The In-Between Hadley Vlahos, 2023-08-17 'Refreshingly forthright' New York Times | 'Extraordinary' Laura Lynne Jackson | 'Beautifully written' Katy Butler | 'Tender and transformative' Christie Tate | 'Meaningful and sublime' Theresa Brown What can life's final moments teach us about living well today? In this bestselling memoir, palliative care nurse Hadley Vlahos recounts the unforgettable tales of the hospice patients whose journeys of self-discovery inspired her sense of purpose and hope. From the elderly man seeing visions of his late daughter, to the young patient lamenting the time wasted fearing judgment, to the woman whose unwavering belief in her faith was shaken up by the prospect of dying. Each story teaches us to embrace life's fleeting nature, and raises vital questions: How do we make peace with the end? How can we honour our late loved ones? And, above all, how can we make each day count? Compassionate and thought-provoking, *The In-Between* is a celebration of life's great unknowns, and a comfort as we navigate what comes next. 'Heartfelt, gentle ... refreshingly forthright' New York Times 'Beautifully written ... contains profound wisdom.' Katy Butler, author of *The Art of Dying Well* 'Transformative ... makes dying feel like a peaceful, dynamic, and nourishing event.' Christie Tate, author of *Group* 'Offers gentle encouragement for all those who live under life's running clock and for those who love them.' Kirkus Reviews

**The InBetween 2023** Igor Spencer, 2023-06-19 Passionate advocate for end-of-life care and TikTok star Hadley Vlahos shares moving stories of wisdom and redemption from her patients' final moments in this brilliant (Zibby Owens, *Good Morning America*) memoir. This extraordinary book helps dispel fear around death and dying, revealing it to be a natural part of our soul's evolution. -Laura Lynne Jackson, New York Times bestselling author of *Signs* and *The Light Between Us* Even in the medical profession, it is considered taboo to discuss death and dying. Our conceptions of death are, at best, perplexing: Will our past come flooding back to us? Our thoughts are consumed by regret? Is there a shining light at the end of the tunnel? It will be a slower process for the majority of people, one that can be slowed down with preparation, humor, and a little faith. Hospice nurse Hadley Vlahos is at the forefront of changing people's perceptions of palliative care. She demonstrates that end-of-life care can teach us just as much about how to live as it can about how to die. Vlahos was raised in a strict religious home, but the sudden death of a friend in high school led her to question her beliefs. She was shunned by her community when she became pregnant at the age of 19 and enrolled in nursing school to support herself and her child.

But soon nursing became more than just a job: It became a calling for her when she concentrated on hospice and palliative care work. Vlahos also shares her own fascinating journey in *The In-Between*, as well as the most impactful experiences she has had with the people she has worked with. These include the young patient who laments that she spent too much of her short life worrying about what others thought of her and the older man who saw visions of his deceased daughter. *The In-Between* is a heartbreaking memoir written with profound insight, humility, and respect. It demonstrates how caring for others can change a life, gives advice and comfort to people going through loss, and gives advice on how to live now.

**The Inbetween** Hope Florence,2021-04-20 the inbetween is a poetry collection about living life filled with unreasonable passion, intimate love, and a belief in the magic within us all.

**The Inbetween** London Frost,2019-05-20 In a world where magic is real, technology is alive, and Gods exist, Jayne, Liam and Sean must destroy the lies of their past to save the world before it crumbles under the weight of a dystopian prophecy. A prophecy they were always destined to fail...-----In the wake of Pearl Harbor, SPOOK intelligence has discovered that the pilots involved in the attack were given a drug called Nirvana. A drug created by harnessing the powers of gifted humans. Having fought in dozens of wars on hundreds of battlefields, Sean McPhail - a squad leader for the Royal Air Force - is called into action to unearth the truth. As Sean is forced to shed his human guise and accept his destiny, Jayne Foster continues to feel helplessly responsible for her father's death. Desperate to protect her loved ones, Jayne fell off the grid... but apparently not far enough. Clarke, a faction within SPOOK, has discovered she exists. Using her father's cold case

as leverage, Eric Miller, a Clarke agent, convinces Jayne to join him as they look into her father's murder. While Jayne tumbles down a rabbit hole of peculiar beings, murderous aberrations, and prophetic trains, Liam Reed, an assassin for The Book Club, must face a different world. Believing so blindly in the club's ideals, Liam followed every order without question, without hesitation, and without remorse. Until he was given an order he couldn't follow... The morals he believed in for so long were shattered under a twisted mass of deceit, forcing Liam to turn against the only family he's ever known. In an act of defiance, Liam must choose to save another life over his own. The Book Club, however, has other plans - for all of them. Deep down in the depths of Fort Carroll lies one of SPOOKS most treacherous prisons, housing some of the most dangerous criminals in the multiverse. After years of planning and preparation, the Club has threatened to enact Protocol Thirteen, which will release hundreds of convicts upon the world, unless Jayne and her new friends can stop it.

Once strangers and now lovers they long for the arrival of someone to explain why they inhabit this world alone. When Zoe wakes up on their shores they are horrified to learn that her arrival heralds the death of this vivid and beautiful world. Faced with an overwhelming decision, Zoe must decide if love, despite its loss, is worth more to her than the peace promised by the Mistress of Lost Souls...before they all run out of time and become ghosts trapped in their own stories.
