

# Alan Watts Books

**Peter J. Columbus, Don Adrian L. Rice**

**In My Own Way** Alan Watts, 2011-02-09 In this new edition of his acclaimed autobiography — long out of print and rare until now — Alan Watts tracks his spiritual and philosophical evolution. A child of religious conservatives in rural England, he went on to become a freewheeling spiritual teacher who challenged Westerners to defy convention and think for themselves. Watts's portrait of himself shows that he was a philosophical renegade from early on in his intellectual life. Self-taught in many areas, he came to Buddhism through the teachings of Christmas Humphreys and D. T. Suzuki. Told in a nonlinear style, *In My Own Way* combines Watts's brand of unconventional philosophy with wry observations on Western culture and often hilarious accounts of gurus, celebrities, and psychedelic drug experiences. A charming foreword by Watts's father sets the tone of this warm, funny, and beautifully written story. Watts encouraged readers to “follow your own weird” — something he always did himself, as this remarkable account of his life shows.

**The Collected Letters of Alan Watts** Alan Watts, Anne Watts, 2018-12-11 Philosopher, author, and lecturer Alan Watts (1915–1973) popularized Zen Buddhism and other Eastern philosophies for the counterculture of the 1960s. Today, new generations are finding his writings and lectures online, while faithful followers worldwide continue to be enlightened by his teachings. *The Collected Letters of Alan Watts* reveals the remarkable arc of Watts's colorful and controversial life, from his school days in England to his priesthood in the Anglican Church as chaplain of Northwestern University to his alternative lifestyle and experimentation with LSD in the heyday of the late sixties. His engaging letters cover a vast range of subject matter, with recipients ranging from High Church clergy to high priests of psychedelics, government officials, publishers, critics, family, and fans. They include C. G. Jung, Henry Miller, Gary Snyder, Aldous Huxley, Reinhold Niebuhr, Timothy Leary, Joseph Campbell, and James Hillman. Watts's letters were curated by two of his daughters, Joan Watts and Anne Watts, who have added rich, behind-the-scenes biographical commentary. Edited by Joan Watts & Anne Watts

**Just So** Alan Watts, 2020-02-25 From the luminary and prophetic Alan Watts, an invitation to embrace pleasure, play, and connection in our ever-evolving world “If you were God,” asked Alan Watts, “what kind of universe would you create? A perfect one free of suffering and drama? Or one filled with surprise and delight?” From the 1950s to the 1970s, Eastern spiritual philosophies sparked in the West profound new ways of perceiving ourselves, the mysteries of reality, and the unfolding destiny of humanity. And through his live gatherings and radio talks, Alan Watts was at the forefront—igniting

astounding insights into who we are and where we're heading. Based on a legendary series of seminars, *Just So* illuminates three fascinating domains: money versus real wealth, the spirituality of a deeper materialism, and how technology and spirituality are both guiding us to ever greater interconnection in the universe that we find ourselves in. Along the way, readers will explore many other themes, at turns humorous, prescient, and more relevant today than ever. What unfolds is a liberating view of humanity that arises from possibility and the unpredictable—perfect and “just so,” not in spite of its messy imperfections, but because of them. Book highlights: 1. Going With • Theology and the Laws of Nature • Thinking Makes It So • Everything Is Context • Going With • What We Mean by Intelligence • Ecological Awareness • Of Gods and Puppets 2. Civilizing Technology • The Problem of Abstractions • We Need a New Analogy • Working with the Field of Forces • Trust • Synergy and the One World Town • Privacy, Artificiality, and the Self • Groups and Crowds 3. Money and Materialism • The Material Is the Spiritual • Money and the Good Life • True Materialism • Wiggles, Seriousness, and the Fear of Pleasure • The Failure of Money and Technology • The Problem of Guilt 4. In Praise of Swinging • Rigidity and Identity • Now Is Where the World Begins • Are We Going to Make It? • Polarization and Contrast • No Escape 5. What Is So of Itself • Spontaneity and the Unborn Mind • Relaxation, Religion, and Rituals • Saving the World

*The Book* Alan Watts, 2011-09-28 A revelatory primer on what it means to be human and a mind-opening manual of initiation into the central mystery of existence, by “perhaps the foremost interpreter of Eastern disciplines for the contemporary West (Los Angeles Times). At the root of human conflict is our fundamental misunderstanding of who we are. The illusion that we are isolated beings, unconnected to the rest of the universe, has led us to view the “outside” world with hostility, and has fueled our misuse of technology and our violent and hostile subjugation of the natural world. To help us understand that the self is in fact the root and ground of the universe, Alan Watts provides us with a much-needed answer to the problem of personal identity, distilling and adapting the Hindu philosophy of Vedanta.

**The Fish Who Found the Sea** Alan Watts, 2020-07-14 A rediscovered treasure for a new generation: the first and only story for children ever written by Alan Watts. Alan Watts, beloved for bringing a childlike wonder to the spiritual journey, once wrote a story for children. *The Fish Who Found the Sea* brings this delightful and wise parable to life for a new generation. Presented with new art from award-winning illustrator Khoa Le, here is a story as timely as it is entertaining—sharing a key message about getting into harmony with the flow of life. In this tale of a tail, we meet a fish with a curiously familiar problem—he’s gotten himself so mixed up that he spends all his time chasing himself in circles! Only the Great Sea knows how to help our poor fish get out of the mess he’s created with his own runaway thoughts. Here is a parable that perfectly captures the wit and wisdom that have made Alan Watts a timeless teacher we will never outgrow.

*This Is It* Alan Watts, 1973-03-12 Six revolutionary essays from the perfect guide for a course correction in life, away from materialism and its empty promise (Deepak Chopra), exploring the relationship between spiritual experience and ordinary

life—and the need for them to coexist within each of us. With essays on “cosmic consciousness” (including Alan Watts’ account of his own ventures into this inward realm); the paradoxes of self-consciousness; LSD and consciousness; and the false opposition of spirit and matter, *This Is It and Other Essays on Zen and Spiritual Experience* is a truly mind-opening collection.

*The Wisdom of Insecurity* Alan Watts, 2011-02-08 An acclaimed philosopher shows us how—in an age of unprecedented anxiety—we can find fulfillment by embracing the present and living more fully in the now. He is the perfect guide for a course correction in life (from the Introduction by Deepak Chopra). The brain can only assume its proper behavior when consciousness is doing what it is designed for: not writhing and whirling to get out of present experience, but being effortlessly aware of it. Alan Watts draws on the wisdom of Eastern philosophy and religion in this timeless and classic guide to living a more fulfilling life. His central insight is more relevant now than ever: when we spend all of our time worrying about the future and lamenting the past, we are unable to enjoy the present moment—the only one we are actually able to inhabit. Watts offers the liberating message that true certitude and security come only from understanding that impermanence and insecurity are the essence of our existence. He highlights the futility of endlessly chasing moving goalposts, whether they consist of financial success, stability, or escape from pain, and shows that it is only by acknowledging what we do not know that we can learn anything truly worth knowing. In *The Wisdom of Insecurity*, Watts explains complex concepts in beautifully simple terms, making this the kind of book you can return to again and again for comfort and insight in challenging times. “Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of ‘writing beautifully the unwritable.’” —Los Angeles Times

#### **Out of the Trap** Alan Watts, 1985

**There Is Never Anything but the Present** Alan Watts, 2021-12-07 A giftable collection of inspiring, uplifting, and enlightening words of wisdom from one of the most important voices in spirituality and self-help The perfect guide for a course correction in life. —Deepak Chopra Here is an indispensable treasury of uplifting and enlightening quotations for guidance, support, and spiritual sustenance. In his classic works of philosophy, Alan Watts shared timeless wisdom with readers worldwide. In this book are some of his most thought-provoking words to live by, to reflect upon, and to read for inspiration, knowledge, and growth

*Extracted Wisdom of Alan Watts* Sreechinth C, 2017-12-09 Alan Watts was the most prominent personality of the Zen Buddhism, who popularized the Eastern philosophy for the Western world. This naturalized American author’s writings were particularly famous among the so-called beat generation of the late 1950s and early 1960s. Alan Watts is the author of more than 25 books including one of the best selling books on Buddhism, ‘The Way of Zen’ and ‘Nature, Man and Woman’. With a master’s degree in Theology, he was an Episcopal priest for a short time and later joined as a faculty of the American

Academy of Asian Studies. This book will bring you the collection of quotes of various genres from this savant of Zen Buddhism. 'Extracted Wisdom of Alan Watts: 450+ Lessons from a Theologist' will be a valuable collection for anyone who is fond of him or want to learn more about Alan Watts... Note: There is a FREE gift Inside waiting for you.

**The Essential Alan Watts** Alan Watts,1977

Alan Watts [Here and Now](#) Peter J. Columbus, Donadrian L. Rice, 2012-06-01 Considers the contributions and contemporary significance of Alan Watts.

**Still the Mind** Alan Watts, 2002 Mark Watts compiled this book from his father's extensive journals and audiotapes of famous lectures he delivered across the country. In three parts, Alan Watts -- the author of *The Way of Zen* and *The Joyous Cosmology* -- explains the basic philosophy of meditation, how individuals can practice a variety of meditations, and how inner wisdom grows naturally.

**Alan Watts - In the Academy** Alan Watts, 2017-04-24 Gold Winner, 2017 Foreword INDIES Book of the Year Awards in the Philosophy category To commemorate the 2015 centenary of the birth of Alan Watts (1915–1973), Peter J. Columbus and Donadrian L. Rice have assembled a much-needed collection of Watts's scholarly essays and lectures. Compiled from professional journals, monographs, scholarly books, conferences, and symposia proceedings, the volume sheds valuable light on the developmental arc of Watts's thinking about language and mysticism, Buddhism and Zen, Christianity, comparative religion, psychedelics, and psychology and psychotherapy. This definitive collection challenges Watts's reputation as a popularizer or philosophical entertainer, revealing his concerns to be much more expansive and transdisciplinary than is suggested by the parochial Zen Buddhist label commonly affixed to his writings. The editors' authoritative introduction elucidates contemporary perspectives on Watts's life and work, and supports a bold rethinking of his contributions to psychology, philosophy, and religion.

**The Way of Zen** Alan Watts, 1999-01-26 In his definitive introduction to Zen Buddhism, Alan Watts (the perfect guide for a course correction in life —Deepak Chopra), explains the principles and practices of this ancient religion. With a rare combination of freshness and lucidity, he delves into the origins and history of Zen to explain what it means for the world today with incredible clarity. Watts saw Zen as “one of the most precious gifts of Asia to the world,” and in *The Way of Zen* he gives this gift to readers everywhere. “Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of ‘writing beautifully the unwritable.’” —Los Angeles Times

**The Essence of Alan Watts** Alan Watts, 1977

**The Way of Liberation** Alan Watts, 1983 Alan Watts helped shape the thinking of a generation through his efforts to introduce and interpret Asian wisdom in the West. This collection of essays and lectures spans his career, from his first essay on Zen Buddhism in 1955 to his final seminar, given only weeks before he died in 1973. The last essay *The Practice of*

Meditation is written and illustrated in his own hand.

**Zen Effects** Monica Furlong, Alan Watts, 1986-01-01

**Out of Your Mind** Alan Watts, 2017-03-01 In order to come to your senses, Alan Watts often said, you sometimes need to go out of your mind. Perhaps more than any other teacher in the West, this celebrated author, former Anglican priest, and self-described spiritual entertainer was responsible for igniting the passion of countless wisdom seekers to the spiritual and philosophical delights of India, China, and Japan. With *Out of Your Mind*, you are invited to immerse yourself in six of this legendary thinker's most engaging teachings on how to break through the limits of the rational mind and expand your awareness and appreciation for the great game unfolding all around us. Distilled from Alan Watts's pinnacle lectures, *Out of Your Mind* brings you an inspiring new resource that captures the true scope of this brilliant teacher in action. For those both new and familiar with Watts, this book invites us to delve into his favorite pathways out of the trap of conventional awareness, including:

- The art of the "controlled accident"—what happens when you stop taking your life so seriously and start enjoying it with complete sincerity
- How we come to believe "the myth of myself"—that we are skin-encapsulated egos separate from the world around us—and how to transcend that illusion
- Why we must fully embrace chaos and the void to find our deepest purpose
- Unconventional and refreshing insights into the deeper principles of Buddhism, Hinduism, Western philosophy, Christianity, and much more

**Become What You Are** Alan Watts, 2018-04-03 Renowned lecturer and author Alan Watts presents his meditations on the dilemma of seeking your true self. In this collection of writings, Alan Watts displays the intelligence, playfulness of thought, and simplicity of language that has made him so perennially popular as an interpreter of Eastern thought for Westerners. Drawing on a variety of religious traditions, he presents the dilemma of seeking your true self—to "become what you are." Once called "the godfather of Zen in America," Watts also covers topics such as the challenge of seeing one's life "just as it is," the Taoist approach to harmonious living, the limits of language in the face of ineffable spiritual truth, and psychological symbolism in Christian thought. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.
