Addiction Treatment Katherine S. Van Wormer, Diane Rae Davis, 2013

Addiction Treatment: A Strengths Perspective Katherine van Wormer, Diane Davis, 2007-05-30 Using the popular harm-reduction model, ADDICTION TREATMENT covers the biological, psychological, and social aspects of alcoholism, eating disorders, compulsive gambling, and other addictions. Through a number of first-person narratives about the experience of addiction, students will discover a realism and depth not commonly found in textbooks. In addition, the authors include student-friendly topics, such as the case against so-called underage drinking laws, to draw students into the material and illustrate the importance of reducing harm within the biopsychological framework that ties the text together. Addiction Treatment Katherine van Wormer, Diane Rae Davis, 2012-02-15 ADDICTION TREATMENT covers the biological, psychological, and social aspects of alcoholism, eating disorders, compulsive gambling, and other addictions. As symbolized by the image on the book's cover, the authors bridge the gap between the popular twelve-step and harm-reduction approaches, thus illuminating how practitioners can guide clients down a trusted path that is tailored towards the client's particular needs. Making Mandated Addiction Treatment Work Barbara C. Wallace, 2019-04-15 The second edition of *Making Mandated Addiction Treatment Work* integrates cutting edge research with evidence-based addiction treatments to create a unified and effective treatment model for mental health professionals and those in training. Because the largest and fastest growing segment of the community-based addiction treatment population includes those who are mandated, Barbara C. Wallace provides insightful best practices for tailoring addiction treatment to diverse and challenging clients, including those who may have a history of trauma or mental disorders, different levels of motivation, and a high risk of relapse. Applicable in a variety of treatment settings in both urban and rural communities, this text weaves together new research and vivid case studies into a concise and practical resource. This book is ideal for practitioners and students of public health, criminal justice, and social welfare services.

The Handbook of Addiction Treatment for Women Shulamith Lala Ashenberg Straussner, Stephanie Brown, 2001-01-18 Providing essential theoretical and practical guidelines for clinicians, educators, policymakers, and public health professionals, *The Handbook of Addiction Treatment for Women* is a comprehensive resource of the most current research and knowledge from recognized experts in the field of addiction and treatment. This much needed guide offers an historical context on the issue of women and addiction, examines the myriad challenges of the female addict, and includes recommendations for choosing a course of treatment that will meet the specific needs of an individual woman addict.

Strengths-Based Therapy Elsie Jones-Smith, 2013-01-09 Combining both the theory and practice of strengths-based therapy, Elsie Jones-Smith introduces current and future practitioners to the modern approach of practice—presenting a model for treatment as well as demonstrations in clinical practice across a variety of settings. This highly effective form of therapy supports the idea that clients know best about what has worked and has not worked in their lives, helps them discover positive and effective solutions through their own experiences, and allows therapists to engage their clients in their own therapy. Drawing from cutting-edge research in neuroscience, positive emotions, empowerment, and change, *Strengths-Based Therapy* helps readers understand how to get their clients engaged as active participants in treatment.

Using the Strengths Perspective in Social Work Practice Morley D. Glick, 2004 Using the Strengths Perspective in Social Work Practice explains the major ideas behind the strengths perspective and then demonstrates through case studies and discussion how helping professionals can apply the strengths perspective in practice. The book is very research-oriented and includes a great deal of new research on topics such as natural healing in addicted clients, self-management of mental

illness, a positive view of change in clients diagnosed with mental illness, the effectiveness of self-help groups, research on resilience in children and adults who have experienced life traumas, research on the importance of spirituality and religious involvement, and new research data on the helping process. Most of research used in this book has been published since 2000. The book has a unique feature: a critical response section at the end of every chapter in which clinicians and researchers have an opportunity to critically respond to ideas presented. This, in effect, provides an evidence-based approach to the material in the book. Because the book shows the application of the strengths perspective in practice, Dr. Glickman includes examples showing how to apply the approach with complex client problems including abuse, domestic violence, mental illness, addictions, and other complex problems often dealt with by clinicians in the helping professions. The book is written for the helping professions and includes the work of Martin Seligman in Psychology on learned optimism, Robert Putnam on community life in America, and Dennis Saleebey, one of the original writers on the strengths perspective in social work.

New Directions in Treatment, Education, and Outreach for Mental Health and Addiction Thalia MacMillan, Amanda Sisselman-Borgia, 2018-02-20 This practice-enhancing volume assembles the latest innovative thinking on working with clients who have both mental health diagnoses and substance use disorders. Diagnosis is a central focus of the coverage, untangling the often-knotty considerations surrounding dual diagnosis and the complex issues surrounding treatment even in frequently seen combinations (e.g., depression/alcohol abuse). The section on practice emphasizes meeting patients where they are and making use of their community, cultural, and spiritual contexts in crafting interventions. And the book's ambitious chapters on professional development describe training programs with the potential to produce the next generation of responsive, knowledgeable, and flexible therapists. Among the topics covered: · Comprehensive assessment of substance abuse and addiction risk in adolescents. · The relationship between attachment and addiction. · Addiction in the community: the role of emergency services. · Substance use during and after major crisis and disaster: a practitioner's guide. · Practice, advocacy, and outreach: perspectives on addiction services. · Teaching the importance of developing the therapeutic relationship. New Directions in Treatment, Education, and Outreach for Mental Health and Addiction equips health and clinical psychologists, social workers, and addiction counselors and educators with a well-rounded understanding of a growing population, and a wealth of perspectives on effective new interventions.

The Strengths Perspective in Social Work Practice Dennis Saleebey, 2006 The Strengths Perspective in Social Work Practice presents an unrivaled collection of essays that explain the strengths-based philosophy, demonstrate how it works, and provide clear and practical tools for its application. It presents a balanced approach to social work practice, in contrast to a problems-based approach, that takes into account the strengths and assets of clients and their environments. Highlights of the Fourth Edition Six New Chapters Shifting our Habits of Mind: Learning to Practice from a Strengths Perspective

(Chapter 2) examines how social work practice was historically a more problem-focused profession and the how the current shift towards strengths plays an important part in our work. Solving Problems from a Strengths Perspective explores, with relevant examples, how a practitioner can take a perspective on problems that leads to strengths-based and solution-focused practices. Strengths-Based Case Management: Enhancing Work with Persons with Substance Abuse Problems (Chapter 8) explores the further extensions of and developments in this important and ground-breaking work. The Resilience of Families (Chapter 11) examines those factors that promote family resilience and how they can be applied in practice. Consciousness and Commitment: Slave Narratives in Today's Movement to End Poverty (Chapter 12) applies the lessons of the resistance movements of slaves in order to develop effective and strengths-based strategies for ending poverty. Honoring Philosophical Traditions: The Strengths Model and the Social Environment (Chapter 14) presents the strongest and clearest relationship between environmental resources and individual strengths in practicing from the strengths perspective. Extensive revisions of existing chapters make this a fresh, more up-to-date book that retains the passion and sensibilities of the previous editions but with innovative examples and revised, more current bibliographies. Don't Miss This Exciting Value-Added Option! Social Work Skills Demonstrated: Beginning Direct Practice CD-ROM with Student Manual, Second Edition Linda K. Cummins, Barry University Judith A. Sevel, Illinois State University Laura Pedrick, University of Wisconsin, Milwaukee A practical guide to development of crucial social work skills including basic counseling and interviewing techniques, in a CD-ROM format with companion student manual that allows students to work at their own pace. The Routledge Companion to Rehabilitative Work in Criminal Justice Pamela Ugwu-dike, Hannah Graham, Fergus McNeill, Peter Raynor, Faye S. Taxman, Chris Trotter, 2019-09-12 All the world's criminal justice systems need to undertake direct work with people who have come into their care or are under their supervision as a result of criminal offences. Typically, this is organized in penal and correctional services – in custody in prisons, or in the community, supervised by services such as probation. Bringing together international experts, this book is the go-to source for students, researchers, and practitioners in criminal justice, looking for a comprehensive and authoritative summary of available knowledge in the field. Covering a variety of contexts, settings, needs, and approaches, and drawing on theory and practice, this Companion brings together over 90 entries, offering readers concise and definitive overviews of a range of key contemporary issues on working with offenders. The book is split into thematic sections and includes coverage of: Theories and models for working with offenders Policy contexts of offender supervision and rehabilitation Direct work with offenders Control, surveillance, and practice Resettlement Application to specific groups, including female offenders, young offenders, families, and ethnic minorities Application to specific needs and contexts, such as substance misuse, mental health, violence, and risk assessment Practitioner and offender perspectives The development of an evidence base This book is an essential and flexible resource

for researchers and practitioners alike and is an authoritative guide for students taking courses on working with offenders, criminal justice policy, probation, prisons, penology, and community corrections.

Addiction Treatment, Loose-Leaf Version Katherine van Wormer, Diane Rae Davis, 2017-01-01 ADDICTION TREATMENT covers the biological, psychological, and social aspects of alcoholism, eating disorders, compulsive gambling, and other addictions. The authors bridge the gap between the popular twelve-step and harm-reduction approaches, thus illuminating how you, as a future practitioner, can guide your clients down a trusted path that is tailored towards the client's particular needs. Through a number of first-person narratives about the experience of addiction, you will discover a realism and depth not commonly found in textbooks. Interesting and relevant topics -- such as the case against so-called underage drinking laws and an inside story of working in a casino -- draw you into the material and illustrate the importance of reducing harm within the biopsychological framework that ties the text together.

Foundations of Addictions Counseling Dave Capuzzi, Mark D. Stauffer, 2008 Foundations of Addiction Counseling explores the techniques and skills a new practitioner will need in the real world, with chapters by expert scholars, while providing a thorough review of the theory, history and research of addiction counseling. This comprehensive text offers prospective counselors the tools and strategies they will need for working with general and special populations, including assessment tools, strategies for outpatient and inpatient treatment, information about maintenance and relapse prevention, and counseling strategies for couples, families, children and adolescents, and recovering addicts.

Confronting Oppression, Restoring Justice Katherine S. Van Wormer, 2004 An empowerment approach is the organizing framework for this text which examines the nature of oppression, who does it and why, from the standpoint of biological and social psychological aspects. The impact on victim/survivors is explored through the inclusion of brief personal narratives recording grueling consciousness-raising experiences. This book is appropriate for courses in oppression, racism, and policy analysis. A small paperback, it can be used as a supplement to a course such as human behavior and the social environment. Divided into two parts, the first of which focuses on oppression and the second on the twin concept of injustice, Confronting Oppression and Restoring Justice, has as its major task the addressing of the age-old question for social workers, How can we avoid participating in the oppression? Or, working from the outside, How can we help the casualties of economic restructuring or the victims of structural or interpersonal violence? Examples of exemplary programs and actions to confront oppression and injustice are provided.
