Psychology of the Extreme Arie W. Kruglanski, Sophia Moskalenko, 2025-02-26 What does extremism mean? How does it show up in our daily lives? What drives people to extreme behaviors, and how can we learn to live and thrive in the age of overdrive? The Psychology of the Extreme provides an accessible introduction to extremism as a force that can affect all aspects of culture and people's choices in everyday settings. It explores the underlying psychology behind what makes people act in extreme ways, whether this is in destructive ways (such as gambling, terrorism and political violence) or in constructive ways (such as successful creators and scientists). The book features an array of case studies that show how extremism can be both pro-social and anti-social and includes interventions to reduce extremism or redirect them toward more positive and constructive tendencies. Offering a new understanding of the individual psychology of extremism, the book will appeal to all those interested in how extremism plays out in people's and cultures' day-to-day lives.

You Get So Alone at Times That It Just Makes Sense Charles Bukowski, 2009-03-17 Charles Bukowski examines cats and his childhood in *You Get So Alone at Times*, a book of poetry that reveals his tender side. The iconic tortured artist/everyman delves into his youth to analyze its repercussions. "The Walt Whitman of Los Angeles."—Joyce Carol Oates "He brought everybody down to earth, even the angels."—Leonard Cohen, songwriter

Updating the Literary West, 1997 Western writers, says Thomas J. Lyon in his epilogue to *Updating the Literary West*, have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth. The editors of the *Literary History of the American West* (TCU Press, 1987) hoped that the first volume would begin, not conclude, their exploration of the West's literary heritage. Out of this hope comes *Updating the Literary West*, a comprehensive reference anthology including essays by over one hundred scholars. A selected bibliography is included with each piece. In the ten years since publication of *LHAW*, western writing has developed a significantly larger presence in the national literary stream. A variety of cultural viewpoints have developed, along with new tactics for literary study. New authors have risen to prominence, and the range of subjects has changed and widened. *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature, ethnicity, environmental writing, gender issues and other topics in which change has been rapid since publication of *LHAW*. This volume again affirms

the West's literary legitimacy--status hard earned by the Western Literary Association--and the lasting place of popular western writing as part of the growing and changing literary--and American--experience. An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries. Selected list of contributors: James Maguire Fred Erisman Susan J. Rosowski Gerald Haslam Tom Pilkington A. Carl Bredahl Richard Slotkin John G. Cawelti Robert F. Gish Ann Ronald Mick McAllister

Essential Bukowski Charles Bukowski, 2016-10-25 Edited by Abel Debritto, the definitive collection of poems from an influential writer whose transgressive legacy and raw, funny, and acutely observant writing has left an enduring mark on modern culture. Few writers have so brilliantly and poignantly conjured the desperation and absurdity of ordinary life as Charles Bukowski. Resonant with his powerful, perceptive voice, his visceral, hilarious, and transcendent poetry speaks to us as forcefully today as when it was written. Encompassing a wide range of subjects—from love to death and sex to writing—Bukowski's unvarnished and self-deprecating verse illuminates the deepest and most enduring concerns of the human condition while remaining sharply aware of the day to day. With his acute eye for the ridiculous and the troubled, Bukowski speaks to the deepest longings and strangest predilections of the human experience. Gloomy yet hopeful, this is tough, unrelenting poetry touched by grace. This is Essential Bukowski.

The Animus of Identity: Shame Lee Baglin, 2023-08-18 What are you? Who are you? What is it that makes you, you? Why are you? Explore with me as I use my own experiences, along with those of others I have met along my journey, the concept

of identity, and how your trauma and circumstances can shape the person you become.

Run With the Hunted Charles Bukowski, 1994-05-07 The best of Bukowski's novels, stories, and poems, this collection reads like an autobiography, relating the extraordinary story of his life and offering a sometimes harrowing, invariably exhilarating reading experience. A must for this counterculture idol's legion of fans.

The Continual Condition Charles Bukowski, 2009-09-29 "The Walt Whitman of Los Angeles." —Joyce Carol Oates "He brought everybody down to earth, even the angels." —Leonard Cohen, songwriter Arguably the most imitated and influential American poet of the previous half-century, Charles Bukowski remains a counter-culture icon more than a decade after his death. The Continual Condition is a collection of never-before-published poems by the inimitable Bukowski—raw, tough, odes to alcohol, women, work, and despair by a rebel author equally adept at poetry and prose. Charles Bukowski lives on in The Continual Condition, a godsend for admirers of his previous collections *Slouching Toward Nirvana*, *The Pleasures of the Damned*, and *Love is a Dog From Hell*, as well as his novels *Factotum*, *Ham on Rye*, and *Pulp*.

sifting through the madness for the word, the line, the way Charles Bukowski, 2009-10-06 One of the most recognizable poets of the last century, Charles Bukowski is simultaneously a common man and an icon of urban depravity. He uses strong, blunt language to describe life as he lives it, and through it all charts the mutations of morality in modern America. *Sifting Through the Madness for the Word, the Line, the Way* is a treasure trove of confessional poetry written towards the end of Bukowski's life. With the overhang of failing health and waning fame, he reflects on his travels, his gambling and drinking, working, not working, sex and love, eating, cats, and more. *Sifting Through* is Bukowski at his most meditative – published posthumously, it's completely non-performative, and gets to the heart of Bukowski's lifelong pursuit of natural language and raw honesty. We recommend you read this as Bukowski wrote: by sifting through the madness for what hits you as the word, the line, the way.

The People Look Like Flowers At Last Charles Bukowski, 2009-10-13 "if you read this after I am dead It means I made it" - "The Creation Coffin" *The People Look like Flowers at Last* is the last of five collections of never-before published poetry from the late great Dirty Old Man, Charles Bukowski. In it, he speaks on topics ranging from horse racing to military elephants, lost love to the fear of death. He writes extensively about writing, and about talking to people about writers such as Camus, Hemingway, and Stein. He writes about war and fatherhood and cats and women. Free from the pressure to present a consistent persona, these poems present less of an aggressively disruptive character, and more a world-weary and empathetic person.

The Night Torn Mad With Footsteps Charles Bukowski, 2009-03-17 This collection of previously unpublished poems offers

the author's take on squabbling neighbours, off-kilter lovers, would-be hangers-on, and the loneliness of a man afflicted with acute powers of observation. The tone is gritty and amusing, spiralling out towards a cock-eyed wisdom.
