be inspired and to help others. But it's not just about spreading a positive message - it's about transforming lives because transformed people, transform people. Change starts with us. And that's when it spreads.
