Emily Zipps

The Pairing Casey McQuiston, 2024-08-06 In #1 New York Times bestselling author Casey McQuiston's latest romantic comedy, two bisexual exes accidentally book the same European food and wine tour and challenge each other to a hookup competition to prove they're over each other—except they're definitely not. Theo and Kit have been a lot of things: childhood best friends, crushes, in love, and now estranged exes. After a brutal breakup on the transatlantic flight to their dream European food and wine tour, they exited each other's lives once and for all. Time apart has done them good. Theo has found confidence as a hustling bartender by night and aspiring sommelier by day, with a long roster of casual lovers. Kit, who never returned to America, graduated as the reigning sex god of his pastry school class and now bakes at one of the finest restaurants in Paris. Sure, nothing really compares to what they had, and life stretches out long and lonely ahead of them, but—yeah. It's in the past. All that remains is the unused voucher for the European tour that never happened, good for 48 months after its original date and about to expire. Four years later, it seems like a great idea to finally take the trip. Solo. Separately. It's not until they board the tour bus that they discover they've both accidentally had the exact same idea, and now they're trapped with each other for three weeks of stunning views, luscious flavors, and the most romantic cities of France, Spain, and Italy. It's fine. There's nothing left between them. So much nothing that, when Theo suggests a friendly wager to see who can sleep with their hot Italian tour guide first, Kit is totally game. And why stop there? Why not a full-on European hookup competition? But sometimes a taste of everything only makes you crave what you can't have.

McQuiston, autore de Rojo, Blanco y Sangre Azul . Theo y Kit han compartido muchas cosas: una gran amistad, ligues secretos, una relación de pareja y, ahora, rumbos distintos. Tras romper en pleno vuelo de camino al viaje por Europa con el que siempre soñaron, sus vidas se separaron definitivamente. Lo único que aún les une es el vale para el tour europeo que no hicieron hace cuatro años. Con el viaje a punto de caducar, a Theo y Kit les parece una idea genial hacer el viaje ahora. En solitario. Por su cuenta. Sin embargo, cuando suben al autobús de la agencia en Londres descubren que han pensado lo mismo, y ahora les esperan tres semanas de convivencia sin escapatoria posible. Eso sí, con paisajes impresionantes y sabores exquisitos en las ciudades más románticas de Francia, España e Italia. Pero no pasa nada, porque definitivamente han superado lo que ocurrió. Así que cuando Theo sugiere competir para ver quién se enrolla con más gente por toda Europa, Kit está más que dispuesto a participar. Porque ya no queda nada del amor que sentían, ¿verdad?

Best Woman Rose Domm, 2025-09-23 The “best woman” in her brother’s wedding tells a little white lie in her quest to get the girl—her lifelong crush and the maid of honor—in this wildly entertaining debut novel about bad decisions and life’s messiest transitions. “Irresistibly fresh, bright, funny, and bursting with singular voice, this is the kind of romance I’ve been waiting for.”—Casey McQuiston, New York Times bestselling author of *The Pairing* Julia Rosenberg loves her brother. Really loves him. Enough to: be the “best woman” at his wedding; leave behind her hard-won New York life, brilliant best friends, and drag brunches for Boca Raton, Florida; entertain the uptight bride-to-be and her vicious cronies; try (and fail) to dodge the hometown hookup buddy she can’t resist; and navigate the tricky dynamics with her divorced parents. She’s not that nervous. Her family stood by her when she came out as a woman a few years ago. And it’s just one week in Florida—a week of old memories and sisterly duties that will force Julia to confront the tensions that have been bubbling beneath the surface of her closest relationships. No big deal. When it turns out that Kim Cameron, the gorgeous, self-assured girl that she crushed on hard in high school, is the maid of honor, Julia panics. She tells a teensy little lie to win Kim’s favor—a lie that snowballs out of control and threatens to undermine the blossoming attraction between them and complicate an already challenging relationship with her family. Using her wit, charm, and a suitcase full of couture “borrowed” from a pop star, Julia just might survive the horde of clone-like bridesmaids, go-kart racing bachelor parties, and alcohol-fueled speeches. But she won’t make it out unscathed. As best woman, she’s making the worst decisions of her life. An utterly contemporary send-up of *My Best Friend’s Wedding* and a riotous coming-of-age novel, *Best Woman* is rife with crackling wit and devastating poignancy and announces Rose Domm as an exciting voice in fiction.

Alice Rue Evades the Truth Emily Zipps, 2025-10-28 “Vibrant, voice-y, tender, genuinely funny, and bursting with all the imperfect charm of a real, hopeful love. I can’t wait to make everyone I know read this.”—Casey McQuiston, #1 New York Times bestselling author of *The Pairing* In this sapphic homage to *While You Were Sleeping*, a down-on-her-luck receptionist is mistaken as the girlfriend of a comatose man and doesn’t have the heart to come clean to his devastated family—even when she starts falling for his sister. Alice Rue has never spoken to her longtime crush Nolan Altman, but after she saves his life, the EMTs tell his family that Alice is Nolan’s girlfriend. She wants to set the record straight, but Nolan’s in a coma, and if the family feels comforted by the idea of Nolan having his “girlfriend” by his side for what might be his last moments, isn’t it kinder to go along with it? At least for now? The Altmans are impossibly nice and supportive, and there’s something about Nolan’s sister Van that makes Alice feel more seen and understood than she has in years. She knows it’s wrong to lie, but it’s easy to convince herself that she’s doing the right thing by evading the truth. But what she can’t avoid is her growing

chemistry with Van. Alice must decide if she can unravel this tangle of lies to salvage her chances with the woman who just may be the love of her life—especially if Nolan wakes up. Warm, witty, and full of heart, this debut rom-com is a love story for pessimists who secretly hope for their own happily ever after.
