From Secret Ballot to Democracy Sausage Judith Brett, 2019-03-05 It's compulsory to vote in Australia. We are one of a handful of countries in the world that enforce this rule at election time, and the only English-speaking country that makes its citizens vote. Not only that, we embrace it. We celebrate compulsory voting with barbeques and cake stalls at polling stations, and election parties that spill over into Sunday morning. But how did this come to be: when and why was voting in Australia made compulsory? How has this affected our politics? And how else is the way we vote different from other democracies? Lively and inspiring, *From Secret Ballot to Democracy Sausage* is a landmark account of the character of Australian democracy by the celebrated historian Judith Brett, the prize-winning biographer of Alfred Deakin. Judith Brett is the author of *Robert Menzies' Forgotten People* and emeritus professor of politics at La Trobe University. The Enigmatic Mr Deakin won the 2018 National Biography Award, and was shortlisted in the NSW Premier's Literary Awards, NSW Premier's History Awards and Queensland Literary Awards. 'A tremendous piece of work.' ABC Radio National: Minefield 'Brett's writing is capable of extraordinary clarity, insight and compassion.' Monthly 'A great treasure that sizzles like the sausage in the title. I'll be surprised if, by the time you've finished it, you don't, like me, feel a little bit prouder of the Australian democratic system.' Andrew Leigh MP, Shadow Assistant Treasurer 'Australia led the world in broadening the franchise and introducing the secret ballot, but few nations followed us down the path of compulsory voting. This absorbing book explains a century-old institution, how it came to be, and how it survives.' Antony Green 'Magnificent...Brett has constructed an excellent, fast-moving narrative establishing how Australia became one of the world's pre-eminent democracies...[She] skilfully weaves her way through what would be in the hands of a lesser writer a dull, dry topic...Brett is right to point out that we need "more than the Anzac story" to understand our success. *From Secret Ballot to Democracy Sausage: How Australia Got Compulsory Voting* will be an important part of that conversation.' Weekend Australian 'Excellent...Brett's book shows how democracy sausages are the symbolic culmination of the proud history of the Australian contribution to electoral and voting practice around the world.' Canberra Times 'The Australian way of voting seems - to us - entirely ordinary but, as Judith Brett reveals, it's a singular miracle of innovation of which we can all be fiercely proud. This riveting and deeply researched little book is full of jaw-dropping moments. Like the time that South Australian women accidentally won the right to stand as candidates - an international first. Or the horrifying debates that preceded the Australian parliament's shameful

decision to disenfranchise Aborigines in 1902. This is the story of a young democracy that is unique. A thrilling and valuable book.' Annabel Crabb

Born to Rule Paddy Manning,2015-10-26 Born to Rule is the unauthorised biography that unravels the many layers of the man who has just become the 29th Prime Minister of Australia. The highs and lows of Malcolm Turnbull's remarkable career are documented here in technicolour detail by journalist Paddy Manning. Based on countless interviews and painstaking research, it is a forensic investigation into one of Australia's most celebrated overachievers. Turnbull's relentless energy and quest for achievement have taken him from exclusive Point Piper to Oxford University; from beating the Thatcher government in the Spycatcher trial to losing the referendum on the republic; from defending the late Kerry Packer—codenamed Goanna—in the Costigan Royal Commission to defending his own role in the failure of HIH, Australia's biggest corporate collapse. He was involved in the unravelling of the Tourang bid for Fairfax, struck it rich as co-founder of OzEmail, and fought his own hotly contested battle for Wentworth. As opposition leader he was duped by Godwin Grech's 'Utegate' fiasco; as the most tech-savvy communications minister he oversaw a nobbled NBN scheme. And now he has assumed the leadership of the Liberal Party for the second time after wresting the prime ministership from first-term PM Tony Abbott. Will Turnbull crash and burn as he has before or has his entire tumultuous life been a rehearsal for this moment?
