Reborn In Daming: From Farmer To Imperial Nemesis Lisa M Edwards, Su Jing was reborn in the Ming Dynasty and became the richest man right after signing in. He originally just wanted to live a laid-back life farming, but accidentally ran into Zhu Yuanzhang's campaign to crack down on corrupt landlords. "Your Majesty, collecting commercial taxes to support the imperial clan—how is that any different from taking a cut from a pig farm to buy feed?" Zhu Yuanzhang slammed the table: "Insolence! I'm raising royal kin, not pigs!" And so, the most outrageous emperor-subject bickering scene in Ming history began: Su Jing used the sign-in reward The Wealth of Nations to convince Zhu Yuanzhang to implement state-owned enterprise reforms. When the emperor tried to confiscate his assets, Su Jing casually pulled out a handwritten copy of the Yongle Encyclopedia: "This is an advance donation to the imperial library." And when Zhu Di's forces approached the capital during the Jingnan Campaign, Su Jing suddenly activated a hidden easter egg—the "Jingnan War Simulator System."

**All Under Heaven** Rayne Kruger, 2003-12-30 A one-volume narrative history of China, from the earliest inhabitants to the twentieth century, for a popular readership China is a country with an ancient and highly sophisticated civilization of which the Chinese have been justly proud. When the countries of Europe were struggling to move beyond mud huts and stone tools the Chinese already had a highly complex society and were creating works of great beauty. Yet, although it has for many years been a source of great fascination to the West, the history of China remains a mystery to the layman. In this highly accessible narrative written for the general reader, Rayne Kruger produces a synthesis of Chinese history for the non-specialist reader. Rayne Kruger was born in South Africa and began his working life in a Johannesburg goldmine before

becoming in succession a lawyer, broadcaster and actor. He emigrated to England in 1947 where he joined the BBC. He wrote a number of successful novels, followed by a history of South Africa (1959) *Goodbye Dolly Gray*, which has remained in print ever since. An astute business man, he then founded a property group. He subsequently went into partnership with his wife, the successful restaurateur and cookery school entrepreneur Prue Leith (business woman of the year 1990). He died on 21 December 2002.

The daily practice of a small peasant girl in another world Karen Lee,2014-03-26 Director Wang glanced at the three students in front of him in turn, then his gaze fell on Liu Jingting and he said coldly, I told you to come here and eat shit. The other two students lowered their heads in fear at the fierce dean, but Liu Jingting remained unfazed. He said calmly, Dean Wang is a teacher. Isn't it a bit inappropriate to say that?

**I am a Super Rich Man** Hou Shendashu,2019-12-13 When he was in his twenties, Shen Lang finally knew of his background and realized that he was a super rich second-generation. Don't talk about money with me, this young master's greatest asset is money, because there are mines in our family!

*Invincible God* Chen Xing,2020-10-16 You want me to calm down? Calm your head! This father wants to act cool! No, it wasn't posturing, it was truly awesome!

**Movies Made for Television** Alvin H. Marill,2010-10-11 In 2005, Scarecrow published *Movies Made for Television*, 1964-2004, a five-volume reference set commemorating 40 years of every made for TV film since *See How They Run* debuted in 1964. These books provided a comprehensive listing of every television film and mini-series, detailing each film's original network, airdate, and length of broadcast. In this latest volume, Marill adds another five years of television films, providing information for an additional 400 works produced between 2005 and 2009. Along with a brief summary, entries also include extensive production credits (director, writer, producer, composer, director of photography, and editor) and a complete cast and character listing. With a chronology of the films, an appendix of movies adapted from other sources, and separate indexes for actors and directors, *Movies Made for Television*, 2005-2009 is a welcome addition to a resource highly regarded by scholars and historians of television and popular culture.

The Year in Television, 2008 Vincent Terrace,2009-04-23 In 2008, the broadcast networks, cable channels and syndication produced nearly 1,100 new and continuing entertainment programs--the most original productions in one year since the medium first took hold in 1948. This reference book covers all the first run entertainment programs broadcast over the airwaves and on cable from January 1 through December 31, 2008, including series, specials, miniseries, made-for-television movies, pilot films, Internet series and specialized series (those broadcast on gay and lesbian channels). Alphabetically arranged entries provide storylines, performer/character casts, production credits, day/month/year broadcast dates, type, length, network(s), and review excerpts.
