

# What Is The Proverb

## Garigādatta Upreti

The Facts on File Dictionary of Proverbs Martin H. Manser, Rosalind Fergusson, 2007 Lists the meaning and origin of more than 1,700 traditional and contemporary English proverbs.

**The Proverb in the Context of Akan Rhetoric** Kwesi Yankah, 2012 Attracting renewed attention by a new generation of scholars, the book presents a comprehensive ethnography of proverb communication in an African culture. The author critically reviews the dynamics of the proverb and explores in rich detail the proverb's creative potential, authorship, and effectiveness in crisis management.

The Book of Proverbs and Arabic Proverbial Works Riad Aziz Kassis, 1999 This is the first detailed study that critically compares and contrasts the wisdom sentences of the Book of Proverbs with classical and post-classical Arabic proverbs; reference is also made to current Arabic proverbs. The wisdom tradition of Solomon is examined and is compared to that of the Arab sage Luqm'n. The book deals with three main themes that are of special significance both in the Book of Proverbs and in Arabic proverbial works: royalty, speech and silence, wealth and poverty. The book concludes with a study of some form-critical and tradition-historical aspects of the treated proverbs. Hundreds of classical Arabic proverbs and wisdom sayings of Prophet Muh ammad appear for the first time in English.

**Proverbs in African Orature** Ambrose Adikamkwu Monye, 2008-03 Proverbs in African Orature examines how preliterate Africans handle oral literacy criticism of their proverbs. The study demonstrates that Africans employ literary styles and strategies in speaking their proverbs.

*Preaching Proverbs* Alyce M. McKenzie, 1996-01-01 Alyce McKenzie offers preachers an effective way to reclaim proverbs in preaching. She corrects popular misconceptions about the nature of proverbs, highlights their usefulness in contemporary situations, and demonstrates their ability to confirm (or subvert) the status quo. Six sermons are provided to illustrate proverbs at work in dealing with contemporary concerns.
