Human Design Chetan Parkyn, 2010-08-26 Going beyond horoscopes, Human Design posits that everyone is born with an individuality as unique as a fingerprint. The detailed personality readings Human Design provides empower people to make decisions, choose professions, and create relationships with ease and success because they are no longer struggling against innate strengths and weaknesses. They are instead tapping into their personal power and destiny. Understanding these readings allows people to align their actions with their inherent, truest self. Chetan Parkyn, the foremost international practitioner of Human Design, now offers readers the tools to do their own readings (using a downloadable program), to map the life charts of friends and family, and even to explore the complete life charts of a variety of public figures. Simple, accurate, and wonderfully detailed, Human Design unlocks human potential by answering the age-old question, Who am I?

*The Human Design Workbook* Karen Parker, Karen Curry Parker, 2022-10-26 Human Design is a system of personality typing that is a synthesis of astrology, the Chinese I Ching, the Hindu chakra system, Jewish mysticism (Kabbalah), and quantum physics. ...
