Vulnerability and Resilience Jione Havea, 2020-01-28 In *Vulnerability and Resilience*, vulnerability is not the final word. Rather, resilience provides the cutting edge and living breath in the stories of subjects who are vulnerable. And they have many stories: stories of being trapped in bodies, teachings, and/or situations that make them (and others like them) vulnerable to discrimination, hatred, and rejection; stories of being trapped because of their bodies, theologies, and/or cultures; and stories of being trapped for no-good reason. For subjects who are vulnerable, life is like a maze of traps, and stories of resilience keep them going. The contributors to *Vulnerability and Resilience* refuse to be trapped. At the intersection of body and liberation theologies, they tell their stories in the hope that they will expose cultures that make individuals and communities vulnerable, and that those stories will encourage vulnerable subjects to be resilient and bring change to theological institutions that conserve vulnerability. Because of the location of the contributors—the Americas, Africa, Asia, Europe, Caribbean, and Oceania—this book is a testimony that vulnerability is present all over the world, and that resilience is a liberating alternative.

Love and Space in Contemporary African Diasporic Women's Writing Jennifer Leetsch, 2021-07-16 This book sets out to investigate how contemporary African diasporic women writers respond to the imbalances, pressures and crises of twenty-first-century globalization by querying the boundaries between two separate conceptual domains: love and space. The study breaks new ground by systematically bringing together critical love studies with research into the cultures of migration, diaspora and refuge. Examining a notable tendency among current black feminist writers, poets and performers to insist on the affective dimension of world-making, the book ponders strategies of reconfiguring postcolonial discourses. Indeed, the analyses of literary works and intermedia performances by Chimamanda Adichie, Zadie Smith, Helen Oyeyemi, Shailja Patel and Warsan Shire reveal an urge of moving beyond a familiar insistence on processes of alienation or rupture and towards a new, reparative emphasis on connection and intimacy - to imagine possible inhabitable worlds.

Cradle of Redeeming Love John Saward, 2002 Following up on his acclaimed *Redeemer in the Womb*, John Saward returns to the mystery of Christ's Incarnation. He draws upon the rich traditions of the Church, as well as the writings of the great Christian mystics, to create a work that is both new and old, revolutionary and orthodox. This profoundly moving meditation will aid any contemplation on the life of Christ. The subject of this book is the objective and divinely revealed truth of the Nativity of Christ, as proclaimed by His infallible and immaculate Bride. It is the splendor of this truth, of Love's noon in Nature's night, which for two millennia has captivated the Fathers and Schoolmen, and activated the genius of poets, painters, and musicians. Illustrated with eight color paintings.

Giving Birth Catherine Taylor, 2002 Offers an evocative and insightful look at the world of midwives and their role in childbirth, providing a thorough analysis and helpful advice on using a midwife as an alternative to physician-aided hospital delivery to bring one's child into the world.

The Prophetic Vision and the Real Jesus Adrian M. Leske, 2017-10-06 Using the method of intertextuality, Adrian Leske has traced the growth of the prophetic vision from Amos to the Exile, demonstrating how, after the Exile, the dominant influence on that vision down to the time of Jesus is the positive and new message of Deutero-Isaiah. With opposition from the Zadokite priesthood, and exploitation from foreign rulers, the prophetic and Levite communities find refuge in Upper Galilee and surrounding areas. Using the Gospel of Matthew, the most Jewish of the Gospels, Leske demonstrates how that vision impacted the teaching of Jesus to these communities and how he perceived his mission as the Servant/Son of man.

Understanding this prophetic vision and the Jewish nature of Matthew's Gospel brings new insights to Matthean Christology, as well as the authorship and date of that Gospel in relation to the other Gospels.
