

God The Most Unpleasant

John Thomson Faris

God Dan Barker, 2016 English ethologist, evolutionary biologist, and writer Richard Dawkins opens Chapter 2 of his bestseller *The God Delusion* by saying that the God of the Old Testament is arguably the most unpleasant character in all fiction and goes on to list nineteen negative character traits. Now in *God : the Most Unpleasant Character in All Fiction*, Dan Barker, a former ordained minister and current atheist, proves that Dawkins was right.--Jacket.

God Dan Barker, 2023-05-15 What words come to mind when we think of God? Merciful? Just? Compassionate? In fact, the Bible lays out God's primary qualities clearly: jealous, petty, unforgiving, bloodthirsty, vindictive—and worse! Originally conceived as a joint presentation between influential thinker and bestselling author Richard Dawkins and former evangelical preacher Dan Barker, this unique book provides an investigation into what may be the most unpleasant character in all fiction. Barker combs through both the Old and New Testament (as well as 13 different editions of the “Good Book”), presenting powerful evidence for why the Scripture shouldn't govern our everyday lives. This witty, well-researched book suggests that we should move past the Bible and clear a path to a kinder and more thoughtful world.

God is Good Martin G. Kuhrt, 2020-07-30 Is the God of the Bible the most unpleasant character in all fiction, as Richard Dawkins claims in *The God Delusion*? He is backed up by former preacher and now virulent atheist, Dan Barker, who has cited Scripture, seeking to justify every one of Dawkins's infamous character slurs about the God of the Old Testament. Dawkins says the biblical God is jealous and proud of it; a petty, unjust, unforgiving control-freak; a vindictive, bloodthirsty ethnic cleanser; a misogynistic, homophobic, racist, infanticidal, genocidal, filicidal, pestilential, megalomaniacal, sadomasochistic, capriciously malevolent bully. Barker has added eight accusations of his own. Dawkins was too kind, he says. The God of the Bible is also a pyromaniacal, angry, merciless, curse hurling, vaccicidal, aborticidal, cannibalistic slavemonger. Furthermore, Barker thoroughly implicates Jesus in the alleged crimes of his Father. *God is Good* seeks to answer every one of these twenty-seven accusations. Written for theological students, pastors, preachers, thoughtful laypeople who wince at some of what they read in the Bible, and those atheists who are honestly searching for truth, this book ducks none of the difficult questions and problematic passages.

The Unwilling God Percy Marks, 1929

The Memoirs of God Giovanni Papini,1926

Society and the Death of God Sal Restivo,2021-06-08 This book advances the strong programme that sociology and anthropology provide a scientific foundation for arguing that God and the gods are human creations. Contending that religion is one – but not the only – way to systematize and institutionalize the moral order of a society, the author argues that religion reflects the fundamental human need for belonging and the social function of compassion. As such, our transcendental and supernatural ideas are really concerned with our everyday lives in communities and, faced with the severity and immediacy of the global problems with which the world is confronted – existential threats – it is increasingly important to abandon delusions and correct our mistake in reference, not by eradicating religion, but by grounding it more explicitly in earthly matters of community, social solidarity, belonging, and compassion. A wide-ranging study of the roots, nature, and purpose of religion and theistic belief, *Society and the Death of God* will appeal to sociologists, social theorists, and philosophers with interests in the scientific study of religion and the role of religion in the life of humankind.
