Phillips, 2001-03-01 In his more than twenty years coaching the Blue Devils, Coach Mike Krzyzewski has made his program the most admired in the nation, with back-to-back national championships in '91, '92, and again in 2001, and ten Final Four appearances since 1986. Now, in *Leading with the Heart*, Coach K talks about leadership-how you earn it, how you practice it, and how you use it to move your organization to the top. From the importance of trust, communication, and pride, to the commitment a leader must make to his team, this inspiring book is a must-read for anyone who loves college basketball-or who simply wants to win in any competitive environment today.

Leading With the Heart Robert Ackerman, J. Ibeh Agbanyim PHD, 2024-05-13 So, you want to be a great leader? The first lesson of any successful leader is that it's not about you, it's about them. Leaders look out for the team as they inspire, encourage, and empower others. You pick them up and dust them off when they fall. You give them radically candid, concise feedback with a compassionate heart so they can learn and grow. You demonstrate integrity, respect, and trust. You are humble and self-aware. You become a great listener and encourage others to speak up and challenge the status quo. You make your team feel secure and trusting with one another. I started my career over 50 years ago as a clerk. I worked for many people over those years but only a few of them were great leaders. I watched and listened and learned. In time I got to try my hand at leading. That's when the true learning began! I'm still learning, and at this point in my life I've decided to share what I've learned so far. Sharing is important to me whether sharing knowledge, financial support, time with those who need it, laughter, or simply sharing stories with those who are interested. I'm a story teller, and in this book I've tried to tell a few of those stories and share the impact it had on my thinking, my career and my life. I have also seen where a good

storytelling moved people into action, whether with a business agent deciding to come to the negotiating table to reach a union bargaining agreement, a director encouraging his team to brush up their project reports to be fit for submission, or when responding to a call from a person referred to me by someone I know. This book encompasses both lived experience and research that support the importance of leading with heart. As you read my story, I hope you can feel what I felt and can learn more easily some of the key lessons I had to learn the hard way. As you pursue your career, be daring, be brave, be humble, be patient, be persistent, and most of all be passionate. Remember, there is no greater feeling than “empowering the dreams of others.”

Leading with the Heart Mike Krzyzewski, Donald T. Phillips, 2010-01-30 The inspiring leadership book from the legendary basketball coach, now featured in the acclaimed Hulu series *The Bear*, The Duke University's former head basketball coach Mike Krzyzewski has proved himself a leader both on and off the court. He led the Duke Blue Devils to five straight Final Four appearances, culminating in back-to-back championships in 1991 and '92. He received five National Coach of the Year Awards -- and many of the players he coached in college went on to NBA stardom! Now Coach K offers the insights he used to coax peak performances from his team, relying on lessons he learned as a captain in the U.S. Army, sportsmanship, respect, and a genuine gift for leading with the heart.

Leading with Heart John Baird, Edward Sullivan, 2022-06-21 Wall Street Journal Bestseller Two veteran executive coaches help today's leaders learn how to retain and inspire their teams through the one thing their research has found works: *Leading with Heart*. In these pages, leadership coaches John Baird and Edward Sullivan share hundreds of hours of research and firsthand accounts of guiding leaders at some of the world's most respected big brands and small startups (Apple, Nike, Google, and Slack to name a few). Through their coaching and research they uncovered the five behaviors transformative leaders engage in to connect authentically with their teams: They are aware of their people's needs. They help their people to confront the fears that hold them back. They understand their own desires and what drives their people. They leverage their unique gifts and help people find their own. They connect with their core sense of purpose and help people find theirs. The key to achieving these behaviors is asking the right questions and having conversations that connect you and your employees on the deepest human level—conversations the authors coach you on how to navigate. At a time when workplaces are struggling to build high morale and connected cultures, *Leading with Heart* will help leaders to unlock the best version of themselves and those around them with transformative results. No matter where you are in your career, this book is your launch point to leading with heart. By encouraging you to ignore outdated “leadership hacks” and embrace introspection and growth, *Leading with Heart* guides you to ask the right questions and find your own answers. Now you too can create a leadership game-plan that is authentic to you and brings out the best in those around you.

The Heart-Led Leader Tommy Spaulding, 2015-10-06 New York Times bestselling author Tommy Spaulding shows you

how looking inwards--and leading with your heart--can transform your life. In his New York Times bestseller, *It's Not Just Who You Know*, world renowned leadership speaker and former CEO of Up with People Tommy Spaulding talked about the power of building genuine and lasting relationships both personally and professionally. In *The Heart-Led Leader*, Spaulding turns his focus to ourselves--to who we are. Authentic leaders, Spaulding says, live and lead from the heart. The values and principles that guide our lives and shape our ability to lead others is far more important than our title, or our ability to crunch numbers, or the impressive degrees we display on our walls. To effect true transformational change, heart-led leaders draw on the qualities of humility, vulnerability, transparency, empathy and love. Illustrated with stories from his own life, and from some of the exceptional leaders he has met and worked with over the years, Spaulding unpacks what those qualities mean, talks about the 18-inch journey from the head to the heart--from our intellect to our emotions--and shows us how to incorporate them into our careers, into how we manage and lead others, and into how we live our lives. It is a vision of leadership that has the power to transform everything we do, and the lives of everyone we touch.

Leading from the Heart: Choosing to Be a Servant Leader Jack Kahl,2019-03-12 Drawing from his thirty years of entrepreneurial experience, his friendship with Sam Walton, founder of Wal-Mart Stores, Inc., and years of self-motivated study, Jack Kahl reveals the true spirit of leadership. In 1971, Kahl made the investment of a lifetime: he bought a small, Cleveland company with revenues of just \$800,000, renamed the company Manco, Inc., and began creating one of the most exciting business stories ever. By the time Kahl retired in 2000, the company was selling consumer products to the best retailers around the globe and had achieved revenues of more than \$300 million. He sold the company in 1998, sharing 30% of the wealth -- some \$27 million -- with his partners, a title long held by every Manco employee. With *Leading From the Heart*, Kahl brings a unique and powerful lesson to all aspiring leaders: leadership begins with a choice -- a choice to serve others that comes from the heart.
