The Daughters of Temperance Hobbs Katherine Howe, 2019-06-25 A magical bloodline. A family curse. Can Connie break the spell before it shatters her future? A bewitching novel of a New England history professor who must race against time to free her family from a curse, by Katherine Howe, New York Times bestselling author of *The Physick Book of Deliverance Dane*. Connie Goodwin is an expert on America's fractured past with witchcraft. A young, tenure-track professor in Boston, she's earned career success by studying the history of magic in colonial America—especially women's home recipes and medicines—and by exposing society's threats against women fluent in those skills. But beyond her studies, Connie harbors a secret: She is the direct descendant of a woman tried as a witch in Salem, an ancestor whose abilities were far more magical than the historical record shows. When a hint from her mother and clues from her research lead Connie to the shocking realization that her partner's life is in danger, she must race to solve the mystery behind a hundreds'-years-long deadly curse. Flashing back through American history to the lives of certain supernaturally gifted women, *The Daughters of Temperance Hobbs* affectingly reveals not only the special bond that unites one particular matriarchal line, but also explores the many challenges to women's survival across the decades—and the risks some women are forced to take to protect what they love most.

House of Velvet and Glass Katherine Howe, 2025-05-01 Katherine Howe, author of the phenomenal New York Times bestseller *The Physick Book of Deliverance Dane*, returns with an entrancing historical novel set in Boston in 1915, where a young woman stands on the cusp of a new century, torn between loss and love, driven to seek answers in the depths of a crystal ball. Still reeling from the deaths of her mother and sister on the Titanic, Sibyl Allston is living a life of quiet desperation with her taciturn father and scandal-plagued brother in an elegant town house in Boston's Back Bay. Trapped in a world over which she has no control, Sibyl flees for solace to the parlor of a table-turning medium. But when her brother is suddenly kicked out of Harvard under mysterious circumstances and falls under the sway of a strange young woman, Sibyl turns for help to psychology professor Benton Jones, despite the unspoken tensions of their shared past. As Benton and Sibyl work together to solve a harrowing mystery, their long-simmering spark flares to life, and they realize that there may be something even more magical between them than a medium's scrying glass. From the opium dens of Boston's Chinatown to the opulent salons of high society, from the back alleys of colonial Shanghai to the decks of the Titanic, *The House of Velvet and Glass* weaves together meticulous period detail, intoxicating romance, and a final shocking twist in a breathtaking novel that will thrill readers. Bonus features in the eBook: Katherine Howe's essay on scrying; Boston Daily Globe article on the Titanic from April 15, 1912; and a Reading Group Guide and Q&A with the author, Katherine Howe.

Legendary Locals of Salem Jerome M. Curley, Dorothy V. Malcolm, and Nelson L. Dionne, 2013 Since 1626, Salem has had a rich history. Time has seen this small city that was founded by Puritans adapt and push forward. It has been the capital of the colony; the site of the witchcraft trials of 1692; a thriving seaport; home to Revolutionary War privateers and soldiers; an East India Seaport that opened trade with China; an industrial center; and a tourist destination. Each age has produced people of influence. They walked the city's lanes, wharves, and streets as they pursued their dreams--people such as Roger Conant, Salem's Puritan founder; Anne Bradstreet, the first American poetess; Judge Sewell, the remorseful witchcraft judge; Elias Derby, the first American millionaire; Samuel McIntyre, the architect who changed the face of Salem; Nathaniel Hawthorne, a great American author; and Frank Benson, the noted impressionist painter. Ordinary people were and are legends, such as Caroline Emmerton, a philanthropist who sought to save Salem's heritage; David Goss, a historian and activist for Salem's past; Pep Cornacchio, an extraordinary civic volunteer; and Joan Boudreau, a preservationist restaurateur; as well as countless others. *Legendary Locals of Salem* celebrates the eclectic and noteworthy figures that have shaped and continue to shape the community.

Conversion Katherine Howe, 2015-06 Colleen is feeling the heat. It's her final year of school, and university applications and deciphering boys' texts have turned life into a pressure cooker. Colleen and her friends are expected to somehow keep it all together - until they can't. The first victim is gorgeous, popular Clara who starts having loud and uncontrollable tics while

her horrified classmates look on. More students follow suit with new symptoms: seizures, body vibrations, violent coughing fits, and hair loss. The media descends as school officials, angry parents and health experts scramble to find something, or someone, to blame. But there is one thing no one has factored in: the school's town was once Salem Village, the site of a similarly bizarre epidemic among teenage girls 300 years earlier - and it seems history is about to repeat itself.

Le figlie del libro perduto Katherine Howe,2010-12-31T00:00:00+01:00 Connie Goodwin, giovane e brillante dottoranda all'Università di Harvard, è impegnata in una ricerca sui processi di Salem, nel New England, che alla fine del diciassettesimo secolo videro più di centocinquanta persone accusate di stregoneria. Ma durante l'estate è costretta a trasferirsi fuori città per sistemare e vendere la vecchia casa di famiglia. All'inizio contrariata, Connie scopre che l'antica dimora contiene strani e preziosi tesori: non ultima, una Bibbia da cui cade una chiave dal fusto cavo, al cui interno è nascosto un pezzetto di carta ingiallita con su scritto Deliverance Dane. Un nome legato non solo ai processi su cui Connie sta indagando, ma anche alla sua famiglia, a un segreto custodito da generazioni di donne e tramandato attraverso un libro proibito: un Libro delle Ombre, depositario di un sapere arcano e sovrannaturale, ormai perduto. Ma un filo rosso lega quel passato oscuro e terribile al presente: e mentre Connie, tormentata dalle visioni, cerca disperatamente di risolvere il mistero, qualcun altro è in cerca del libro perduto, e per ottenerlo è disposto a tutto, anche a ricorrere a una maledizione da cui non c'è scampo... Thriller, fantasy e romanzo storico a un tempo, il libro d'esordio di Katherine Howe affonda le radici nella famiglia stessa dell'autrice, discendente di due donne che subirono i processi di Salem. Una lettura che inebria e rende giustizia di un'illuminante concezione della magia, salvifica e curativa, che si opponeva alla superstizione feroce e all'odio per tutti saperi legati alla natura.

became the first woman executed for witchcraft in America. Her crime? Knowing how to heal when others could only watch people die. A gifted healer in a world that feared knowledge... For thirty years, Alse Young served as Windsor, Connecticut's most trusted midwife and healer. Her skilled hands delivered babies, her herbal remedies broke fevers, and her keen eye could predict difficult births that would claim both mother and child. But in a Puritan community plagued by failed harvests and mysterious deaths, exceptional knowledge looked dangerously like witchcraft. When fear becomes more powerful than truth... As suspicion spreads through the settlement like wildfire, neighbors become accusers, dreams become evidence, and healing becomes proof of evil. Young Mary Hoskins claims Alse visits her in spectral form. Grieving parents blame her for deaths she tried to prevent. Even the minister who once respected her begins to question whether her abilities come from God-or something far darker. A trial that would echo through the centuries... Based on meticulously researched historical records, *The Hanging Tree's Shadow* brings to vivid life the story of America's first witch trial-and the remarkable woman at its center. This gripping novel reveals how a community's fear transformed their most valuable member into their greatest threat, and how one woman's tragic death would ultimately change the course of American justice. From the author: Alse Young died not because she was a witch, but because she was ahead of her time.
