Breaking the Chains of Religious Illusion Christine Peters, 2024-05-12 Have you experienced religious trauma or spiritual abuse? If the answer is yes, this book is for you! This story is one woman's journey to healing emotionally, mentally and physically after being raised in a religious cult. This poignant memoir tells of the heartache of being taught fear of God and how it affects our thought processes even after leaving the cult situation as an adult. It outlines the whys of some of the decisions we make based on what one was taught within the walls of a finely tuned cult/religious situation and how these teachings shape us and all the decisions we make about our lives. Choice and free will are within us all and by keeping an open mind to possibilities, a healing journey begins. Make the choice to heal your soul!

Outside the Jukebox Scott Bradlee, 2025-05-01 From the creator of the sensation Postmodern Jukebox -- with millions of fans globally -- comes an inspirational memoir about discovering what you love and turning it into a creative movement. With student loan debt piling up and no lucrative gigs around the corner, Scott Bradlee found himself in a situation all too familiar to struggling musicians and creative professionals, unsure whether he should use the little income he had to pay his rent or to avoid defaulting on his loans. It was under these desperate circumstances that Bradlee began experimenting, applying his passion for jazz, ragtime, and doo wop styles to contemporary hits by singers like Macklemore and Miley Cyrus--and suddenly an idea was born. Today, Postmodern Jukebox -- the rotating supergroup devoted to period covers of pop songs, which Bradlee created in a basement apartment in Queens, New York--is a bona fide global sensation, having collected more than three million subscribers on YouTube while selling out major venues around the world and developing previously unknown talent into superstar singers. From its Etta James-inspired rendition of Radiohead's Creep to its New Orleans jazz interpretation of Meghan Trainor's All About That Bass, the group has established a sound like no other, crafting hits as

exquisitely sublime as they are humorously absurd. But it wasn't always as easy as the YouTube videos make it look. As he worked to establish Postmodern Jukebox, Bradlee struggled through the obstacles that every self-employed artist or entrepreneur with a vision faces: how to collaborate successfully on teams with divergent visions, how to outrun the naysayers, how to chase the next innovation when your reputation makes others start to pigeonhole you, and so many of the other challenges lining the path to success. Taking readers through the false starts, hilarious backstage antics, and unexpected breakthroughs of Bradlee's journey from a lost musician to a musical kingmaker -- and presenting all the entrepreneurial insights he learned along the way -- *Outside the Jukebox* is an inspiring memoir about how one musician found his rhythm and launched a movement that would forever change our relationships to our favorite songs.

A Kind of Cousin Suenel Bruwer-Holloway,2024-04-26 A Kind of Cousin is a daring collection of short stories by Suenel Bruwer-Holloway that whisks readers on a journey through the raw and unapologetic facets of human experience. Like a fresh breeze, blowing irreverently through old taboos, sweeping away the cobwebs of political correctness, Holloway shatters the confines of political correctness, delving into the resilient and complex spirit that pulses through her homeland, a place of beauty, sorrow, and resilience. From the wily old woman in 'The Statistic', cleverly hoarding her exit from this world, to the candid wisdom of a child in the titular 'A Kind of Cousin', and the unflinching gaze cast upon society's underbelly in 'The Healer', these stories are as provocative as they are enlightening. 'The Right Therapist' delivers a satirical jab at the mental health profession, while 'Horseflesh' pays homage to the enduring spirit of an old donkey, a symbol of unyielding courage in the face of adversity. Strap in and prepare to be swept off your feet as Bruwer-Holloway tackles subjects often muffled by societal discomfort—farm murders, religious zealotry, the deep-rooted connections of the Afrikaner people to their land, and the poignant realities of aging and death. A Kind of Cousin promises a literary escapade that's as thought-provoking as it is entertaining.
