Omega Days John L. Campbell, 2013-06-21 “Readers who enjoyed The Strain Trilogy, by Guillermo Del Toro and Chuck Hogan, will find plenty to satisfy them here.”—San Francisco Book Review When the end came, it came quickly. No one knew where or exactly when the Omega Virus started, but soon it was everywhere. And when the ones spreading it can’t die, no one stands a chance of surviving. San Francisco, California. Father Xavier Church has spent his life ministering to unfortunate souls, but he has never witnessed horror like this. After he forsakes his vows in the most heartrending of ways, he watches helplessly as a zombie nun takes a bite out of a fellow priest’s face... University of California, Berkeley. Skye Dennison is moving into her college dorm for the first time, simultaneously excited to be leaving the nest and terrified to be on her own. When her mother and father are eaten alive in front of her, she realizes the terror has just begun... Alameda, California. Angie West made millions off her family’s reality gun show on the History Channel. But after she is cornered by the swarming undead, her knowledge of heavy artillery is called into play like never before... Within weeks, the world is overrun by the walking dead. Only the quick and the smart, the strong and the determined, will survive—for now.

Crossbones John L. Campbell, 2015-09-29 Campbell returns to his “impressively convincing vision” (Publishers Weekly) of

the apocalypse, as humanity's last hopes struggle to outlive the end of the world... Leading the U.S.S. Nimitz survivors has forced Father Xavier Church to make some hard decisions, but he's protected his flock. Only, his fortress is about to fall, and, this time, he might not be able to save them all... Most people lost everyone they loved to the walking dead, but Evan Tucker didn't have anything to lose. The folks on the Nimitz are the closest family he's ever had. He'll fight to his last breath to make sure nothing comes between them—no matter whether its the undead or the living... Coast Guard captain Elizabeth Kidd has always been a consummate professional, the opposite of her cruel pirate ancestor of the same name. But the Omega Virus didn't just change people into zombies; for some, the change was more subtle, and much more nefarious... As the safe-haven of the Nimitz is besieged by vicious marauders and terrifying Hobgoblins, they come up against the most deadly obstacle they've faced yet, one they have no chance of defeating—the cruel whims of nature itself...

Ship of the Dead John L. Campbell,2014-10-07 "Readers who enjoyed The Strain Trilogy, by Guillermo Del Toro and Chuck Hogan, will find plenty to satisfy them here."—San Francisco Book Review on Omega Days In the weeks following the Omega Virus outbreak, survivors form desperate clusters, uniting to defend against hordes of the walking dead. But they can only hide for so long... Father Xavier Church never wanted to be a leader. Nonetheless, he's grown attached to his fellow survivors, and he won't let anyone cause them harm—though he may be the one who inadvertently leads them to destruction... Ex-con Bill Carnes may crave freedom, but he still prefers sticking with the group rather than fleeing to Mexico with his former cellmate TC. Maybe he's changing. Or maybe the look in TC's eyes is more dangerous than the undead... EMT Rosa Escobedo gave up on hope after she watched the man she loved rise from the dead. But when a patient seems to start getting better, she can't help but hope for a cure, even if it means risking her life... As the numbers of the dead swell, the living are running out of safe havens—especially when the biggest threats lie within their own ranks.

Untying the Mystery: The Day of the Lord Shane Carter,2021-06-30 We are about to take a journey that will lead us to a revelation that is the underlining theme of the Word of God, the very manifestation of his glory. This revelation is one of the most misunderstood phenomena in the scripture. It relates the most glorious event to ever unfold on planet Earth, the Day of the Lord. What is the Day of the Lord, you ask? Untying this mystery with its vast implications is the task at hand. There are many speculations and opinions formed that have not arrived at the core of this truth. Most ideas point to a time when God releases all his fury against this world during the final seventieth week of Daniel's chapter 9 prophecy. Although God's wrath is just and no doubt will be expressed during the Day of the Lord, is this what this day is all about or is there much more? Before we begin, we should understand this foundational truth to life and its meaning-God is good. This does not mean he is one type of good or that there is more than one kind of goodness. God is the source and authority of all good. It is who he is. In Matthew 19:17, Jesus said, There is none good but one, that is, God. Since God is the only source of good, only he can understand, judge, and administer good. When Moses asked for God's name and he responded, I am that I am. He dropped a

bombshell. Everything good that was, is, and will be is I am. Not only did he create everything physical (solids, liquids, and gases) and spiritual (our thoughts, dreams, goals, strengths, and all other things), he also causes them to exist because he is the I am. He is not I have. To increase our understanding, we should know that God is three distinctive personalities that function as one Lord. God is the Lord's corporate name. The best way to conceptualize this is to consider who we are in his image. We are composed of spirit, soul, and body that function as one. Our bodies have many members: a head, arms, legs, eyes, ears, etc. They have their different functions but move together as one. The Triune God is invisible to us since our earthly eyes cannot behold his greatness. We cannot behold the sun without protection, and God is greater than the sun. So how can we relate to each other? He chose to accomplish this through his Son, Jesus Christ. Jesus is one of the three distinctive personalities. Jesus is God's glory, his light, the exact image of his person, and the expression of his heart.

Drifters John L. Campbell, 2015-01-06 The survivors of the Omega Virus make a desperate effort to find the living. But the walking dead aren't done with them yet... Helicopter pilot Vladimir Yurish is a man of his word. The last thing he wants is to abandon the safety of the U.S.S. Nimitz and his newly adopted son Ben. Still, a promise is a promise, no matter how close to death it brings him... Angie West has fought hard to keep strangers alive, but now it's time to tend to her own. Only, when she finds her family missing and their hideout burned and looted, she realizes the threat to her family isn't just the undead—the living can do so much worse... Halsey has done well for himself, given the circumstances. Between his secluded ranch and precise shooting, the plague hasn't touched him. Until a Black Hawk crashes on his property, bringing the war to his front door... Amid the chaos of a destroyed civilization, the survivors encounter a new threat. And these new monsters can't be outrun—or outwitted...
