Teología Arminiana Roger E. Olson, 2022-08-26 En este libro, Roger Olson expone la teología arminiana clásica y trata las numerosas equivocaciones y deturpaciones que ha sufrido el arminianismo a lo largo de los tiempos. Conciliador, pero penetrante, Olson argumenta que la teología arminiana clásica tiene un lugar de derecho en la iglesia evangélica, ya que posee profundas raíces dentro de la teología reformada, aunque presenta importantes diferencias del calvinismo.

Finney's Systematic Theology Charles G. Finney, 1976 His deep-set eyes were ablaze under craggy brows. His sharply chiseled features were reminiscent of the Great Emancipator himself. He was tall, angular, and obviously very intelligent. When he opened his mouth he was aiming a gun. When he spoke the bombardment began. The effects of his speaking were almost unparalleled in modern history. Over a half million people were converted through his ministry...in an age when there were no amplifiers or mass communications. He spearheaded a revival in America which literally altered the course of history. Harvard professor Perry Miller wrote, Charles Grandison Finney led America out of the eighteenth century. He was denounced by clergy and secularist alike for his innovations in evangelism. He was intolerably ahead of his time. One preacher threatened to oppose him with cannon if he dared venture into his parish. Most of Finney's life was lived before the Civil War. And he hated slavery with a passion. He insisted that it was impossible to be on the right side of God and the wrong side of the slavery issue at the same time. When he took the presidency of Oberlin College he did so on the express

condition that the institution be thoroughly integrated. The social implications of the preaching and example of this towering figure can scarcely be measured. Fortunately, his TEACHINGS CAN BE, for they are still with us. His convictions were born in the fires of revival and shaped by a keen lawyer's mind committed to the full authority of the Bible. So effective were his theological writings that they have been the impetus for revivals around the world since his death in 1875. It is with particular delight that we offer this special bicentennial edition of FINNEY'S SYSTEMATIC THEOLOGY to the English-speaking public. In this and its companion volume, THE HEART OF TRUTH, are found the distinctive truths which swept a nation into consciousness of its need for Christ just before its most horrendous bloodbath. To further clarify the meanings of Finney's presentation a GLOSSRY OF TERMS is included in this volume. Welcome to a significant reading experience. Welcome to the revolutionary theology of Charles Grandison Finney. -Publisher
