Alone with God John MacArthur,1995 Discover the Power and the PassionA great champion of prayer once compared the praying Christian to a blacksmith stoking his fire. It's in the intimacy of prayer-when we're alone with God-that we keep the iron hot and God skillfully refines and shapes us. And like the blacksmith trade, prayer is not for those timid of work. Intercession is a difficult, perplexing, and solitary battle that is won or lost from o

Alone With God Ron DelBene,2005-11-01 Many of us find it difficult to be alone with God because we are not sure what to do and have no idea what to expect...there is no reason to be afraid of drawing closer to the God who is love. Alone with God was written especially for people who have the desire to spend time alone with God and to be more attentive to God's presence in their lives but do not have a practical sense of how to begin. Drawing on his background as a spiritual leader and retreat leader, Ron DelBene has a format for personal retreats that is flexible enough to be used in a two-hour block of time or expanded to as many as eight hours. He explains each part of the retreat format in detail, providing a thorough understanding of what is to take place and how best to put it into practice. Twelve retreats explore different themes, such as Seeking Forgiveness, Overcoming Anxiety, Called to Serve, Freedom - all designed to guide participants through their time alone with God.

Alone with God John MacArthur,2014-05-10 Filled with fresh insights and practical tools for growth, Alone with God will help you rediscover the power and passion found in time spent with God.

Alone with God Jason Janz,2006 Janz shares his journey toward understanding that daily private worship has as its basis the building of an intimate relationship with the Lord. His book combined with the Alone with God Daily Journal offers a practical, interactive approach to this special time, and includes directions for reading, prayer, and praise. Janz's insights and simple program will help any Christian to engage in daily devotions that are vibrant and rewarding.

One Year Alone with God Ava Pennington,2010-10 Hard Sayings: The Rhetoric of Christian Orthodoxy in Late Modern

Fiction by Thomas F. Haddox examines the work of six avowedly Christian writers of fiction in the period from World War II to the present. This period is often characterized in western societies by such catchphrases as postmodernism and secularization, with the frequent implication that orthodox belief in the dogmas of Christianity has become untenable among educated readers. How, then, do we account for the continued existence of writers of self-consciously literary fiction who attempt to persuade readers of the truth, desirability, and utility of the dogmas of Christianity? Is it possible to take these writers' efforts on their own terms and to understand and evaluate the rhetorical strategies that this kind of persuasion might entail? Informed by the school of rhetorical narratology that includes such critics as Wayne Booth, James Phelan, and Richard Walsh, *Hard Sayings* offers fresh new readings of fictive works by Flannery O'Connor, Muriel Spark, John Updike, Walker Percy, Mary Gordon, and Marilynne Robinson. In its argument that orthodox Christianity, as represented in fiction, still has the power to persuade and to trouble, it contributes to ongoing debates about the nature and scope of modernity, postmodernity, and secularization.

Time Alone with God Diane K. Chamberlain, 2015-03-04 *Time Alone With God: A Devotional Study for Discovering Renewed Hope in God*, is a book of devotions, that have been compiled into book form, so rather than reading a devotion every day, this book will become a personal Bible study, between the reader and God. This book will take the reader on a journey, that will lead them away from despair and bring them to a place of renewed hope. *Time Alone With God: A Devotional Study for Discovering Renewed Hope in God*, has eight different sections, many chapters, and tidbits of hope throughout the book. The first section is dealing with an unsettled circumstance or the moment of adversity...the time when

we feel the weakest. From there, we go into a section that helps us to understand, what can allow us to fall further into despair or what can lead us into other traps, set up by Satan and then we will do a study on Satan and the plan he has, for keeping us in despair. As we come to the center of the book, we will study the things that will help us to view our trials in a different way, so we can see them through God's eyes, instead of our own. From there, we learn in section five, how we can weaken evil and as we enter section six, we begin to take a new turn, away from our despair and study the things that will bring us to a healing. Once we have discovered a healing through Jesus Christ, we will enter section seven and learn how we can continue to press on, with God's help, especially after overcoming a previous circumstance. As we enter the final section of the book...section eight, we will study a renewed hope that can usher us into the presence of God. In this section, we will study the peace of God...the peace that can calm any new storm that may arise. Then we will study different forms of love that can bring renewed hope back into our lives and finally, we will view eternity, as the final step of our journey. In this chapter, we will study how important it is to remain close to God, especially during times of adversity and we will come to see, that each choice we make in life, can keep us doomed within our despair or our choice can be a means of God, eternally lifting us out of despair. We do not always understand the reasons for these moments of adversity but one thing we do know; is that with God in our lives, there is a way out... a means of walking beyond a powerful circumstance, to find a greater God!

Solo Nights Tony Maddox,2015-01-19 In the Christian religion, prayer is essential for developing a deeper relationship with God and provides an opportunity to intercede for a hurting world. It allows space for Christians to see God's hand in every aspect of life-pain, suffering, repentance, death, loss, joy, love, holiness, and everything in between. Solo Nights: Alone With God...Interceding provides a unique guide for individual night prayers and the benefits they can have to enriching the Christian walk. Lonely night prayers are not new concepts to those seeking God. Separating from the noisy world to pray is encouraged throughout the scriptures. In Solo Nights, Tony Maddox shares the wisdom and insight he gained through his own solo night prayers, both bitter and sweet, and the spiritual encounters he experienced during those times and encourages readers to look for opportunities in their own lives to engage in solo night prayers. The book provides simple guides for both short and long night vigils with the hope that in providing these tools, Christians may reclaim moments of peace and contentment in their walks with God.

Alone with God Alex Zanazanian,2017-10-28 The following pages are reflections of my visits with my heavenly Father. Always, our time together is deeply personal, because He is a Person, divine and relational. One hundred visits are divided into seven sections. In the first section, the worshiper thanks and praises God. In keeping with the mandate to enter His gates with thanksgiving and His courts with praise (Ps. 100:4 NASB), readers can begin their devotions with a page from this section. In the remaining sections, the Father speaks as only He can, to enlighten, encourage, and empower His child. In all cases, Scripture references and closing questions are also included, to encourage personal reflection and deeper intimacy with God. The conversations contained in these pages will resonate with committed Christ followers and invite the uninitiated into relationship with God, through the saving work of His Son, Jesus Christ. The following prayer is offered for those who desire to take a step toward the Savior: Dear Father in heaven, please reveal Yourself to me in the coming pages. Lead me into Your truth and into an abiding relationship with You, through Your Son, and by Your Holy Spirit. Amen. May this book strengthen and comfort you as the goodness of the Creator is revealed. -Alex Zanazanian

My Journey and Time Alone With God John R. Walden,2015-05-13 My grandfather taught me many things as I sat and listened to him. Most importantly, I learned that he was a God-fearing man. I believe that God used my grandfather to instill hardworking values in me as well. I miss him greatly, and I miss the times I was able to learn from his ways of living. As I grew, I began to recognize the importance of being still and listening with all my being to him. This has perhaps been one thing that God has used in my life to draw me to Him. His Holy Word says for us to be still before Him and know that He is God. So I was drawn by His Holy Spirit to listen with all my heart to His guidance. And as I spent time before Him, I learned to recognize the voice of God through His precious Holy Spirit within. I could not get enough of His powerful presence so I sat long hours, alone before Him, and this book is the result. In my time alone with God, I asked a lot of questions about life,

and I have come to understand much more than I ever knew. God says if you will seek Him, you will find Him, and if you call on Him He will answer you. He will speak to you and through you by His Holy Spirit presence within. God's love is extended to us through His Son Jesus Christ, who gave His very life to set us free from the bondages of sin. What is a journey to you? When you spend time with the Father, He will take you on a journey of victory! When you truly seek Him with all your heart, He will give you His wisdom, His knowledge, and His understanding. As you acknowledge His presence and power throughout life, your journey has begun.
