PAUL AND LUKE ON TRIAL Edward D. Andrews, 2020-03-25 The book PAUL AND LUKE ON TRIAL deals with their reputations, the authenticity, and the trustworthiness of their New Testament books (Acts and Galatians), which Bible critics have sought to undermine for centuries. Sadly, this attack also comes from “the new generation of evangelical scholars [who are] far more comfortable with ambiguity and uncertainty than previous generations.” (Wallace forward, Page xii) Herein the Bible critics and modern evangelical scholars are the prosecutors in this trial, and Andrews is serving as the Christian apologist in defense of the Apostle Paul and the disciple Luke. Andrews in PAUL AND LUKE ON TRIAL will briefly talk about Higher critics who have dissected the Word of God until it has become the word of man and a very jumbled word at that. Chapter one will look at how we can use legal terms to view Bible evidence objectively. Chapters 2 and 3 will lay more groundwork defining and dealing with Bible difficulties as it relates to the trial of Paul and Luke. A Brief historical overview of 36-49 C.E. in Chapter 4 apply all that we will have learned up unto this point in our defense of Paul and Luke. As a bonus, APPENDIX I is a chapter explaining Bible Difficulties, and APPENDIX II is a defense of the prophet Daniel and the book that bears his name.

Anonymous David Criswell, 2013-09-13 The epistle of Hebrews is the only New Testament book whose author remains a mystery. Although some Bibles call it The Epistle of Paul to the Hebrews his name does not appear in the letter itself. Many say that the text of Hebrews precludes Paul having written it. Ancient tradition variously ascribes it to Barnabas, Paul, or even to Luke or Clement. Modern scholars have suggested names ranging from Apollos to Priscilla. Which of these, if any, wrote Hebrews? Dr. Criswell, best known for his Biblical Controversies series, sets out to answer that very question. He examines all the evidence for the authorship of Hebrews. When was it written? From whence was it written? To whom was it written? What criteria fits the proposed authors? Criswell lays out evidence both for and against each candidate, including charts. A full chapter is dedicated to each of these major candidates including Paul, Barnabas, Luke, Apollos, Priscilla, Aquila, Clement, Silas, and Mark. In addition, there is a chapter devoted to other suggestions including Aristion, Epaphras, Jude, Peter, Philip the Evangelist, Timothy, and Titus. Anonymous also includes an appendix which discusses the place of Hebrews in the Biblical canon.

The Authorship of Hebrews David Alan Black, 2013-09-20 Over the last few centuries the authorship of the book of

Hebrews has been a contentious topic, but lately a strong scholarly consensus has emerged that Paul was not the author. There is no similar consensus about who did author the book; the consensus is entirely negative. Nonetheless, it takes some courage for a scholar to risk his reputation by challenging a so thoroughly assured conclusion of many scholars. Yet this is precisely what Dr. David Alan Black has done. In this book he adapts some of his previous scholarly work for a broader audience, demonstrating both how one goes about determining the authorship of an ancient work, and also how one challenges a scholarly consensus. And that is also why we have chosen this volume as the inaugural volume of our Participatory Study Series – Topic Line Drives. Millions of churchgoers look to the introductions to various books in their study Bibles to answer questions of date, authorship, and background. But only those who read more than one introduction will be fully aware of the disagreements among scholars about those conclusions. How is it that scholars make a determination about authorship? This book is for those who want to dig deeper than the notes in a study Bible and who want to understand what stands behind those conclusions. Dr. Black has paid his dues in the practice of scholarship, and here he demonstrates how one challenges such a consensus. At the same time he will guide the reader through the various factors that influence a decision about the authorship of a book. We hope this book will give new life to your Bible study and will challenge you to study further, not just about this subject, but about many others.

The Book of Hebrews M.L. Andreasen, 2014-03-24 The book of Hebrews appeared during a critical time in the history of the early church. The destruction of Jerusalem was impending and many of the believers believed the end of the world was near. However, Paul warned the church against entertaining a false hope, for he knew they were misguided with their beliefs. It was a critical time—the apostles were passing away, and soon the church would be left alone. It was in this hour of perplexity that the book of Hebrews appeared with needed light and comfort. The people needed a clear conception of the work Christ was doing for them in the courts above, and this book explained the delay in His return, and restored their wavering faith. The conditions and problems which the church then had to meet are not unlike those facing the church today. While the early church was living at the time of the fulfillment of the first part of Christ’s prophecy—the destruction of the city of Jerusalem and the temple, we are living at the time of the fulfillment of the second part of the prophecy—the coming of the Lord Jesus in the clouds of heaven. As there were misconceptions of Christ’s work in the sanctuary then, so there are those now who likewise err. There is as much need today of a thorough study of the Scriptures as there was then, and more so. The book of Hebrews was a great factor in stabilizing the apostolic church in the crisis hour before the fall of Jerusalem, and it is hoped that a discussion of the mighty themes of the book of Hebrews will be of some help to the church of God today. All need to have their eyes fastened on our great High Priest and the work He is doing in the sanctuary above. And may it be the blessed privilege of many with “boldness to enter into the holiest by the blood of Jesus, by a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh.” (Heb. 10:19, 20.) This was the prayer and hope of the

author of Hebrews, and this also is the hope of the author of this volume.

Jesus, Author of Our Faith A W Tozer, 2009-06-01 *Jesus, Author of Our Faith*, is a book centered on Jesus and based on sermons Tozer preached from the final chapters of the letter to the Hebrews. The author's intention, from chapter to chapter, is to underscore the necessity of an active, abiding faith in Jesus Christ—only in that way can we please God. This book is a companion volume to *Jesus, Our Man in Glory*, which is based on the earlier chapters of Hebrews. Together, the two books examine most of the important emphases in that significant Letter. They do so in Tozer's inimitable style and with his incisive expression.

Hebrews Erik M. Heen, Philip D. W. Krey, Thomas C. Oden, 2005-07-08 The epistle to the Hebrews offers a profound high Christology and makes an awe-inspiring contribution to our understanding of Jesus as our High Priest. Including thirty-four homilies from John Chrysostom and commentary from other church fathers from around the world, this ACCS volume offers a rich treasure of ancient wisdom from Hebrews for the enrichment of the church today.

Hebrews John F. MacArthur, 2016-06-28 Pastor John MacArthur will take you through the book of Hebrews, passage by passage, so that you can better understand the author's message, the cultural context, and the perfect sufficiency of Christ. The early Jewish believers had come from a background of legalism and works. When God came to earth in human flesh as the New Covenant, these believers discovered the freedom they could have in Jesus and the relationship they could enjoy with Him. Yet in the midst of persecution and rejection, they were often tempted to hold on to the former symbols, rituals, and traditions grounded in the requirements of the Old Covenant. The unknown author of Hebrews sought to address this problem by contrasting the Old and New Covenants, brilliantly showing that Christ is higher than any Old Testament character, priest, ritual, or sacrifice. Because of Jesus' life, death, and resurrection, He is the perfect sacrifice and our own High Priest. And He has given all believers unfettered access to God! —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Everyone's Guide to Hebrews Neil R. Lightfoot, 2002-11-01 The Book of Hebrews holds a unique place in the New Testament. It uses a highly literary vocabulary of ritual and ceremony. Its author is unknown. And it is steeped in references to the Old Testament. Sometimes these differences from the other New Testament epistles make Hebrews difficult for contemporary readers to understand. Everyone's Guide to Hebrews, written by respected Bible teacher Neil Lightfoot, takes readers through the intricacies of this special book and into the two great themes that govern it: the person of Christ and the work of Christ. The book is ideal for Bible classes, with study questions included at the end of each of the fourteen chapters. It is equally useful for grasping the meaning of the text in personal study, small groups, or sermon preparation. This popular commentary, or guide, gives readers a close-up look at one of the masterpieces of the Bible and enables them to appreciate its majestic language and style, its bold declarations, its sweeping arguments, and its heartfelt pleas to continue in the faith.

Christ Above All (Transformative Word) Adrio König, 2019-05-29 Look to Christ, the ultimate revelation of God. The letter to the Hebrews asks questions aimed at the heart of what it looks like for Christians to walk in Christ's footsteps. How should Christians relate to the Old Testament? What are we to make of the New Testament's urgent pleas to persevere in the faith? Can we really lose our salvation? How does Jesus model both humility in his humanity and the glory of God through his earthly life? These questions continue to be fiercely debated by Christians. The ancient letter to the Hebrews answers all by focusing on Christ's magnificent love and greatness. In Christ Above All, Adrio König puts readers in the shoes of the original audience of Hebrews and shows how, in a world full of competing claims to power and authority, Christ--in all his glory and humanity--really does surpass all others. In the Transformative Word series, you'll read the Bible with a global cast of church leaders and scholars. In conversational tone, contributors from around the world explain the importance of a biblical book, showing how it can transform your life.

Sacra Pagina: Hebrews Alan C. Mitchell, 2016-03-16 2008 Catholic Press Association Award Winner! Scarcely any book of the New Testament (with the possible exception of Revelation) is so perplexing as the Letter to the Hebrews. Not really a letter, but a sermon with some features of a letter added to it, not really by its putative author, Paul, but by an anonymous Christian who wrote some of the most elegant Greek in the Bible, not really addressed to the Hebrews, but to Christians,

probably in Rome 'this is the work that Alan Mitchell explains in this commentary. Many scholars have written fine commentaries on Hebrews, and Mitchell stands on their shoulders, noting where he proposes alternate interpretations. Mitchell pays particular attention to the reliance of the author of Hebrews on the Greek Old Testament (the Septuagint). He also compares the language of Hebrews with similar usage and ideas of first-century Hellenistic Jewish authors, notably Flavius Josephus and Philo of Alexandria. Furthermore, he situates Hebrews against the background of the tradition of Hellenistic Moral Philosophy, where that is appropriate. Mitchell thus locates Hebrews in its proper thought-world, something that is essential for the modern reader in dealing with some of the thornier questions raised by this biblical book. Chief among these are the role of sacrificial atonement, the question of second repentance, and the spiritual and moral formation of the Roman Christians who were its recipients. Like all the volumes in the Sacra Pagina series, this work examines the text in detail, with careful attention to the words and phrasing, and then brings those individual insights together into a coherent summary. The bibliography and special lists appended teach chapter cover the best of recent scholarship on the Letter to the Hebrews. Alan C. Mitchell, PhD, is Associate Professor of New Testament Studies and Christian Origins at Georgetown University and is Director of the Annual Georgetown University Institute on Sacred Scripture. He is a member of the Society of Biblical Literature and Catholic Biblical Association.

A Search for Truth in the Bible C. Ray Wimberly, 2017-11-03 Constantine and his bishops are credited for creating the early Bible in 313 AD. Canonized in 419 AD, this book would eventually morph into many versions, resulting in a host of religious beliefs and practices. Originally written by unknown Jewish scribes in ancient Hebrew and Greek languages, the Bible is the only source for many ancient and religious events. A Search for Truth in the Bible seeks out truths and untruths in the Bible. It also tries to provide an understanding of the seemingly unswerving faith that many religious practitioners have in the infallibility and power of the Bible, even though it has been shown to be flawed. From current versions of the Bible, including the Revised Standard Version, the book presents the results of studies by numerous biblical experts who have reviewed and commented on the validity of many ancient writings, including the Bible, and takes a fascinating in-depth look at one of the world's most famous, enigmatic books.

Commentary on the Epistle to the Hebrews (Classic Reprint) Moses Stuart,2015-07-18 Excerpt from Commentary on the Epistle to the Hebrews Minds of a different order, however, will doubtless wish to examine for themselves; to prove all things, and then to hold fast that which is good, if indeed they may be able to distinguish what is of this character. It is for such that the following investigations are intended and it is only to persons of this class, that they can be particularly use ful, even supposing that they are conducted in such a manner as the subject demands. The writer commenced them in the discharge of his duty, as a lecturer upon the epistle in question. He found many unforeseen and unexpected obstacles in his path. He had been accus tomed, with those around him, to regard Paul as the author of the epistle to the Hebrews; and he did not well know, until he came to examine, how long, and how extensively, this had been doubted. Men of high reputation in the church, and who admitted the canonical authority of the epistle, he found to have been doubtful in regard to the question, Who was the author of it Neither Luther nor Calvin admitted it to be from the hand of Paul and so early, at least, as the latter part of the second century, more or less of the Western churches seem to have disputed or rejected its authority. With such facts before him, he became deeply interested in the sub ject, and resolved, if possible, to satisfy his own mind. For this pur pose, he directed his attention principally toward the original sources of evidence, although he has not neglected any writer of importance among modern critics. The results of his investigation he now gives to the public, in hope that if they do not serve to satisfy the minds of others, they will, at least, excite some to engage in the discussion of the topics presented, until, sooner or later, light enough is poured in, to scatter the remaining darkness which rests upon them.
