

The Seduction Of Christianity

Don Matzat

The Seduction of Christianity Dave Hunt, T. A. McMahon, 2013-05-01 The Bible clearly states that a great apostasy must occur before Christ's Second Coming. Christians today are being deceived by a worldview that is more subtle and seductive than any before. We will look at some of the dangers in the growing acceptance and practice of: Positive and possibility thinking Healing of memories Self-help philosophies Holistic medicine This seduction of Christianity will not appear as a frontal assault or oppression of our religious beliefs. Instead, it will come as the latest fashionable philosophies that will promise to make us happier, healthier, better educated, and even more spiritual. A compelling look at the times in which we live and a clear call to every believer to choose between the original and the counterfeit. Only then can we hope to escape the seduction of Christianity.

The Seduction of Christianity Jill Shannon, 2011-07-28 The Book of Revelation offers rewards to those who have overcome demonic activity, trials, and temptations. The Seduction of Christianity equips the Church to overcome the battles, deceptions, and seductions that will assail her in the final hours of this age. Subjects covered in depth include: Knowing your Destiny False Prophets True and False Revival Fear of the Lord Martyrdom Righteous Judgments Strange Fire Sexual Brokenness Seduction Preparation of the Bride The Seduction of Christianity is a mandate to the end-times Church, combining mature biblical teaching with revelatory encounters. The onslaughts and upheavals that will confront you require the Church to move quickly into a new level of resolve, discipline, and authority. You will be ready to face down the seducer and take your rightful place beside the King of kings and Lord of lords!

The Infiltration of the New Age J. Yutaka Amano, Norman L. Geisler, 1989 Many Christians say it is, but others aren't sure what the movement is all about. Before we pass judgment, we need reliable information about the diverse facets of New Age beliefs and practices. Authors Amano and Geisler provide this. They show that New Age thought indeed influences TV, movies, music, and books. Working from a firm biblical base, they critique the movement itself and also the sometimes misguided Christian responses to it.
