

Libro Las Grandes Traiciones De Mexico

Erika Pani

Las grandes traiciones de México Francisco Martín Moreno, 2020-12-18 El dramático recuento de las traiciones que torcieron el destino de nuestro país La palabra traición es uno de los hilos conductores que han definido el rumbo de nuestra historia y nos han atrapado en el presente que hoy vivimos los mexicanos. ¿Cómo hubiera sido nuestra historia sin la larga cadena de felonías que hemos padecido en carne propia? Sin un Santa Anna traicionando a la patria hasta lo inimaginable; si Hidalgo o Morelos no hubieran sido traicionados; si Obregón no hubiera traicionado la revolución y la Constitución reeligiéndose, antes de ser también traicionado y caer en La Bombilla, al igual que cayeron Villa y Zapata víctimas de traiciones, entre otros tantos más? La historia de México está saturada de traiciones y conjuras, fusilamientos y asesinatos, emboscadas y sabotajes derivados de las luchas para alcanzar o mantener el poder que han torcido, una y otra vez, el destino de nuestro país.

México mutilado Francisco Martín Moreno, 2020-03-20 ¿Con arreglo a qué razón inconfesable se nos ha ocultado a los mexicanos la verdadera historia patria en los últimos 170 años? México mutilado es un grito de denuncia, de rabia, de impotencia. ¿Por qué los mexicanos hemos hablado tan escasamente de la guerra de 1846 contra Estados Unidos? ¿Por qué nos hemos negado a evaluar los alcances de la catastrófica derrota que tuvo como resultado, entre otros males, la pérdida de la mitad del territorio nacional? ¿Por qué no nos atrevemos a ver la herida agusanada por la que supuramos hasta la fecha? Con su conocida prosa vertiginosa -un tobogán que nos lleva hasta las mismas entrañas de México-, Francisco Martín Moreno nos revela cómo conspiraron, en contra de su propio país, los altos jerarcas de la iglesia, distinguidos generales, presidentes de la República, destacados criollos, aristócratas, empresarios, periodistas, gobernadores, diputados y senadores. ¿La letra del himno nacional debería de ser: Mexicanos, sálvese el que pueda...? ¿Qué aprendimos de la guerra y de la traumática experiencia? ¿Acaso hoy, a más de 170 años, los mexicanos somos más unidos, más cultos, más preparados y hemos disminuido la distancia que nos separa de Estados Unidos? Por lo visto, nadie repara en que quien no conoce su historia está condenado a repetirla, con todas sus funestas consecuencias. Sin duda, los intereses creados fueron de tal magnitud que resultó más conveniente esconder la realidad que echar luz sobre nuestro pasado para desenmascarar, de una vez y para siempre, a los auténticos enemigos de México. México mutilado es una novela política que nos arroja en pleno rostro las explicaciones que nunca se atrevieron a darnos.

Las derechas en el México contemporáneo Marco Aurelio Pérez, Mario Virgilio Santiago, Ana Patricia Silva, 2020-12-28 Este libro trata diferentes momentos de la confrontación entre las derechas y el Estado a lo largo del siglo XX a través de tres instituciones que tuvieron un papel trascendente, aunque poco estudiado, en la historia de México: los Caballeros de Colón, la Unión Nacional de Padres de Familia y el Movimiento Universitario de Renovadora Orientación, muro. Dividido en cuatro capítulos, inicia con una introducción que presenta un panorama de la relación entre las derechas vinculadas con el clero y el Estado entre 1917 y 1968, y da cuenta del anticomunismo mexicano durante este periodo. Las tres organizaciones de derechas urbanas de clase media y alta vinculadas con la Iglesia católica abordadas, expresaron oposición al Estado laico, a su control sobre los contenidos educativos, insistieron en no incluir temas religiosos en la enseñanza y, en una palabra, se opusieron a la secularización de la sociedad. Al mismo tiempo, rechazaron el comunismo que, desde su perspectiva, había contagiado al Estado posrevolucionario. La relación de los Caballeros de Colón, la Unión Nacional de Padres de Familia y el muro con la Iglesia católica muestra la importancia que esta institución ha tenido en la lucha contra el laicismo y el comunismo en México; de suerte que se aprecia la consolidación del Estado en el siglo XX desde un ángulo distinto. El devenir histórico de la pugna entre un proyecto laico de sociedad y uno religioso, a lo largo de casi 50 años, también perfila a una Iglesia heterogénea, dinámica, en la que se hallan diferentes matices y posturas, en ocasiones encontradas.

Transnacionalidad e hibridez en el ensayo hispánico, 2016-11-01 Transnacionalidad e hibridez en el ensayo hispánico. Un género sin orillas examines how the essay, a privileged genre for the articulation of national identities in Latin America and Spain for decades, is being reconfigured in the present age of globalisation and transnationalisation. The articles included in this volume pay particular attention to the discursive forms and the practices of publishing that question old national categories, without disregarding their relevance. Starting from some theoretical considerations about the contemporary Latin American essay, the book concentrates especially on three dimensions of transnationalising the essay: the experience of exile, the tensions between the national and the transnational in the redefinition of Hispanic identities, and its relation with the genre's formal hybridisation, in the work of authors such as Bolaño, Piglia and Vila-Matas.

Transnacionalidad e hibridez en el ensayo hispánico. Un género sin orillas estudia cómo el ensayo, que durante décadas ofreció un foro privilegiado a la articulación de identidades nacionales en Latinoamérica y España, se está reconfigurando en una era de globalización y transnacionalización. Este volumen dedica atención especial a las formas discursivas y los modos de publicación que ponen en entredicho las antiguas categorías nacionales, sin descartar la relevancia de éstas. Partiendo de unas reflexiones más teóricas sobre el ensayo latinoamericano contemporáneo, el libro se centra en tres dimensiones de transnacionalización, a saber, la experiencia del exilio, las tensiones entre lo nacional y lo transnacional en la redefinición de identidades hispánicas, y la relación con la hibridación formal del género. Se estudian obras de autores como Bolaño, Piglia y

Vila-Matas.

A Companion to Mexican History and Culture William H. Beezley, 2011-03-16 A Companion to Mexican History and Culture features 40 essays contributed by international scholars that incorporate ethnic, gender, environmental, and cultural studies to reveal a richer portrait of the Mexican experience, from the earliest peoples to the present. Features the latest scholarship on Mexican history and culture by an array of international scholars Essays are separated into sections on the four major chronological eras Discusses recent historical interpretations with critical historiographical sources, and is enriched by cultural analysis, ethnic and gender studies, and visual evidence The first volume to incorporate a discussion of popular music in political analysis This book is the recipient of the 2013 Michael C. Meyer Special Recognition Award from the Rocky Mountain Conference on Latin American Studies.

Juárez en la historia de México Patricia Galeana de Valadés, 2017

El México que se avecina Julio Hernández, 2021-04-06 At the end of 2019, in the province of Wuhan, health alerts were lit after the appearance of a new virus similar to influenza but with a dizzying speed of contagion was reported. Within months, the entire world faced one of the worst health crises in all of history. In this context, Julio Hernández has been in charge of convening a group of journalists who, based on a meticulous investigation, interview and analysis, offer a panorama to understand the challenges and reconstruction that the country will have to face in health matters , economy, employment, security, bilateral relations, media and communication in the reconstruction of Mexico that is coming. A finales de 2019, en la provincia de Wuhan, se encendieron las alertas sanitarias tras reportarse la aparición de un nuevo virus similar a la influenza, pero con una velocidad de contagio vertiginosa. En unos meses, el mundo entero enfrentó una de las peores crisis de salud de toda la historia. En este contexto, Julio Hernández se ha encargado de convocar a un grupo de periodistas que, a partir de la investigación metódica, la entrevista y el análisis, ofrecen un panorama para entender los desafíos y la reconstrucción que el país deberá enfrentar en temas de salud, economía, empleo, seguridad, relación bilateral, medios y comunicación en la reconstrucción del México que se avecina.
