Those Kids from Fawn Creek Erin Entrada Kelly, 2022-03-08 “A powerful and thought-provoking story.”—Shelf Awareness (starred review) “An emotionally resonant story about authenticity and belonging.”—Kirkus Reviews (starred review) “A raw, real exploration of belonging that’s also sweetly hopeful.”—Publishers Weekly (starred review) Every day in Fawn Creek, Louisiana, is exactly the same—until Orchid Mason arrives. From Erin Entrada Kelly, the winner of the Newbery Medal for *Hello, Universe* and a Newbery Honor for *We Dream of Space*, this contemporary school story set in small-town Louisiana is about friendship, family, deception, and being true to yourself and your dreams. There are twelve kids in the seventh grade at Fawn Creek Middle School. They’ve been together all their lives. And in this small factory town where everyone knows everything about everyone, that’s not necessarily a great thing. There are thirteen desks in the seventh-grade classroom. That’s because Renni Dean’s father got a promotion, and the family moved to Grand Saintlodge, the nearest big town. Renni’s desk is empty, but Renni still knows their secrets; is still pulling their strings. When Orchid Mason arrives and slips gracefully into Renni’s chair, the other seventh graders don’t know what to think. Orchid—who was born in New York City but just moved to Fawn Creek from Paris—seems to float. Her dress skims the floor. She’s wearing a flower behind her ear. Fawn Creek Middle might be small, but it has its tightly knit groups—the self-proclaimed “God Squad,” the jocks, the outsiders—just like anyplace else. Who will claim Orchid Mason? Who will save Orchid Mason? Or will Orchid Mason save them? Newbery Medal and Newbery Honor winner Erin Entrada Kelly explores complex themes centered on family, friendships, and staying true to yourself. *Those Kids from Fawn Creek* will enchant fans of Rebecca Stead, Jerry Spinelli, and

Kate DiCamillo.

Zoe Washington isn't sure what to write. What does a girl say to the father she's never met, hadn't heard from until his letter arrived on her twelfth birthday, and who's been in prison for a terrible crime? A crime he says he never committed. Could Marcus really be innocent? Zoe is determined to uncover the truth. Even if it means hiding his letters and her investigation from the rest of her family. Everyone else thinks Zoe's worrying about doing a good job at her bakery internship and proving to her parents that she's worthy of auditioning for Food Network's Kids Bake Challenge. But with bakery confections on one part of her mind, and Marcus's conviction weighing heavily on the other, this is one recipe Zoe doesn't know how to balance. The only thing she knows to be true: Everyone lies. When Marcus tells Zoe he is innocent, and her grandmother agrees, Zoe begins to learn about inequality in the criminal justice system, and she sets out to find the alibi witness who can prove his innocence. Edinbuggers Vs. Weegies Ian Black, 2003 There's a slogan that Glaswegians use when talking about Edinburgh's world-famous joie de vivre: 'Edinburgh! A castle, a smile and a song...One out of three isn't bad.' Edinburghers retaliate by talking of why all the Wise Men come from the East and all the cowboys from the West. So we have the Far East, the Wild West and an apparently unbridgeable gulf in between, usually called Falkirk. These are the jokes, the songs and the stories of why citizens of these two great cities would rather take Osama bin Laden home for tea than a Weegie or an Edinbugger, citizens of no mean cities though they be. Except, of course, traditionally, there is no request to tea in Edinburgh, more of a statement delivered without a question mark, as in 'You'll have had your tea.' And 'pal' is the unfriendliest word there is in Glasgow. When a Glaswegian asks, 'Ur you lookin' at me, pal?', you would be very naive indeed to think of it as a question or that the deliverer is intent on making friends. It is, in fact, a statement meaning something like, 'Unless you come up with a smart reply sharpish, I'm going to attempt to remove your head from your shoulders with any weapon that comes to hand. Or

my teeth.'There's nothing rational about it. Weegies know that all Edinburghers are just poncing about all day pretending to be flowers and waiting for dark to get up Calton Hill because, without exception, they like their vice versa. And Edinbuggers know that, in Weegie families, father, mother and sister often don't add up to three, but that they do keep their chibs sharp, whatever a chib might be. There are hard hits from both sides, sharp jibes and bludgeoning diatribes, but it's just friendly rivalry really. To use the double positive negative, a figure of speech unique to Scotland, 'Aye, right.'

The Village of Pointless Conversation Kersi Khambatta,2015-11-15 The book that spawned Finding Fanny 'It doesn't matter where you go,' I tell them. 'Travelling just means getting out of where you were.' Which is my half-assed way of saying, if they have stumbled through my doorway, they are lost as hell. Off the guidebook grid. Bumfuck nowhere, in other words.Pocolim is a little village somewhere - or nowhere - in Goa. It is home to Ferdie, the postman, who sets out to find his long-lost love, Millie. Along for the ride in a recently repaired vintage car are the most unlikely companions: his friend Angie, the sweet, virginal widow; her mother-in-law, the extraordinarily corpulent and bossy, Rosalina Eucharistica; renowned painter, Don Pedro who finds lost inspiration in the vastness of Rosalina's body; and Savio, friend of Angie's late husband and once contender for her love. On the road, resentments, ambitions, bitterness and desires come to a boil; as disturbing secrets tumble out, redemption strikes where they least expect it.The Village of Pointless Conversation is a sensuous, funny, full-bodied affair, shot through with quiet gloom that peels off the thin skin of pretence under which lie all our human absurdities.
